

Gig+ Fiber Internet is already in your home.

No more waiting! Immediate connectivity!

Congratulations on your new home.

Fision^x by Hotwire Communications partnered with Lennar to bring Fiber Internet to your HOA. And the best thing is that it's included in your HOA fees.

Here's how Fision^x by Hotwire future-proofs your home.

- ✓ **You now have 1.2 Gigabit / 1.2 Gigabit Internet**
Fision Internet with an advanced router and no data caps.
- ✓ **Fision Internet is Pre-Installed and Ready To Go**
Wired and connected before move-in for immediate access.
- ✓ **Experience Next Level Customer Support**
Local community care and technical support teams dedicated to assisting you every step of the way.
- ✓ **Take advantage of Complimentary Wi-Fi Assessment**
Ensure optimal Wi-Fi performance after you move-in, and free service visits for one year should you ever need it.
- ✓ **One Stop Shop for All Your Connected Home Needs**
We offer options to enhance your digital home experience, including multi-gigabit speeds, whole home Wi-Fi, digital home phone, streaming TV, and home security and automation packages.

WHO IS HOTWIRE COMMUNICATIONS?

- Preferred Internet Service Provider (ISP) for more than 20 years.
- Brings its 100% Fiber-To-The-Home technology that guarantees lightning-fast symmetrical speeds with no data caps.
- Customers highly recommend us because we provide an unparalleled service experience.
- Regularly recognized by industry experts for superior innovation, technology, and service.

Upon moving in, follow these easy steps to instantly connect to your Wi-Fi

- 1 **Scan** the Fision[×] QR code on the sign placed in your home to connect to your Wi-Fi.
- 2 **Create** a personalized Wi-Fi network name and a secure Wi-Fi password.
- 3 **Finalize** your Wi-Fi network setup through a confirmation email sent to the provided email address.
- 4 **Check** your email to install your Wi-Fi App to manage your network and connected devices.

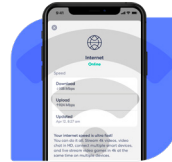

One stop shop for all your connected home needs*

Need more speed or want to enhance your home entertainment experience?
