

Stonegate HOA / Town of Wake Forest

Public Road Information

Street Parking on public roads within Stonegate HOA is regulated by the Town of Wake Forest. Therefore, homeowners are allowed to park on the street in the single-family homes' neighborhood.

Please note, townhome streets are privately maintained and regulated by the HOA. Street parking is not allowed, and additional parking information is available on the townhome nabr page.

Certain Town Engineers at times have mentioned that street parking naturally slows down the speeds of vehicles on the roads and more roads are now being designed to allow street parking.

However, if any vehicle is violating a town code it may be something the town would be able to regulate. Below is a direct link to the Town Code and a list of potential violations that may apply, as a courtesy.

Here is the link for the Wake Forest Code:
