Emergency Planning Zone F

If there were an emergency at the plant, state and county officials may instruct you to take actions based on which zone you are in.

Evacuation Shelter/ Reception Center

The reception center/evacuation shelter is where you would go if you were instructed to evacuate. Click on the reception center name to get directions.

- [Southeast Raleigh High School](#)

Relocation School

If you have children in school and the school is instructed to relocate, this is the facility where children would be
