

2817 Claremont Road, Raleigh NC

DISTINCTIVE FEATURES & ELEVATED DESIGN

DISTINCTIVE FEATURES & ELEVATED DESIGN

- Set on a .46-acre homesite inside the Beltline, offering a private, wooded and serene backyard retreat
- Expansive covered front porch with custom cedar columns, creating a warm and inviting arrival
- Three-car garage with individual bay doors for both convenience and architectural appeal
- Spacious covered rear terrace (35.6' x 13.4') designed for seamless indoor-outdoor living
- Walk-in crawl space with poured concrete pad for exceptional storage and accessibility
- Private elevator access complemented by a thoughtfully designed drop zone

REFINED LIVING & ENTERTAINING SPACES

- Dual-sided fireplaces enhancing both the family & dining rooms and the covered outdoor deck
- Sliding glass doors from main living areas opening to a covered deck and fully appointed outdoor kitchen
- Designer kitchen featuring a striking waterfall island, quartz countertops & full-height backsplash
- Statement fluted hood above a 48" professional-grade gas range
- Luxury appliance suite by GE Monogram
- Fully equipped scullery kitchen with built-in oven, microwave, sink, dishwasher, and dual refrigerator drawers
- Integrated wine storage, beverage refrigerator, ice maker, and bar sink for effortless entertaining
- Apron-front sinks featured throughout kitchen, scullery, and beverage center

PRIVATE RETREATS & THOUGHTFUL DETAILS

- First-floor owner's suite with private access to the covered deck
- Spa-inspired primary bath with zero-entry shower, body sprays, and refined finishes
- Boutique-style walk-in closet with custom center island
- All secondary bedrooms offer en-suite baths and walk-in closets
- Oversized secondary suites with dedicated sitting areas
- Loft and media/bonus room with custom built-ins and cabinetry
- Private study with bespoke built-in shelving

FUNCTIONALITY MEETS LUXURY

- Two full laundry rooms (main level and lower level) plus a convenient laundry chute
- Custom millwork and trim detailing throughout the home
- Casement windows providing abundant natural light and architectural sophistication
- Tankless gas water heater for efficiency and comfort
- Heated and cooled mechanical room for optimal system performance
- Thoughtfully integrated storage, including multiple linen closets and utility cabinetry
