HEDINGHAM RULES & REGULATIONS
APPROVED BY THE BOARD OF DIRECTORS
APRIL 20, 2011
EFFECTIVE JULY 15, 2011
OVERVIEW

In order to preserve and protect the desirability and attractiveness of Hedingham home sites, the rules and regulations provided in this document, as submitted by the Modifications Committee, have been approved by the Hedingham Community Association Board of Directors. All homeowners and renters are expected to read and understand the Hedingham Community Covenants and Rules and Regulations. New homeowners and renters are also required to read a copy of the abbreviated covenants and guidelines at the time they are issued a key fob at the Hedingham Athletic Club and sign that they have received the document.

Non-compliance with Covenants and Rules & regulations may result in fines and/or suspension of KEY FOB privileges.

Covenants: Article XI, Section 2

The Modifications Committee, if established, shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing Units or thereto;

Covenants: Article XI, Section 5

Any contractor, subcontractor, agent, agent, employee or other invitee of an Owner who fails to comply with the terms and provisional of the guidelines and procedures promulgated by the Modifications Committee may be excluded by the Board from the properties without liability to any person, subject to the notice and hearing procedures contained in Article III, Section 22 of the Bylaws.

No construction, no exterior alteration or modification, and no removal or new planting of trees, or shrubs shall take place and no structure shall be erected except in strict compliance with the Covenants and Community Rules and Regulations until the approval of the appropriate committee has been obtained.

ANIMALS AND PETS

1. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any portion of the properties except dogs, cats or other usual common household pets.
2. No residence is to exceed a total of two pets.
3. Pets are not permitted to roam free, endanger the health, make objectionable noise or constitute a nuisance or inconvenience to the owners of the other units.
4. No pets shall be kept, bred, or maintained for any commercial purpose.
5. Pet feces must be picked up by the owner immediately. City Ordinance stipulates up to a \$250.00 fine for not picking up after your pet

Covenants: see Article XII, Section 4

BASKETBALL GOAL GUIDELINES

1. The Modifications Committee or the Board of Directors must approve in writing the style, color and location of all basketball goals prior to installation
2. Residents seeking to install basketball goal may initiate the approval process by completing a change request form.
3. Notwithstanding the fact that all basketball goal styles, colors and locations must be pre-approved:
 - a. A plot survey of the property showing where the basketball goal will be located must be submitted with the request to approve the basketball goal;
 - b. The area proposed for this basketball goal must be large enough to assure that no other property will be unduly impacted by the use of the basketball goal and, in order to help satisfy this requirement, adjoining property owners on both sides, and the homeowner directly across from the driveway must consent in writing to the installation of the basketball goal;
 - c. The owner of the basketball goal is responsible for any physical damage to any other property caused by the basketball goal, and physical damage to other property can lead to the removal of the basketball goal at the owner's expense;
 - d. No basketball goal can be installed adjacent to the street, and basketball games cannot take place in the street;
 - e. If not in use and not in its approved location, portable basketball goals must be stored in an area not visible from any adjacent street;
 - f. Every basketball goal must be professionally constructed, painted, and maintained by the owner, and if damaged, bent or rusted, the owner must repair the basketball goal immediately;
 - g. The property owner is responsible for insuring that the people using the basketball goal behave in such a manner that all neighbors are not disturbed by the use of the basketball goal, including but not limited to disturbances caused by loud noises from screaming and music;
 - h. Use of goals is prohibited before 8:00am and after dusk;
 - i. The property owner must acknowledge the fact the guidelines may be amended and agrees to maintain the basketball goal in accordance with any amendment to these guidelines as adopted by the Board of Directors; and
 - j. The property owner must acknowledge that permission to install a basketball goal is merely a "temporary" privilege granted to the owner which can be revoked at any time, with or without cause, by the Board of Directors.
 - k. **NO Basketball Goals are allowed on Townhome properties.**

No construction, no exterior alteration or modification, and no removal or new planting of trees, or shrubs shall take place and no structure shall be erected except in strict compliance with the Covenants and Community Rules and Regulations until the approval of the appropriate committee has been obtained.

Basketball Goal Neighbor Approval Form

By signing this document, each neighbor agrees to and indicates that they have no objection to the homeowner erecting or utilizing a basketball goal at the applicant's residence. **No goals are allowed in Townhome areas**

3. Special occasion flags such as birthday or the birth of a baby may be displayed for a period not to exceed two weeks.
4. Any flag deemed by the Modifications Committee or the Board of Directors to be in poor taste or in disrepair is not permitted and must be removed immediately upon notification.

FENCES

1. All Requests for fence construction must be submitted to the Modifications Committee on an Architectural Request form, along with a plot plan showing location and dimensions, materials to be used, and who is installing the fence. The request form is available on your online portal or at the Athletic Center office.
2. Once approved. The homeowner is responsible for obtaining all permits required by the City of Raleigh before construction can begin.
3. The fence must be erected directly on the property line or as near as reasonably possible, subject to landscaping requirements unless otherwise approved by the Board or Modifications Committee.
4. The homeowner shall enter into an agreement with the Hedingham Community Association to allow adjacent property owners to tie into the fence in the event they construct fences in the future.
5. Fences must be built only with materials approved by the Modifications Committee which include, but are not limited to, unpainted, unstained treated lumber, vinyl, or composite material.
6. The fence must comply with the following approved standards unless otherwise approved by the Modifications Committee:
 - a. Height 42" or 48"
 - b. Posts 4" by 4"
 - c. Space between posts should not exceed 8' (feet)
 - d. Slats: 1" by 4" or 1" by 6"
 - e. Space between slats: 1 ½ "
 - f. Horizontal supports: 2" by 4"
 - g. Top of wood slats must be even across top and consistent with topography.
7. When the City of Raleigh or the modifications Committee requires landscaping, the shrubs must be a minimum of 3-4 feet tall at the time of planting, be on 5-foot centers, and match what is currently being used in the area.
8. Properties that are adjacent to the golf course will also need approval from golf course management. The Property Manager will submit the application to that entity on the homeowner's behalf.

HOMEOWNER'S ASSESSMENTS, BILLING AND COLLECTION PROCEDURES

1. Monthly dues assessments are due on the first day of each month. Account statements are not mailed unless you have an outstanding balance. If the payment is not received before the 10th of each month, a late fee will be assessed. The late fee is \$15.00 and must be paid to bring the account up to date. If homeowner assessments become delinquent, the Hedingham Community Association reserves the right to suspend the homeowner's amenity privileges including use of the Athletic Club, pools, tennis courts and the pool clubhouse.
2. Check payment for assessments should have your account number written in the memo section of the check and should be payable to Hedingham Community Association. No cash payments are allowed. Online payment is also permitted, with convenience fees charged.
3. If a homeowner becomes delinquent, the account will be turned over to a collection attorney. If the requirements of the collection procedures are not met a lien will be placed on the property and the owner could face possible foreclosure.

LONG-TERM PARKING

The Hedingham Board of Directors voted at the March 2009 Board Meeting to restrict long-term parking in the Willow Oak Pool, Grand Traverse Pool, and Hedingham Athletic Club parking lots. Residents wishing to do so must follow the guidelines listed below:

- Resident must register their vehicle in person, during operational hours, at the Front Desk of the Athletic Club.
- In an effort to protect the asphalt from damage, commercial vehicles with a curb weight of 6,000 pounds or more are not permitted to park in the common area lots. For example, the maximum curb weight of the heaviest 2012 Ford F 150 Truck is 5,978 pounds. - approved by the BOD on 6/20/12.
- The maximum length of time a vehicle/trailer will be allowed to park is 3 consecutive days in the same month, and a maximum of 6 days total unless otherwise approved.
- The Hedingham Community Association reserves the right to review each request and extend or shorten the number of days they will be allowed to park on those lots.
- Any vehicle/trailer parked in a lot overnight that has not registered with the Athletic Club or is inoperable (for example: flat tire, broken window(s), expired license plates, etc.) is subject to towing from the property. The HOA will issue one warning in the form of a sticker on the driver's side window.
- Hedingham Community Association accepts no responsibility for vehicles illegally parked that are towed. The vehicle owner is responsible for all fines and recovery costs incurred.

MAILBOXES AND MAILBOX POSTS

1. With the exception of the homes in “The Village” (between New Hope Rd. and Southall), all mailboxes must be of standard size and the color black unless otherwise approved by the Modifications Committee. Mailbox posts must be “Hedingham Dark Green” unless otherwise approved by the Modifications Committee. Hedingham Dark Green paint can be purchased at :

**Sherwin Williams
Stores
Colorant Mix:
W1 White,
B1 Black,
G2 New Green,
Y3 Deep Gold**

2. Hedingham does not have a vendor that sells posts that match the existing styles in the community. Residents are required to do their best to match the majority of other posts that are located in that street. Retailers like Lowe’s and Home Depot often have a selection of different posts to choose from.
3. Owners must make sure their mailbox and post are clean, free of attached advertisements and in good condition. Mailboxes that have rust must be repainted or replaced. Mailbox posts that are faded must be repainted.
4. Mailboxes or the posts must contain the house number of the residence. The numbers must be identical, kept clean and in good condition.

PARKING

1. Vehicles shall be parked only in a garage or in the driveway.
However, APPROVED vehicles are allowed to be parked on the street on the western side of Southall Rd. ("Village" section).
2. Excluding recreational vehicles, trailers, campers, camper trailers, boats and other watercraft, and boat trailers, vehicles parked at a unit at any time shall be limited to the number of vehicles that will only fit in the driveway/garage.
3. Tractors, mobile homes, recreational vehicles, trailers (with or without wheels), campers, camper trailers, boats and other watercraft and boat trailers shall be parked only in enclosed garages, the back yard, the side yard or any other area, if any, designated by the Board of Directors. The DOES NOT apply to Townhomes or homes backing up to the Golf Course which will need special approval from the Community Association prior to parking in those areas.
4. Parking in unit driveways of Non-Commercial vehicles shall be limited to Classes 1-3 Non-Commercial Vehicles. Examples:

5. Stored vehicles and vehicles which are either obviously inoperable or do not have current operating licenses shall NOT be permitted on the Properties except within enclosed garages. A vehicle shall be considered "stored" if it is put up on blocks or covered with a tarp and remains on blocks or so covered for fourteen (14) consecutive days without prior approval of the Board.
6. Service and delivery vehicles may be parked in the street during daylight hours for such a period of time as is reasonably necessary to provide service or make a delivery to a Unit.
7. Per City of Raleigh ordinances, parking is NOT permitted:
 - a. Any closer than 5 feet from the end of a driveway
 - b. On, or protruding over, any part of a sidewalk
 - c. Any closer than 25 feet from an intersection
 - d. Any closer than 15 feet from a fire hydrant
8. Procedure for dealing with parking violations:
 - a. Warning issues on the first day vehicle is observed
 - b. Ticket and/or due process letter is generated on the next occurrence
 - c. Violations Committee will decide penalties/fines for any future violations

Covenants: see Article XII. Section

No construction, no exterior alteration or modification, and no removal or new planting of trees, or shrubs shall take place and no structure shall be erected except in strict compliance with the Covenants and Community Rules and Regulations until the approval of the appropriate committee has been obtained.

PRIVATE DECKS

1. The Modifications Committee or the Board of Directors must approve in writing all deck designs, colors, and location prior to installation.
2. Residents seeking to install a deck may initiate the approval process by completing a change request form. These forms must contain or be accompanied by the following information:
 - The dimensions, elevation and sketch of the deck as well as a plot survey of the property showing where the deck and landscaping around the deck will be located.
 - An anticipated completion date. If approved, the Deck must be completed by that anticipated date
3. The resident is responsible for complying with all applicable laws relating to construction of the deck and must obtain all appropriate City of Raleigh permits prior to construction of the deck.
4. Decks may be constructed from pressure treated lumber or vinyl composite materials only, and the bottom of the deck must be enclosed with lattice unless otherwise approved.
5. The deck must conform to the overall design and aesthetic appeal within the Hedingham community.

No construction, no exterior alteration or modification, and no removal or new planting of trees, or shrubs shall take place and no structure shall be erected except in strict compliance with the Covenants and Community Rules and Regulations until the approval of the appropriate committee has been obtained.

PRIVATE SWING SET/PLAYGROUND

1. The Modifications Committee must approve all swing set designs and location prior to installation.
2. All swing sets throughout Hedingham must be made of natural or treated wood or an acceptable alternate material.
3. Accessory items, such as seats and or slides may be made of plastic and of a different color.
4. An application for a swing set or playground must include:
 - A map of the lot showing where the structure will be located
 - A picture/drawing of the structure, type of material(s) (wood, plastic, etc.)
 - Color(s) of the materials
 - Dimensions of the structure
5. Construction may not occur until applicant has received written approval from the Modifications Committee.
6. Single family homes facing the golf course: Requires approval from two sources. Permission must be obtained in writing from the Hedingham Community Association first, then this document is submitted along with a request to the Hedingham Golf Course for approval.
7. Swing sets/playgrounds may not be constructed on townhome properties

No construction, no exterior alteration or modification, and no removal or new planting of trees, or shrubs shall take place and no structure shall be erected except in strict compliance with the Covenants and Community Rules and Regulations until the approval of the appropriate committee has been obtained.

SATELLITE DISHES

1. Size. Satellite dishes that are one meter (39 inches) or less in diameter may be installed upon the premises of your individual lot as outlined below. Satellite dishes with a diameter in excess of one meter are prohibited
2. Location and Screening. Dish locations are acceptable in this order – a. they should be located on the rear exterior wall or rear roof of the residence if possible, in a location not visible from the street; b. if reception is not adequate, dishes may be located in the rear lot, but screened from view from the street; c. if adequate reception is still not available, dishes may be located in a side yard, again screened from view from the street. Dish installation is not permitted on any common area. The Board of Directors and Modifications Committee have the right to require additional screening be installed around dishes that are not screened properly.
3. Written Confirmation. If it is determined by the vendor that an adequate signal cannot be obtained on the rear wall or rear roof of the home, the owner must obtain a written statement from the installing company to provide to the Association attesting to that fact. The statement along with a landscaping plan for screening should be provided to the Association for approval.
4. Maintenance. Owners are solely responsible for maintaining their satellite dishes and all related equipment. The owner will be responsible for removing and re-installing dishes if and when roof repairs are needed.
5. Townhomes. Owners will be required to temporarily remove their dishes if reasonably necessary for the Association to paint or make repairs to the exterior of the Unit. Please be advised that any damage to the exterior of a Unit, caused by the installation of a satellite dish, will be the primary responsibility of the Owner to repair.
6. Number of Dishes. No more than one “Dish” related hardware may be installed on a residence at a time. Any old hardware must be removed from view before a new dish can be installed.

Covenants: see Article XII, Section 7

SCREENED PORCHES

The following regulations concerning construction of screened porches within Hedingham have been approved by the Hedingham Community Association:

1. All requests for the construction of screened porches will be submitted in writing to the Modifications Committee. Forms may be found in the online resident portal or at the Athletic Club.
2. All requests will contain the following:
 - A plot plan and elevation sketch(s) indicating the location and dimensions of the proposed porch. Plan will indicate the location of all landscaping.
 - The type of construction material to be used. Use of lattice under the deck is required unless otherwise approved.
3. The homeowner will obtain all necessary building permits from the City of Raleigh and comply with all applicable City regulations. The building permit must be obtained before construction can begin.
4. The screened porch, if painted, must match the trim or lightest color of the house. Roof material shall be same as the house; that is, matching shingles, trim material, and siding.
5. The porch will conform with the overall design and aesthetic appeal within Hedingham.
6. Construction may not occur until written approval has been received by the applicant.
7. Hedingham Community Association, through the Management Company, reserves the right to inspect the deck to ensure that the screened porch has been constructed according to the approved plan. Deviation from the approved plan may result in the screened porch being dismantled and modified according to the regulations.

No construction, no exterior alteration or modification, and no removal or new planting of trees, or shrubs shall take place and no structure shall be erected except in strict compliance with the Covenants and Community Rules and Regulations until the approval of the appropriate committee has been obtained.
