Nearly 5,000 square feet, five bedrooms and room to live in more ways than one. 8107 Henderson Drive offers an uncommon combination of space, flexibility and rear privacy in a sought-after Apex location. Architectural details and a stone fireplace add warmth, while the kitchen features a gas cooktop, double ovens, granite countertops, a walk-in pantry and generous eat-in space. A first-floor bedroom with a full bath provides flexibility for guests, multigenerational living or a private office.

Upstairs are four additional bedrooms, a bonus room, flex space and laundry. The spacious primary suite includes three walk-in closets and a generous ensuite. The finished walk-out basement further expands how the home can be used—whether for media, fitness, hobbies or guests.

Outside, a screened porch overlooks the private rear setting. Sidewalks, a low HOA and convenient access to Apex-area shopping, dining and parks complete the appeal. More than extra square footage, 8107 Henderson offers the flexibility to fit the way you live.
