BYLAWS
OF
CORNERSTONE PARK COMMUNITY ASSOCIATION, INC.

ARTICLE I

NAME AND LOCATION

The name of the corporation is CORNERSTONE PARK COMMUNITY ASSOCIATION, INC., hereinafter referred to as the "Association." At the time of the adoption of these Bylaws, the principal office of the corporation is located at 4112 Pleasant Valley Road, Suite 214, Raleigh, Wake County, North Carolina 27612, but may be located at such other places as from time to time determined by the Board. Meetings of Members may be held at such places within the State of North Carolina, County of Wake as may from time to time be designated by the Board.

ARTICLE II

DEFINITIONS

The Association specifically is organized as the "Association" pursuant to the provisions of that certain "Declaration For Cornerstone Park", recorded in the Wake County, North Carolina Registry in Book 8765, Page 2456 (and includes all amendments and supplemental declarations thereto, if any, the declaration and such amendments and supplemental declarations being referred to herein as the "Declaration"), the Declaration and the Articles of Incorporation of the Association (as from time to time amended) being incorporated by reference as if fully set out herein. The definitions of terms contained in the Declaration are applicable to the Bylaws, unless the context clearly indicates otherwise. As referred to herein and in the Declaration, the "Act" is the North Carolina Planned Community Act, currently contained in Chapter 47F of the North Carolina General Statutes, and the "Nonprofit Corporation Act" is the North Carolina Nonprofit Corporation Act, currently contained in Chapter 55A of the North Carolina General Statutes. The Association shall have all of the rights, powers, duties and obligations conferred upon it by the Declaration, and the Association and its Members shall be subject to all of the terms of the Declaration, specifically including, without limitation, the provisions regarding membership in the Association and the obligation of Members of the Association to pay monetary assessments and other charges to the Association.

ARTICLE III

MEMBERSHIP AND VOTING

Section 1. Membership in the Association. Each Owner of a Lot, including Declarant and each Major Builder, is a Member of the Association and by execution of the Declaration or by acceptance of a deed conveying to such Owner title to a Lot or title to any Unsubdivided Land that later becomes a Lot or Lots, consents to be a Member of the Association, subject to the terms of the Governing Documents and applicable Legal Requirements. Membership in the Association shall be appurtenant to and may not be separated from the Lot owned by the Lot Owner, and the Board may adopt reasonable rules relating to the proof of ownership. Membership in the Association shall terminate automatically whenever a Person ceases to be a Lot Owner (except that the Class B Membership shall finally terminate only as provided herein), but such termination shall not release or relieve any such Person from any liability or obligation incurred under the Declaration during the period of such Person's ownership, nor impair any rights or remedies which the Association or any other Lot Owner has with regard to such former Lot Owner.

Section 2. Classes of Voting Members. The Association shall have two (2) classes of voting membership as follows:

(a) **Class A.** Class A Members are all Owners of Lots, excluding Declarant and all Major Builders during the Declarant Control Period. Provided, following the end of the Declarant Control Period, Declarant and all Major Builders also are Class A Members with respect to all Lots owned by such Persons. A Class A Member is entitled to one (1) vote for each Lot owned by such Class A Member (and when the Class B Membership terminates, Declarant and each Major Builder also shall be entitled to one (1) vote for each Lot owned by such Person). Provided, however, only one (1) vote is entitled to be cast for each Lot, regardless of the number of Owners thereof.

(b) **Class B.** The Class B Members are Declarant and all Major Builders. During the existence of the Class B Membership, the Class B Members are entitled to three (3) votes for each Lot owned by such Class B Members. The Class B Membership shall terminate and the Class B Members shall become Class A Members upon the first to occur of the following:

(1) the end of the Declarant Control Period for any reason other than final termination of the Class B Membership in the Association; or

(2) when the number of votes of the Class A Members equals the number of votes of the Class B Members (that is, when the number of Lots owned by Declarant and all Major Builders is 25% or less of the total number of Lots then existing in The Properties). Provided, however, until all Unsubdivided Land in The Properties has been developed into Lots in accordance with Subdivision

Plans approved by the City, the Class B Membership may be reinstated at any time that number of Lots owned by Declarant and all Major Builders is more than 25% of the total number of Lots in The Properties. Unless otherwise terminated under subsection (1) of this subsection (b), the Class B Membership may terminate and be reinstated on one or more occasions until all of the Unsubdivided Land has been developed into Lots in accordance with Subdivision Plans approved by the City. Termination of the Class B Membership that has been reinstated after all of the Unsubdivided Land has been developed into Lots, or failure of the Class B Membership to be reinstated after all of the Unsubdivided Land has been developed into Lots because Declarant and the Major Builders then own 25% or less of the total number of Lots in The Properties, constitutes "final termination" of the Class B Membership under the Declaration.

Section 3. Cumulative Voting. There shall be no cumulative voting.

Section 4. Multiple Owners. When any Lot entitling the Owner thereof to membership as a Class A or Class B Member is owned of record in the name of two (2) or more Persons, their acts and presence with respect to voting, written consents, and quorum requirements shall be as follows:

(a) If only one (1) of multiple Lot Owners is present in person or by proxy at a meeting of the Association, then such Lot Owner is entitled to cast the vote allocated to that Owner's Lot;

(b) If more than one (1) of multiple Lot Owners is present in person or by proxy at a meeting of the Association, the vote for that Lot may be cast only in accordance with the agreement of a majority in interest of such multiple Lot Owners. Majority agreement is conclusively presumed if any one of the multiple Lot Owners casts the vote allocated to such Owners' Lot without protest being made promptly to the Person presiding over the meeting by any of the other Owners of the Lot (or Person possessing a valid proxy from any such other Lot Owner);

(c) If more than one (1) of multiple Lot Owners is present in person or by proxy at a meeting of the Association, but the vote is evenly split on any particular matter, the vote shall not be counted (but the presence of such Lot Owners in person or by proxy shall be counted for purposes of determining quorums);

(d) The presence at a meeting, in person or by proxy, of one (1) or more, but less than all, of multiple Owners of a Lot, shall be sufficient for quorum purposes with respect to the vote allocated to such Lot; and

(e) The principles of this Section shall apply, insofar as possible, to the execution of proxies, waivers, consents, written agreements, or objections.

Section 5. Voting Certificate. If a Member of the Association is not a natural person, the vote of such Member may be cast by any one or more natural persons authorized by such Member. Each such natural person must be named in a certificate signed by an authorized director, officer, partner, member, manager, trustee or other authorized person of the Member and filed with the Association; provided, however, whether or not such certificate is filed with the Association, any vote cast at a meeting of the Association on behalf of such Member by any director, officer, partner, member, manager, trustee, or other natural person with apparent authority, shall be deemed valid unless successfully challenged prior to the adjournment of the meeting at which the vote is cast by the Member entitled to cast such vote. Such certificate shall be valid until revoked by a subsequent certificate similarly signed and filed with the Secretary. Wherever the approval or disapproval of a Member is required by the Governing Documents, such approval or disapproval may be made by any natural person who would be entitled to cast the vote of such Member at any meeting of the Association.

Section 6. Simple Majority. Except when the Declaration, other Governing Documents, or applicable Legal Requirements specifically require a higher percentage or require the applicable percentage to be calculated based on the number of votes "entitled to be cast" by, or the total number of votes allocated to, the Members or portion of Members or Class of Members entitled to vote on the matter at issue, the affirmative vote of a majority of the votes cast at a duly called meeting at which a quorum is present is the act of the Members or portion of Members or Class of Members with respect to the matter voted upon. A "majority" is defined as more than 50% of the total number of votes cast by such Members or portion of Members or Class of Members present at a duly called meeting of the Association. Provided, however, and in addition to the foregoing, during the Declarant Control Period the written consent of Declarant and all Major Builders also shall be required to make effective any matter voted upon by any portion, Class or all of the Members.

Section 7. Action by Written Consent. Unless otherwise specifically provided in the Declaration, other Governing Documents, or any applicable Legal Requirement, any matter that may be adopted by the vote of Members may be adopted by the written consent of the Members or applicable Class of Members, subject to the following: (i) the foregoing rules governing voting when there is more than one Owner of a Lot applies to written consents; (ii) the majority or other percentage required for adoption by voting is applicable to adoption by written consent, except that, with respect to written consents, the percentage shall be determined in relation to the total number of votes that the Members, or applicable Class of Members (or portion thereof), would be entitled to cast if a vote was held; (iii) the date on which the last required Member signs the written consent is the date for determining whether or not the required percentage of Members has consented; and (iv) a written consent may be withdrawn if done so in the same manner required for giving the written consent and if done prior to the time that the last written consent necessary for adoption of the matter is executed.

Section 8. Voting Disqualification. No Member of the Association may vote at any meeting of the Association or, in the case of a natural person, be elected to serve as a director or officer of the Association, if payment by such Member of any financial obligation to the Association is delinquent more than sixty (60) days and the amount necessary to bring the account current has not been paid at the time of the meeting or election.

Section 9. Assignment to Lessee. The voting rights of a Lot Owner may be assigned to the Lot Owner's lessee only by written instrument and only with respect to the Lot actually leased and occupied by the lessee.

Section 10. No Additional Votes. Payment of special assessments or any other assessments or charges shall not entitle Members to votes in addition to those specified herein.

Section 11. Lots Owned by Association. Notwithstanding anything to the contrary that may appear herein, no votes allocated to Lots owned by the Association may be cast, nor may they be counted for purposes of determining a quorum.

Section 12. Proxies. All Members of the Association may vote and transact business at any meeting of the Association by proxy which is authorized in writing and meets the applicable requirements of the Governing Documents and Legal Requirements. A proxy is void if it is not dated. A proxy terminates eleven (11) months after its date, unless it specifies a shorter term. A Member may not revoke a proxy given pursuant to this Section except by actual notice of revocation to the Person presiding over a meeting of the Association. Proxies may not be used in connection with meetings of the Board, Architectural Review Committee or any other Board committee.

Section 13. Ballots by Mail. When directed by the Board, in its sole discretion, a statement of certain motions to be introduced for vote of the Members at an annual or special meeting of the Association, and a ballot on which each Member may vote for or against each such motion, shall be sent with the notice of the annual or special meeting at which such vote is to be held. The form of the ballot and requirements for the execution, presentation and effectiveness thereof, not inconsistent with the Declaration, shall be as determined by the Board. Each mail ballot properly executed and presented at the applicable meeting shall be counted in calculating the quorum requirements for the meeting, but such ballots shall not be counted in determining whether or not a quorum is present to vote on motions or other matters that do not appear on the ballot. With respect to any such ballot, the Board shall establish the rules for withdrawal or revocation of the ballot, which rules shall clearly be set forth on the ballot or on the notice of the meeting that accompanies any such ballot. Mail ballots from Members who are not entitled to vote on the date of the meeting of the Association at which the vote is held shall not be counted for voting or quorum purposes.

ARTICLE IV

MEETINGS OF THE ASSOCIATION

Section 1. Place of Meeting. Meetings of the Members shall be held at such place in Wake County, North Carolina, as determined from time to time by the Board. Each "meeting of the Association" must be a "duly called meeting of the Association" as defined in the Declaration.

Section 2. Annual Meetings. The first annual meeting of the Association shall be held not later than one year from the date on which there first is a Lot Owner other than the Declarant or a Major Builder. At the first annual meeting, the Association shall designate a month as its annual meeting month, and subsequent annual meetings shall be held in that month. All annual meetings of the Association shall be held on weekdays (other than on holidays recognized by the United States government) and at such times and places in Wake County, North Carolina as are established by the Board.

Section 3. Special Meetings. All special meetings of the Association shall be held on weekdays (other than on holidays recognized by the United States government) and at such times and places in Wake County, North Carolina as are established by the Board. There shall be a special meeting of the Association: (i) when called by the President of the Association; or (ii) when called by the Board; or (iii) when requested by the Declarant or a Major Builder during the Development Period; or (iv) upon written petition or request of the Class A Members holding ten percent (10%) or more of the votes entitled to be cast by all of the Class A Members. Upon receipt of the proper request for a special meeting, the Board shall schedule the special meeting for as soon as reasonably practicable thereafter, taking into consideration the notice of the special meeting required to be given. The signatures on a petition or other written request for a special meeting from the Class A Members shall be dated and shall be valid for a period of one hundred eighty (180) days following the date of the first such signature. Any call, petition or request for a special meeting shall: (i) specify the requested time, date and place of the meeting; (ii) specify the purposes for which the meeting is to be held; and (iii) be delivered to the Secretary of the Association. No business other than that stated in the call, petition or request shall be transacted at such special meeting.

Section 4. Notice of Meetings. Written notice of each meeting of the Members of the Association, stating the place, date and time of the meeting and, in the case of a special meeting or with respect to any matters referenced in Section 55A-7-05(c)(2), or successor Section, of the Nonprofit Corporation Act, a description of the matters to be considered at the meeting, shall be given by or at the direction of the Secretary to each Member entitled to vote at the meeting, not less than ten (10) days nor more than sixty (60) days before the date of the meeting; provided, however, and notwithstanding the foregoing, notice shall be given not less than thirty (30) days and not more than sixty (60) days before the date of the meeting when: (i) notice of the meeting is sent by means

other than first class, registered or certified mail or by a national, regional or local same day or overnight courier service, or (ii) a purpose of the meeting is to act on an amendment to the Declaration, or a merger or consolidation of the Association, or dissolution of the Association, and, in such event, the notice shall be accompanied by a copy of the proposed amendment, plan of merger or consolidation, or plan of dissolution, as appropriate. All notices shall be given in compliance with these Bylaws and applicable Legal Requirements. Waiver by a Member in writing of the notice required herein, signed by the Member before, at or after such meeting, shall be equivalent to the giving of such notice to that Member. Any Member who attends a meeting of the Association shall be conclusively presumed to have received timely and proper notice of the meeting or to have waived notice thereof, unless that Member attends the meeting for the express purpose of objecting to the transaction of any business at the meeting on the grounds that the meeting was not duly called or convened and the Member so notifies the person presiding at the meeting at or prior to the commencement of the meeting.

If an annual or special meeting of the Association is adjourned to a different date, time or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment. Provided, however, and notwithstanding the immediately preceding sentence, if a new record date for the adjourned meeting is or must be fixed under Section 55A-7-07 (or successor Section) of the Nonprofit Corporation Act, written notice of the adjourned meeting shall be given in the manner required by these Bylaws and applicable Legal Requirements to the members of record entitled to vote at the meeting as of the new record date.

Section 5. Quorum. A quorum shall be required for all meetings of the Members of the Association. Unless a higher percentage is required by applicable Legal Requirements, a quorum shall be deemed to be present throughout any meeting of the Association if Members entitled to cast ten percent (10%) or more of the total number of votes entitled to be cast by all of the Members of the Association are present, in person or by proxy, at the beginning of the meeting. Once a Member is present at a meeting, such Member is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting, unless a new record date is set for that adjourned meeting. When voting on any matter requires approval by a specified percentage of each class of Members, or by a specific class of Members, a quorum of each class of Members must be present in person or by proxy.

In the event that business cannot be conducted at any meeting of the Association because a quorum is not present, that meeting may be adjourned to a later date by the affirmative vote of a majority of those Members present in person or by proxy, and the quorum requirement at the next meeting shall be one-half (½) of the quorum requirement applicable to the meeting adjourned for lack of a quorum. This provision shall continue to reduce the quorum by fifty percent (50%) from that required at the previous meeting, as previously reduced, until such time as a quorum is present and business can be conducted.

Section 6. Conduct of Meetings. The President shall preside over all meetings of the Association and the Secretary shall keep the minutes of the meetings and record all resolutions adopted at the meetings and proceedings occurring at such meetings. The President may appoint a parliamentarian at any meeting of the Association. Unless otherwise determined by majority vote of the Members present at the meeting, in person or by proxy, the then current edition of "Robert's Rules of Order" shall govern the conduct of all meetings of the Association when not in conflict with the Governing Documents or applicable Legal Requirements. The order of business to be conducted at a meeting of the Members shall be as determined by the presiding officer, except as otherwise determined by the Board before or during the meeting.

ARTICLE V

EXECUTIVE BOARD

Section 1. Initial Directors. The initial members (or "directors") of the executive board of the Association and their business addresses are: Cynthia Morris, 4112 Pleasant Valley Road, Suite 214, Raleigh, Wake County, NC 27612; Joe Jenkins, 3739 National Drive, Suite 101, Raleigh, Wake County, NC 27612; and William H. Sutton, 12429 Falls of Neuse Road, Wake Forest, Wake County, NC 27587. The initial directors are deemed to have been appointed by the Declarant and Major Builders, and shall serve until their successors are appointed or elected as provided herein.

Section 2. Declarant and Major Builder Controlled Board. Until the first annual meeting of the Members of the Association held after the end of the Declarant Control Period, the Board shall consist of three (3) natural persons, each of whom shall be appointed, removed or replaced as determined from time to time by the Declarant and each Major Builder, in their sole discretion. Provided, however, and notwithstanding the foregoing: (i) if the Declarant and Major Builders cannot agree by mutual consent as to the appointment of the directors, appointment shall be by the mutual consent of the majority of the Declarant and Major Builders (if a Major Builder also is a Declarant, such Person has only one vote, not two, for the purposes of appointing directors); (ii) if there is no mutual consent of the majority of the Declarant and Major Builders (for example, when there are an even number of same who cannot agree), then each Declarant and Major Builder (or group of Declarant and Major Builders, as the case shall be) shall appoint one director, and if that results in the appointment of only two directors, then the directors thus appointed shall select the third director, and if those two directors are unable to agree on selection of the third director, then the third director shall be elected by the Class A Members at an annual meeting of the Association or at a special meeting of the Association called for the purpose of electing the third director.

Section 3. Class A Member Controlled Board.

(a) Following the end of the Declarant Control Period, the number of directors shall continue to be three (3), unless a higher number is set by the Class A Members of the Association. At the last annual meeting of the Members of the Association held prior to the end of the Declarant Control Period (or at a special meeting of the Association held as soon as reasonably practicable following the end of the Declarant Control Period), the Class A Members of the Association shall appoint or elect the three (3) directors of the Association as follows: one (1) director for a one (1) year term, one (1) director for a two (2) year term and one (1) director for a three (3) year term. If there are more than three (3) directors, their terms shall be staggered as determined by the Class A Members.

(b) Each director elected or appointed following the initial election or appointment of directors by the Class A Members of the Association, except for a director elected or appointed to fill the unexpired term of a director, shall be elected or appointed, as the case may be, for a three (3) year term. There is no limitation on the number of successive terms that a director elected or appointed by the Class A Members may serve.

Section 4. General Provisions.

(a) A director shall not be required to be a Member of the Association.

(b) No Class A Member of the Association shall be elected as a director, or allowed to continue serving as a director, (i) if such Class A Member is more than sixty (60) days delinquent in the payment of any financial obligation owed to the Association, or (ii) after a hearing at which such Class A Member is given an opportunity to appear and be heard and such Class A Member is found by the Board to be in violation of the Governing Documents or Association rules and regulations, during any period of time that such violation has not been completely remedied.

(c) Subject to the specific provisions of Section 3 of this Article, the Board shall establish and administer procedures for the election of directors by the Class A Members of the Association.

(d) At all meetings of the Board, a majority of the total number of directors shall constitute a quorum for the transaction of business. A majority vote of the directors on any matter at a meeting of the directors at which a quorum is present shall constitute a decision of the Board, unless otherwise provided by the Act, the Nonprofit Corporation Act or the Governing Documents.

(e) Vacancies on the Board that occur for any reason other than (i) removal of a director by the Class A Members (the Class A Members not being entitled to remove a director appointed by a Class B Member), or (ii) removal or resignation or death of an initial director or other director appointed by a Class B Member, shall be filled by a majority vote of the remaining directors at a

meeting of the Board held for such purpose promptly after the occurrence of the vacancy, or, if the directors remaining in office constitute less than a quorum for a meeting of the Board, an affirmative vote of the majority of the directors remaining in office, even though the directors present at such meeting constitute less than a quorum for a meeting of the Board. Each person so elected is elected to serve as a director until a successor is elected at the next annual meeting of the Association to fill the remainder of the term. Vacancies caused by removal of a director by the Class A Members of the Association shall be filled by a vote of the Class A Members at an annual or special meeting of the Association held within ninety (90) days following such removal, and the successor director shall serve the remainder of the term of the director being replaced.

(f) A director shall be deemed to have resigned if such director has failed to attend three (3) consecutive regular meetings of the Board without approval from the Board for any of such absences. Provided, such deemed resignation shall not prohibit reappointment or re-election of such director.

(g) No director shall receive compensation from the Association for serving as a director. However, as determined by the Board, directors may be reimbursed for actual expenses incurred in the performance of their duties as directors.

Section 5. Meetings. The first meeting of the Board following an annual meeting of the Association shall be held within thirty (30) days thereafter, at such time and place as shall be determined by a majority of the directors, for the purposes of electing officers, appointing Architectural Review Committee members (if applicable) and other committee members and establishing the manner of operation of the Board for the ensuing year. Regular meetings of the Board shall be held at such time and place as shall be determined from time to time by a majority of the directors; provided, however, that after the end of the Declarant Control Period, such meetings shall be held at least once each three (3) months. Special meetings of the Board may be called by the President of the Association or the presiding officer of the Board, and shall be called upon the written request of two (2) or more directors. All meetings of the Board shall be open to Members of the Association as observers, except that the President of the Association or the presiding officer of the Board may call the Board into executive session on sensitive matters such as personnel, litigation, hearings with respect to violations of the Governing Documents, or as otherwise allowed by applicable Legal Requirements. Any final action of the Board taken during an executive session shall be recorded in the minutes of the Board. If at any meeting of the Board there is less than a quorum present, a majority of those directors present may recess or adjourn the meeting from time to time.

Section 6. Notice of Meetings. Regular meetings of the Board, held in accordance with a schedule of regular meetings adopted by the Board, may be held without notice. No notice of the first meeting of the Board held after the annual meeting of the Association is required if the meeting is held immediately following the annual meeting. Notice of all other meetings of the Board, including meetings held following adjournment of a meeting for lack of a quorum, shall be given to each

director orally or in writing, either in person or by first class mail, telegraph, telecopier, computer "E-mail", telephone, private courier, or other usual means of communication then in existence, not less than five (5) days prior to the date of the meeting; provided, however, notice of the new date, time or place of an adjourned meeting need not be given to the directors who were present at the adjourned meeting. All such notices shall state the place, date and time of the meeting and, in the case of special meetings, the purpose thereof. A director's attendance at, or participation in, a meeting waives any required notice to that director of the meeting unless that director, at the beginning of the meeting or promptly upon that director's arrival or commencement of participation in the meeting, objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting. A director may participate in a meeting of the Board in any manner allowed by applicable Legal Requirements.

Section 7. Action Taken Without a Meeting. Any action required or permitted to be taken at a Board meeting may be taken without a meeting if the action is taken by all of the directors. Such action shall be evidenced by one or more written consents describing the action taken, signed and dated by each director before or after such action, which consents shall be included in the minutes or filed with the corporate records. Action taken under this section is effective when the last director signs the consent, unless the consent specifies a different date. Provided, however, the last consent shall be signed on or before the thirtieth (30th) day following the date on which the first consent is signed. Further provided, a consent signed by a director who resigns, dies or is replaced before all the required consents are signed, shall remain valid until the end of the thirty (30) day time period and the written consent of the replacement director shall not be required. Actions taken under this section shall have the same force and effect as if taken by unanimous vote of the directors at a meeting of the Board.

Section 8. Quorum and Voting. A majority of the number of directors in office immediately before a meeting begins shall constitute a quorum for the transaction of business at that meeting. Every act or decision done or made by a majority of the directors present at a meeting at which a quorum is present shall constitute the act of the Board.

Section 9. Powers. The Board shall have all of the powers necessary for the administration of the business of the Association and, except as otherwise provided by applicable Legal Requirements and the Governing Documents, may act in all instances on behalf of the Association. In addition to or in furtherance of the powers of the Board described in the Governing Documents and applicable Legal Requirements, on behalf of the Association the Board shall have power to do any or all of the following:

(a) subject to the provisions of these Bylaws, employ a property manager or firm to manage the business and property of the Association.

(b) contract with any Person, including, without limitation, the Declarant, Major Builders and Members of the Association, to perform the functions of the Association and provide the services required by the Declaration, such contracts to be at competitive rates and otherwise upon such terms and conditions and for such consideration as the Board may deem proper, advisable and in the best interests of the Association; Provided, however, as stated in the Declaration, all Association contracts made during the Declarant Control Period which extend beyond the Declarant Control Period must meet at least one of the following criteria: (i) be for a term limited to two years or less; (ii) be terminable without penalty by the Association upon ninety (90) days written notice; (iii) be commercially reasonable and made with an entity not affiliated with the Declarant; or (iv) during the Declarant Control Period, be approved by the United States Department of Housing and Urban Development ("HUD") or its designee and/or by the United States Veterans Administration ("VA") or its designee.

(c) delegate to one of the directors or to a Person employed for such purpose the authority to act on behalf of the Board on matters relating to the duties of the property manager, if any, which may arise between meetings of the Board.

(d) adopt and publish reasonable rules and regulations, not inconsistent with the Governing Documents, governing the use of the Common Elements and its facilities, including the Recreational Facility and other recreational facilities, if any, and the personal conduct thereon of the Members, their family members, guests, invitees and lessees, and establish penalties for the violation thereof.
