**ARTICLE II
PROPERTY SUBJECT TO THIS DECLARATION
AND WITHIN THE JURISDICTION OF THE
RENAISSANCE AT WHITE OAK TOWNHOMES HOMEOWNERS ASSOCIATION,
INC.**

Section 1. Existing Property. The real property which, at the time of recording of this Declaration, is and shall be held, transferred, sold, conveyed, and occupied subject to this Declaration, and which is within the jurisdiction of the Association, is described on **Exhibit A** attached hereto.

Section 2. Additions to Existing Property by Declarant. At any time during the Declarant Control Period, additional land may be annexed by the Declarant, without the consent of the Members and, therefore, become subject to this Declaration by the recording by Declarant of a supplementary declaration extending the operation and effect of this Declaration to the property to be annexed; provided, however, that such property must be contiguous to property already subjected to the Master Declaration (or separated from such property only by the right-of-way of a street or road) and further provided that such annexation must be approved, if required, by the Federal Housing Administration and/or Secretary of Veterans Affairs. The addition of such property pursuant to this Section may increase the cumulative number of Lots within the Properties and, therefore, may alter the relative maximum voting strength of the various types of Members. Following the termination of the Declarant Control Period, the Members of the Association may annex additional property with approval of the Master Association by amending this Declaration following the same process as any other amendment.

Section 3. Conveyance of Sub-Association Common Area in Annexed Property. On or before the date which is 120 days after the conveyance of the last Lot within any newly annexed property to an Owner other than Declarant, the owner of the annexed property shall convey to the Sub-Association all Sub-Association Common Area located within the newly annexed property.

Title to such Sub-Association Common Area shall be conveyed in the same manner as set forth in Section 3 of Article IV of this Declaration.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Declarant and every Owner of a Lot which is subject to assessment by the Association shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation.

Section 2. Voting Rights. The voting rights of the membership shall be appurtenant to the ownership of the Lots. There shall be TWO (2) classes of membership with respect to voting rights:

- a) Class A Members. Class A Members shall be the Owners of all Lots except those owned by the Class B Members (as hereinafter defined). When more than one person owns an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to their Lot shall be exercised as they, among themselves, determine; but fractional voting shall not be allowed, and in no event shall more than one vote be cast with respect to any Lot. Class A Members shall be entitled to one (1) vote for each Lot. Lots owned by Class A Members shall be "Class A Lots".
- b) Class B Member. The Class B Member shall be the Declarant and any successor. Subject to the provisions of this subsection, Declarant shall be entitled to cast the greater of (i) ten (10) votes for each Lot that it owns (each such Lot being a "Class B Lot") or (ii) one more vote than the total votes of the Class A Member. Assessment of Class B Lots is governed by the provisions of Article V of this Declaration. Upon expiration of the Declarant Control Period, Declarant shall have one vote for each Lot that it owns; however, such Declarant-owned Lots shall continue to be treated as Class B Lots for assessment purposes.

Section 3. Declarant's Right to Appoint Directors and Officers of the Association. Notwithstanding any other provision of this Declaration or the Bylaws, until the expiration of the Declarant Control Period, Declarant may, in its discretion, appoint and remove all of the directors and officers of the Association. Declarant's intent to exercise or continue to exercise that right may be set forth in the notice of each annual meeting of the Members. *See* §47F-3-103(d) of the Act.

Section 4. Vacant/Leased Dwellings. If the Owner of a Lot ceases to occupy the Dwelling constructed thereon as the Owner's personal living quarters or if any Dwelling within the Properties is leased for rental purposes to tenants, the vote as expressed by the Owners of such vacant and rental units shall not be entitled to any weight greater than forty-nine percent (49%) on

any matter pending before the Association. This Section applies only to Lots and Dwellings owned by a Class A Member and specifically excludes Lots and Dwellings owned by the Declarant.

Section 5. Legal Actions Against Declarant and Owners. The affirmative vote or consent of the Owners that is equal to or greater than sixty-seven percent (67%) of the total number of votes in the Association first shall be required prior to the Association doing any or all of the following with respect the Declarant, any successor Declarant, any Owner or any Member regardless of whether such Person is the Declarant or is an Owner or Member at the time the Association takes the action or obtains the necessary vote or consent required to take such action: (i) file a complaint, on account of any act or omission with any Governmental Entity which has regulatory or judicial authority over the Properties or any part thereof; or (ii) assert a claim against, sue or request legal or equitable relief against Declarant, Owner or Member in any court, before any Governmental Entity board, or otherwise, provided however, nothing contained in this section shall be construed to require said number of votes for any lien enforcement actions arising out of Article V.

ARTICLE IV
PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment and Access. Except as limited by Section 2 of this Article IV and by rules and regulations adopted by the Members and/or the Board of Directors, every Owner shall have a right and easement of enjoyment in, use of and access to, from, and over the Sub-Association Common Area, which right and easement shall be appurtenant to and shall pass with title to every Lot, subject to:

- a) The right of the Association to charge reasonable admission and other fees for the use of any facilities situated or constructed on the Sub-Association Common Area and to limit the use of such facilities to Owners who occupy a residence on the Properties and to their families, tenants and guests, as provided in Section 2 of this Article IV.
- b) The right of the Association, after notice and an opportunity to be heard, to suspend the voting rights of an Owner and the right of an Owner to use the Sub-Association Common Area and facilities thereon for any period during which any assessment against his Lot remains unpaid for a period of thirty (30) days or longer, or for a period not to exceed sixty (60) days for any infraction of the published rules and regulations of the Association, provided, however that the Association may not suspend an Owner's right to use of any Sub-Association Common Area providing access or utilities to his Lot.
- c) The right of the Association to dedicate or transfer all or any part of the Sub-Association Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed upon by the Members. No such dedication or transfer shall be effective without approval of the Master Association and unless Members

entitled to at least eighty percent (80%) of the votes of the entire membership of the Association agree to such dedication, sale or transfer, *provided that* this subsection shall not preclude the Board of Directors of the Association from granting easements for the installation and maintenance of sewage, utility and drainage facilities upon, over, under and across the Sub-Association Common Area without the assent of the Members when such easements, in the opinion of the Board, are necessary for the convenient use and enjoyment of the Properties. Notwithstanding anything herein to the contrary, the Sub-Association Common Area shall be preserved to the perpetual benefit of the Owners or of the public in general and shall not be conveyed except to the Town or other governmental entity or to a nonprofit entity organized for purposes similar to those of the Association.

- d) The right of the Association, with the assent of Members entitled to at least eighty percent (80%) of the votes of the entire membership of the Association to mortgage, pledge, deed in trust, or otherwise encumber any or all of its real or personal property as security for money borrowed or debts incurred, provided that the rights of any such lender or mortgagee shall be subordinate to the property rights of the Owners as set forth herein.
- e) The right of the Association to exchange all or part of the Sub-Association Common Area for other property and consideration of like value and utility, provided that such exchange is approved by the Master Association and by a vote of the Members at a meeting of Members, one of the purposes of which is to vote on the exchange, and, if required, by the Town and provided that such other property be subjected to the Master Declaration.

Section 2. Delegation of Use.

- a) Family. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be exercised by members of the Owner's family who occupy the residence of the Owner within the Properties as their principal residence.
- b) Tenants. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be delegated by such Owner to his tenants or contract purchasers who occupy such Owner's Unit, or a portion thereof, as their principal residence.
- c) Guests. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be delegated to guests of such Owners, tenants or contract purchasers, subject to such rules and regulations as may be established by the Board of Directors.

Section 3. Conveyance of Title To The Association. Declarant covenants, for itself, its successors and assigns, that, on or before the date which is 120 days after the conveyance of the last Lot to an Owner, Declarant will convey to the Association title to those portions of the Sub-Association Common Area located in that phase which are to be owned by the Association. Declarant hereby reserves and grants (regardless of whether or not such reservation and grant is specifically set forth in such deed), for itself, any Builder and each of their respective successors and assigns, an easement over, under, across and through the Sub-Association Common Area so long as any of them own any Lot within the Properties, for the purpose of constructing any improvements on the Sub-Association Common Area and/or the Lots as it or they deem necessary or advisable; provided that, following construction of improvements, the Sub-Association Common Area shall be restored to its prior condition to the extent practicable. Except as otherwise stated herein, all conveyances by Declarant to the Association shall be free and clear of all encumbrances and liens (including statutory liens of laborers and materialmen pursuant to Article 2 of Chapter 44A of the North Carolina General Statutes) except this Declaration, the Master Declaration, restrictive covenants applicable to the Properties, utility, drainage, conservation, greenway and other easements of record or shown on the recorded plats of the Properties, and the lien of *ad valorem* taxes not yet due and payable. Any improvements placed on the Sub-Association Common Area by Declarant shall become the property of the Association upon completion of such improvements, except utilities owned and maintained by the Master Association, the Town or other governmental entity, or a public or private utility company. The Association shall accept transfer of ownership of any and all Sub-Association Common Property.

Section 4. Regulation and Maintenance of Sub-Association Common Area and Sub-Association Common Area Easements. It is the intent of Declarant that the Sub-Association Common Area (whether owned in fee or by easement) be preserved to the perpetual benefit of the Owners within the Subdivision. To that end, the Declarant, by recording any plat or map of any phase or section of the Subdivision, grants to the Association an easement over and across that portion of any Lot within such phase or section on which a Sub-Association Common Area Easement lies for the purpose of enabling the Association to take action permitted by subsections (b) and (c) of this Section 4.

- a) Rights and Responsibilities of the Lot Owners. Each Owner of a Lot upon which a Sub-Association Common Area Easement lies shall pay all property taxes and other assessments levied against his Lot, including that portion of such tax or assessment as is attributable to such Sub-Association Common Area Easement. Notwithstanding any other provision of this Declaration, no Owner or other person shall, without the prior written consent of the Association: (1) remove any trees or vegetation from Sub-Association Common Area; (2) erect gates, fences, buildings or other structures on any Sub-Association Common Area; (3) place any garbage receptacles on or in any Sub-Association Common Area; (4) fill or excavate any Sub-Association Common Area or any part thereof; or (5) plant vegetation on or otherwise restrict or interfere with the use, maintenance, and preservation of any Sub-Association Common Area, (6) impact or materially affect stormwater

drainage/discharge on to or away from the Common Area or Sub-Association Common Area.

It is the intent of the Declarant that a Sub-Association Common Area Easement shall be maintained in the same state as when the Lot upon which such easement lies was conveyed to an Owner (other than the Declarant), except for changes authorized or approved in writing by the Declarant or the Association. If an Owner of a Lot on which a Sub-Association Common Area Easement lies fails to maintain the easement area as provided herein, whether by act or omission, the Association shall have the right to enter upon such Owner's Lot for the purpose of maintaining same and shall have the right to charge such Owner with the costs of such maintenance, which costs, if not paid within thirty (30) days after demand for payment is made by the Association, shall be collected in the same manner and shall incur the same late charges, interest and costs of collection as set forth in Section 7 of Article V of this Declaration. *Provided however*, that the Association shall have the obligation to maintain, repair, replace and inspect any cluster unit mail boxes or kiosks in good, safe, clean and sanitary condition and to keep the immediately surrounding area free of debris or other hazards regardless of the location of said cluster unit mail box or kiosk.

- b) Rights and Responsibilities of the Association. The Association shall have the right and obligation to ensure that the Sub-Association Common Area (including Sub-Association Common Area Easements) is preserved to the perpetual benefit of the Owners and, to that end, shall:
 - (i) maintain the Sub-Association Common Area in its natural or improved state, as appropriate, and keep it free of impediments to its free use by the Owners, subject, however, to easements of record and any limitations on such use provided in this Declaration or rules and regulations adopted by the Association as provided herein or in the Bylaws; (ii) procure and maintain adequate liability insurance covering the Association and its Members against any loss or damage suffered by any person, including the Owner of the Lot upon which a Sub-Association Common Area Easement lies, resulting from use of the Sub-Association Common Area; and (iii) pay all property taxes and other assessments levied against all Sub-Association Common Area owned in fee by the Association.
- c) Association's Right of Entry for Maintenance of Sub-Association Common Area Easements. The Association and its employees, agents, contractors and subcontractors shall have a nonexclusive right and easement at all times to enter upon any portion of a Lot reserved or designated as a Sub-Association Common Area Easement, and any other portion of the Lot to the extent necessary to gain access and maintain improvements and facilities within the Sub-Association

Common Area Easement, and no such entry shall be deemed a trespass. To the extent practicable, the Association shall give reasonable oral notice to the Owner or occupant of such Lot.

Section 5. Declarant's right to change development plans shall be as stated in the Master Declaration.

ARTICLE V
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner, by execution of this Declaration or by acceptance of a deed or other instrument conveying title to a Lot, whether or not it shall be so expressed therein, is deemed to consent and agree to pay to the Association (or to any Person who may be designated by the Association to collect such monies) all assessments and other charges required by this Declaration, including the following: (1) annual assessments; (2) working capital assessments; (3) special assessments; (4) fines for violations of the provisions of this Declaration or other Governing Documents or assessments levied against Owners for misuse and damage to the Sub-Association Common Areas by the Owners or their family members, tenants, agents, contractors and guests; (5) individual assessments for any expense under the Code or this Declaration which the Association becomes obligated to pay and pays on behalf of an Owner; (6) late payment charges, interest on unpaid assessments, costs of collection, including without limitation, court costs, service charges, and attorney's fees as provided in the Act, and charges for dishonored checks; all as established by the Board from time to time; and (7) all other assessments and charges imposed or allowed to be imposed by this Declaration. Any and all assessments imposed by this Declaration shall be in addition to any and all assessments imposed by the Master Declaration.

Section 2. Purposes of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Subdivision and, in particular, for: (i) acquisition, improvement, and maintenance of properties, services and facilities related to the use and enjoyment of the Sub-Association Common Area; (ii) maintenance, repair and reconstruction of the Sub-Association Common Area and improvements thereon, including, without limitation, storm water drainage facilities, and, including, without limitation, the cost of repair, replacement and additions thereto and the cost of labor, equipment, materials, management and supervision thereof; (iii) payment of taxes and public assessments levied against Sub-Association Common Area owned by the Association in fee; (iv) procurement of insurance; (v) employment of attorneys, accountants and other persons or firms for Association business; (vi) payment of principal and interest on funds borrowed for Association purposes; (vii) payment of any and all Common Expenses and (viii) such other needs as may arise.

Section 3. Amount of Assessments. The Board of Directors shall adopt, as soon as practicable, a budget for the Association for the period that lasts from the creation of the Association until December 31, 2024, and from such budget the Board of Directors will establish the annual assessment for the period of time that lasts from the creation of the Association until December 31, 2024.

Beginning on January 1, 2025, and thereafter, the annual assessments shall be based on a budget approved under the provisions set forth in Section 4 below.

The annual assessment for all Class B Lots and Development Parcels owned by the Class B Member shall be *zero*; provided, however, that any Lot occupied as a residence shall be assessed at the Class A rate.

The provisions of this subsection shall not apply to, nor shall they be a limitation upon, any change in the annual assessment or the maximum annual assessment incident to a merger or consolidation as provided in §47F-2-121 of the Act.

Section 4. Date of Commencement of Annual Assessments; Amount of Assessments; Ratification of Budgets. Unless a different commencement date is set by the Board of Directors, the annual assessments provided for herein shall commence as to a Lot on the first day of the month after the Lot is subjected to this Declaration. Subject to the provisions of this Section, the Board of Directors may fix the annual assessment for Class A Lots at any amount not in excess of the Maximum Annual Assessment in effect for the appropriate assessment year. The annual assessment for Class B Lots shall be zero, provided, however, that any Lot which contains a dwelling occupied by any person as a residence shall be assessed at the Class A rate. Unless a lower amount is set by the Board of Directors, the initial annual assessment shall be the "Maximum Annual Assessment" set forth in Section 3 of this Article and shall be prorated according to the number of days remaining in the calendar year. Annual assessments shall be fixed at a uniform rate for all Lots in each Class and may be collected on a yearly, semiannually, quarterly, or monthly basis, as determined by the Board of Directors. Any monies paid at any time by the Declarant for common expenses or otherwise for or on behalf of the Association shall be credited against past or future assessments due from the Declarant, if any.

The Board of Directors shall adopt a proposed budget for the Association at least annually. Within thirty (30) days after the adoption of the proposed budget, the Board of Directors shall send a copy of the proposed budget to the Members and shall give written notice to the Members of a meeting of the Members to consider ratification of the budget, such meeting to be held not sooner than ten (10) days nor more than sixty (60) days after the mailing of such notice. Such meeting may, but need not be, combined with the annual meeting of the Members. There shall be no requirement that a quorum be present to vote on ratification of the budget (although a quorum must be present to vote on other matters). The budget shall be deemed ratified unless at that meeting Members having a majority of the votes of the entire membership vote to reject the budget; provided, however, if the budget provides for an annual assessment per Lot not in excess of the Maximum Annual Assessment in effect for that Fiscal Year of the Association, such budget shall be deemed ratified unless Members having at least eighty percent (80%) of the votes of the entire membership vote to reject the budget. If any proposed budget is rejected by the Members, the budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board.

The Association shall, upon demand and for such reasonable charge as the Board may determine, furnish a certificate signed by an officer of the Association, or the management company employed by the Association, setting forth whether the assessments (annual, special, and

limited special assessments) for a specific Lot have been paid. If such certificate states that an assessment has been paid, such certificate shall be conclusive evidence of payment.

Section 5. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, special assessments for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Sub-Association Common Area, including fixtures and personal property related thereto, for repayment of indebtedness and interest thereon, or for any other non-recurring expenses, *provided that* any such assessment shall have been approved by the Declarant (during the Declarant Control Period) and by not less than two-thirds (2/3) of the votes of the Class A Members present and voting (in person or by proxy) at a meeting of the Members, one of the purposes of which is to vote on the special assessment, and further provided that the special assessment for a Class B Lot shall always be zero. Special assessments shall be fixed at a uniform rate for all Lots within each Class and may be collected on a yearly, semiannually, quarterly, or monthly basis, as determined by the Board of Directors.

Written notice of any meeting called for the purpose of voting on a special assessment shall be sent to all Members not less than fifteen (15) days nor more than thirty (30) days prior to the meeting. At such meeting, the presence of Members or of proxies entitled to cast sixty percent (60%) of the votes of each Class of Lots shall constitute a quorum. If the required quorum is not present at any meeting, another meeting may be called subject to the same notice requirement, and if the meeting is called for a date not later than sixty (60) days after the date of the first meeting, the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

Section 6. Limited Special Assessments. The Board of Directors, without vote of the Members, may levy a limited special assessment against any Lot, applicable only to that Lot, for expenses incurred by the Association with regard to such Lot including, without limitation, expenses incurred under Article VI hereof. Any fine imposed against an Owner pursuant to Section 3 of Article VII of the Bylaws shall also constitute a limited special assessment against such Owner's Lot. Special assessments and limited special assessments shall constitute a lien to the same extent as other annual assessments against the Lot.

Section 7. Effect of Nonpayment of Assessments; Remedies. No Owner shall be exempt from liability for any assessment provided for herein for reason of non-use of the Sub-Association Common Area or such Owner's Lot, or abandonment or leasing of such Owner's Lot, or unavailability of the use or enjoyment of the Sub-Association Common Area.

All assessments and other charges shall be established and collected as provided in this Declaration. All assessments and other charges remaining unpaid for thirty days (30) days or longer, together with late charges, interest, and the costs of collection thereof, including attorney's fees, shall be charge on the Owner's Lot as provided in §47F-3-116 of the Act and, upon filing of a claim of lien in the office of the clerk of superior court of the county in which the Lot is located in the manner provided in §47F-3-116(g), shall be a continuing lien upon the Lot against which such assessment is made until paid in full. The lien may be foreclosed by the Association in any manner permitted under the Act or by law. When the holder of a first mortgage or first deed of

trust of record or other purchaser of a Lot obtains title to the Lot as a result of a foreclosure of a first mortgage or first deed of trust, such purchaser and its heirs, successors, and assigns shall not be liable for the assessments and other charges against such Lot which became due prior to the acquisition of title to such Lot by such purchaser. All assessments and other charges due hereunder, together with late charges, interest, the costs of collection thereof, including attorney's fees, shall also be the personal obligation or corporate obligation of each Person who was Owner of the Lot at the time when the assessment or other charge first became due and payable and may be collected by appropriate action at law. If more than one Person held an ownership interest in the Lot at the time the assessment or other charge first became due, then each Person shall be both jointly and severally liable. An Owner's personal obligation for payment of such assessments and other charges shall not become the personal obligation of a subsequent Owner unless expressly assumed by the subsequent Owner, although the lien shall continue against the Lot until the amounts due are paid.

Section 8. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust on a Lot. Sale or transfer of any Lot shall not affect any assessment lien; however, the sale or transfer of a Lot pursuant to foreclosure of a first mortgage or deed of trust, or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of any assessments which became due prior to the date of conveyance pursuant to such foreclosure. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust.

Section 9. Exempt Property. All Sub-Association Common Area owned in fee by the Association, all property dedicated to and accepted by a public authority, and all property owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. Notwithstanding the foregoing, no Lot devoted to residential use shall be exempt from said assessments.

Section 10. Working Capital Fund. At the time of closing of the initial sale of each Dwelling constructed on a Lot, a working capital contribution in an amount as determined by the Board from time to time shall be collected from the purchaser at the closing of such sale for the benefit of the Association (or if not collected at the closing, shall be paid immediately on demand by the Association). The purpose of the working capital fund is to ensure that the Association will have adequate cash available to meet its initial operating expenses or to acquire additional equipment or services deemed by the Board to be necessary or desirable or to repay the Assessment Loan. Amounts paid to the Association pursuant to this Section shall not be considered as an advance payment of any regular assessment. The working capital contribution may be established, increased or decreased in the sole and exclusive discretion of the Board.

Section 11. Assessment Loan. It is anticipated that until Declarant has sold a certain number of Lots (which number has not yet been determined, and which number is referred to herein as the "Break-even Number"), the Annual Assessments collected by the Association will not be sufficient to pay all common expenses on a current basis, but that the anticipated Annual Assessments collected after the Break-even Number of Lots has been sold will exceed common expenses. To fund this shortfall, Declarant reserves the right, but is not obligated, to make a loan

(the "Assessment Loan") to the Association, as provided below, until cash flow from the Annual Assessments is sufficient to pay common expenses. If Declarant elects to make the Assessment Loan, then Declarant shall advance to the Association the amount by which the common expenses exceed the Annual Assessments collected for such year. The Association shall have the affirmative obligation to repay the Assessment Loan to the Declarant in accordance with the terms hereof, with no interest thereon except as otherwise provided in this section. The Association shall use proceeds advanced to the Association only to pay the above described shortfall in common expenses. The Association shall repay the Assessment Loan to Declarant in monthly installments or as otherwise determined by Declarant commencing at such time as sales of Lots reach the Break-even Number, until the balance of the Assessment Loan has been repaid to Declarant in accordance with its terms; provided, however, an Assessment Loan shall in no event be repaid to Declarant later than December 31, 2030, unless earlier accelerated due to a default by the Association. After maturity, whether by acceleration or otherwise, if the Assessment Loan remains unpaid, the outstanding balance shall bear interest at the rate of eight percent (8%) per annum compounded monthly. Each Owner of a Lot, by acceptance of a deed or other conveyance therefore, whether or not it shall be so expressed in any such deed or other conveyance, is hereby deemed to covenant and agree (and such covenant further shall be deemed to constitute a portion of the purchase money and consideration for acquisition of the Lot), that such an Assessment Loan is reasonable and was made by Declarant and accepted by the Association in good faith and at arm's length.

ARTICLE VI
MAINTENANCE OF LOTS AND UNITS

Section 1. Association's Responsibility. The Association shall repair and maintain the Sub-Association Common Area and any improvements, utilities and facilities located on the Sub-Association Common Area. The Association shall also be responsible for maintenance and repair of all retaining walls constructed by the Declarant or the Association within the Properties, that lie within or on more than one Lot or a Lot and Common Area. Retaining walls lying entirely within one Lot shall be maintained by the Owner. In the event that the need for maintenance, repair and/or replacement is caused through the willful or negligent act of an Owner or such Owner's tenants, subtenants, family members, or guest or invitees of any of them, the cost of such maintenance, repair and/or replacement shall be the responsibility of the Owner.

The Association shall be responsible for maintaining the grass, plants, shrubs, trees, and landscaping located on each Lot (hereinafter the "Yard Improvements") and installed by the Declarant or the Association, provided, however, that: (i) the Association shall not be responsible for maintaining any fence installed on any Lot or any Yard Improvements inside of such fenced or enclosed privacy area; (ii) the Association's obligation to maintain shall not include the obligation to replace any plant, shrub or tree for any reason nor shall it include irrigation or watering; and (iii) the Association shall not be responsible for repair or replacement of any Yard Improvements when such repair or replacement is necessitated by work done by or at the request of any Owner or any utility company or governmental entity.

The Association shall provide scheduled maintenance and repairs to portions of the exterior of each Dwelling, including repair, replacement and scheduled care of roofs, siding, gutters, downspouts, painting and cleaning of exterior walls, doors and shutters, but specifically excluding

glass surfaces, windows, decks and screen doors (including casings and sills). In the event that the need for maintenance, repair and/or replacement is caused through the willful or negligent act of an Owner or such Owner's tenants, subtenants, family members, or guest or invitees of any of them, or is caused by fire, lightning, windstorm, hail, explosion, riot, riot attending a strike, civil commotion, aircrafts, vehicles, and smoke, as the foregoing are defined and explained in the North Carolina Standard Fire and Extended Coverage Insurance Policies, the cost of such maintenance, repair and/or replacement shall be the responsibility of the Owner.

The Association shall provide termite service and termite bonds for each Dwelling.

The Association shall maintain and install any "street trees" required by the Town.

The Board of Directors of the Association or the Members, by the affirmative vote of a majority of the Members of each Class, shall have the right (but not the obligation) to accept certain items, areas or improvements on a Lot for maintenance by the Association. Such acceptance shall be in writing and may be subject to such terms and conditions, including, but not limited to, a special assessment or increased annual assessment for that Lot (which, being consensual, need not be approved as provided in Article V hereof), as the Association might establish in such written acceptance. The Declarant is responsible for construction of streets and roads within the Property. The Association shall undertake the management, operation, maintenance, repair, servicing, replacement and renewal of all private streets and private utilities constituting Sub-Association Common Areas and all improvements thereon. Declarant shall also be responsible for and maintain all public streets and roads within the Property until such roads are accepted for maintenance by the applicable Governmental Authority or until such streets and roads are accepted for maintenance by the Association. Following any irrevocable acceptance of the streets and roads for maintenance as public rights of way by applicable governmental entities, the Association shall maintain such streets and roads to the extent such activities are not performed by the applicable governmental entities.

The determination of the need, quality, extent and cost of such maintenance and repairs shall be made by the Board of the Association, which determination shall be reasonable and made upon consistent and non-arbitrary principles adopted by the Board.

Section 1. Owner's Responsibility; Remedy for Owner's Failure to Maintain. Any maintenance on a Lot that is not the responsibility of the Association, whether by the terms of this Declaration or by written acceptance of same, shall be the responsibility of the Owner of such Lot. Each Owner's maintenance of their Lot and adjoining right of way shall include but not be limited to:

- a) Keeping the area free and clear of all litter, trash and waste;
- b) Watering lawns;
- c) Keeping exterior lighting and mechanical facilities in working order;
- d) Keeping lawn and planted areas alive;
- e) Removing and replacing any dead plant material;
- f) Keeping parking areas and driveways in good repair;
- g) Complying with all governmental health and police requirements;

- h) Repair and maintenance of all utility lines, fixtures and/or their connections required to provide water, light, power, telephone, sewage and sanitary service to the Owner's Lot which are not publicly maintained.

Section 2.

If an Owner does not perform any required maintenance of his Lot or Dwelling, the Association shall have the right (but not the obligation), through its agents and employees, by the affirmative vote of not less than two-thirds (2/3) of the Board of Directors, to enter upon such Lot and to repair, maintain and restore the Lot or exterior of the Dwelling erected thereon, and the cost of such maintenance, plus a surcharge of 20% for administration, shall be assessed in accordance with Section 3 of this Article. Prior to such entry, the Association shall give written notice to the Owner stating: (i) the specific items needing maintenance; (ii) the corrective action to be taken; (iii) a time, not less than 15 calendar days from the date of the notice, in which the Owner is to perform the necessary maintenance; and (iv) a statement that, if the Owner fails to perform the maintenance within such time period, the Association will exercise its right to perform the maintenance and that the Owner will be assessed with the costs thereof as provided in this Article VI.

Section 3. Assessment of Cost. In the event that the Association performs maintenance on any Lot as provided in Section 2 of this Article VI, the cost of any such maintenance, replacement or repairs (including the administration fee) shall be a limited special assessment against the Lot upon which such maintenance is done and shall be added to and become part of the assessments to which such Lot is subject under Article V hereof, enforceable under the terms thereof.

Section 4. Access at Reasonable Hours. As provided in Section 5 of Article VIII of this Declaration, the Association, through its duly authorized agents or employees, shall have the right, without notice to the Owner, to enter upon any Lot at reasonable hours on any day to perform any maintenance and repairs to be performed by the Association.

**ARTICLE VII
RIGHTS OF LENDERS**

Section 1. Books and Records. Any holder of a first deed of trust on any Lot, or its agent(s), shall have the right, during normal business hours, to examine copies of this Declaration, the Articles of Incorporation, the Bylaws, and the books and records of the Association and, upon written request to the Association, to receive a copy of the financial statement for the immediately preceding fiscal year, except that the Association shall not be required to provide the financial statement for the preceding fiscal year if said fiscal year expired less than 75 days prior to the date of the request . (See §47-3-118 of the Act).

Section 2. Notice to Lenders. Upon written request to the Association, the holder of a first deed of trust on any Lot shall be entitled to timely written notice of:

- a) Any 60-day delinquency in the payment of assessments or charges owed by the Owner of the Lot securing its loan.
- b) A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association.
- c) Any proposed action that requires the consent of a specified percentage of owners or holders of first mortgages on the Lots.
- d) Any condemnation or casualty loss that affects either a material portion of the project or the Lot securing its mortgage.

Section 3. Approval of Holders of First Deeds of Trust. Unless at least seventy-five percent (75%) of the holders of the first deeds of trust on Lots located within the Properties have given their prior written approval, the Association shall not:

- a) By act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Association, unless said conveyance of real property is *de minimis* and for the sole purpose of correcting an error in title of a Lot. Neither the granting of easements for utilities or other purposes as provided in Section 1(c) of Article IV hereof, nor the exchange of real property as provided in Section 1(d) of said Article IV hereof shall be deemed a transfer within the meaning of this subsection (a). Notwithstanding anything herein to the contrary, the property owned by the Association, whether in fee, by easement, or otherwise, shall be preserved to the perpetual benefit of the Owners or of the public in general and shall not be conveyed except to the Town or another governmental entity or to a nonprofit entity organized for purposes similar to those of the Association, or to the Master Association.
- b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot.
- c) Fail to maintain hazard insurance on insurable improvements on the Sub-Association Common Area on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value.
- d) Use the proceeds of any hazard insurance policy covering losses to any part of the Sub-Association Common Area for other than the repair, replacement, or reconstruction of the damaged improvements or, as provided in §47F-3-113 of the Act, for distribution to the Owners, provided, however, that, except as provided in §47F-2-118 of the Act, any distribution to Owners shall be in the form of a credit toward current or future assessments due from the Owners to the Association.

Provided, however, that in the event that any such holder of a first deed of trust fails to provide the approval required by this Section 3 within sixty (60) days after the Association has sent a written request for such approval, approval will not be required, and this Section will be deemed to have been fully complied with.

Section 4. Payment of Taxes and Insurance Premiums. The holders of deeds of trust on Lots, jointly or singly, may pay taxes or other charges which are in default and which have or may become a charge or lien against any of the Sub-Association Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage upon the lapse of a policy covering property owned by the Association. The persons, firms or corporations making such payments shall be owed immediate reimbursement therefor by the Association.

Section 5. Collection of Assessments. No mortgagee shall have any obligation to collect any assessment under the Declaration.

ARTICLE VIII EASEMENTS

In addition to all other easements granted or reserved elsewhere in this Declaration, Declarant hereby grants and/or reserves the following easements.

Section 1. Access and Utility Easements. Easements for the installation and maintenance of driveway, walkway, water line, sewer lines, natural gas lines, telephone, cable television, electric power transmission lines, storm water drainage facilities, and other public or quasi-public utility installations are reserved as shown on the recorded plats of the Properties. The Association may reserve and grant easements over the Sub-Association Common Area as provided in Article IV, Section 1(c), of this Declaration. Within any such easement herein provided, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation or maintenance of the utilities installed thereon, or which may change the direction of flow or drainage of water through drainage pipes or channels constructed in such easements. For a period of ten (10) years from the date hereof, Declarant grants to and reserves for itself, the Association, and their successors and assigns, an easement and right of ingress, egress and regress on, over and under the Properties to maintain and correct drainage or surface water runoff in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or take any other similar action that it deems reasonably necessary or appropriate.

After such action has been completed, the person or entity taking such action shall grade and seed the affected property and restore the affected property to its original condition to the extent practicable, but shall not be required to replace any trees, bushes or shrubbery necessarily removed. The person or entity taking such action shall give reasonable notice of its intent to take such action to all affected Owners.

Section 2. Easement for Support. Every Lot and Unit which contributes to the lateral and/or vertical support of any adjoining Unit(s) shall be burdened with an easement of support for the benefit of such adjoining Unit(s).

Section 3. Easement For Encroachments. In the event that any structure, installation, appliance or fence erected on a Lot by the Declarant encroaches upon any other Lot or the Sub-Association Common Area, and such encroachment was not caused by the purposeful act or omission of the Owner of such Lot, then an easement appurtenant to such Lot shall exist for the continuance of such encroachment upon the Sub-Association Common Area or other Lot for so long as such encroachment shall naturally exist. In the event that any structure erected principally on the Sub-Association Common Area by the Declarant or Sub-Association or Master Association encroaches upon any Lot, then an easement shall exist for the continuance of such encroachment of such structure onto such Lot for so long as such encroachment shall naturally exist. The foregoing shall not be construed so as to allow any extension or enlargement of any existing encroachment or to permit the rebuilding of the encroaching structure, if destroyed, in a manner so as to continue such encroachment, except such encroachment as was in existence as of the date of conveyance of the Lot to an Owner other than the Declarant.

Section 4. Easement Over Sub-Association Common Area. A perpetual, nonexclusive easement over, under and through the Sub-Association Common Area is hereby granted to each Lot and its Owners, family members and tenants of such Owners, the occupants of such Lot, and guests and invitees of such Owners, tenants or occupants, for the purpose of providing reasonable access, ingress and egress to, from and over and the use of the Sub-Association Common Area and for utilities serving such Lot. Any conveyance or encumbrance of such Sub-Association Common Area is subject to the easements granted herein.

Section 5. Association's Easement Upon Lots. The Association shall have a right, license and easement to go upon any Lot for the purpose of fulfilling its obligations under this Declaration and any other laws, ordinances, rules and regulations, public or private, which the Association is obligated or permitted to enforce. Such easement shall include, without limitation, the right to go on any Lot to correct, repair or alleviate any condition which, in the opinion of the Board of Directors of the Association or of the manager employed by the Association, creates or may create an imminent danger to the Sub-Association Common Area or improvements thereon.

Section 6. Fence Easement. Each Owner shall have a perpetual access easement over the adjoining Lot and Common Area and Sub-Association Common Area to the extent reasonably necessary to tie a fence on the Owner's Lot with a neighboring fence. Installation of fences and corresponding easements however, require prior approvals by the Declarant or Architectural Review Committee and the adjoining Lot Owner or Association, as applicable, pursuant to the terms of Article IX of this Declaration. Additionally, this Fence Easement shall be null and void to the extent that the installation of the fence by Owner does not comply with the previously obtained approvals as noted hereinabove. This Fence Easement is subordinate to other easements authorized by this Declaration or by the Declarant, including but not limited to utility, stormwater easements, thus fences may be removed as necessary by the holders of said easements for maintenance and repairs.

ARTICLE IX ARCHITECTURAL CONTROL

Architectural review and approval of any improvement to be constructed or installed on any Lot or the Sub-Association Common Area and any change or modification of any such improvement shall be made in accordance with the Master Declaration. Notwithstanding the foregoing, written approval must be obtained from the Association prior to any construction, erection or placement of any thing, permanently or temporarily, on the outside portions of the Unit in accordance with the provisions of this Declaration or the Design Guidelines. This shall include, without limitation, signs, permanent basketball hoops, swing sets and similar sports and play equipment, hedges, walls, dog runs or animal pen of any kind, garbage cans, woodpiles, docks, piers and similar structures.

ARTICLE X USE RESTRICTIONS

Section 1. Use of Lots and Sub-Association Common Area. It is the intent of the Declarant that all Lots shall be used for residential purposes only. Except as permitted by the Code, no trade, business, profession or other type of commercial activity shall be carried on upon any Lot, except that (i) the Declarant, real estate brokers, Owners and their agents may show Lots for sale or lease and (ii) any Owner may lease a Lot to residential tenants for profit (such lease to provide that the terms of the lease shall be subject in all respects to this Declaration). Notwithstanding the foregoing, the Declarant and any Builder shall have the right to: (i) use Lots and improvements erected thereon for sales offices, field construction offices, storage facilities, and its own general business offices; (ii) maintain spot-lighted model homes which may be open to the public for inspection seven days per week for such hours as the Declarant deems appropriate or necessary; (iii) conduct any other activities on Lots to benefit sales and construction efforts; and (iv) use the parking facilities on the Sub-Association Common Area for parking for its employees and invitees.

Section 2. Use of Accessory Structures. No building, other than a Dwelling, and its attached garage shall be erected on a Lot without approvals as provided in Article IX of the Master Declaration. Any outbuildings incidental to residential use require approval provided in Article IX of the Master Association, and any such structure shall substantially correspond to the design of the dwelling. No structure of a temporary nature may be used temporarily or permanently as a residence. Notwithstanding the foregoing, the Declarant and any Builder, upon approval of the Master Association, may use temporary buildings, offices or facilities in connection with the marketing, sale and construction of Units.

Section 3. Nuisances. No noxious or offensive trade or activity shall be carried on upon any Lot or the Sub-Association Common Area, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. No vehicle repairs or maintenance shall be conducted within the Properties other than in a garage and concealed from public view. Outside clothes hanging devices are not permitted.

Section 4. Animals. No animals, livestock or poultry of any kind shall be kept on any Lot, except that a reasonable number of cats, dogs, and other household pets may be kept provided they are not kept, bred, or maintained for any commercial purpose and that they do not become a nuisance to the neighborhood. The Board of Directors has the right to determine whether or not a particular animal is a nuisance and to require removal. No person owning or having custody of a permitted animal shall allow the animal to stray or go upon another Owner's Lot without the consent of such other Owner. No animals shall be permitted on or in the Sub-Association Common Area at any time except as permitted by the rules and regulations of the Association or by applicable law. All animals shall be on a leash when outside the Owner's Dwelling. The owner of a permitted animal shall be responsible for removing and cleaning up any excrement deposited by such animal on any Lot or the Sub-Association Common Area.

Section 5. Parking. No Owner or a member of his family, lessee or sub-lessee or guest of an Owner shall: (i) park or keep on any Lot or street within or adjoining the Subdivision any abandoned, partly dismantled or inoperative vehicle or vehicle not having current registration and inspection stickers displayed; or (ii) park on any Lot such that it remains visible to anyone from any street, or Common area, or any street within or adjoining the Subdivision any boat or boat trailer, utility or other trailer, recreational vehicle, motor home, camper, bus, truck in excess of one ton weight, commercial vehicle, truck or van, or anything else other than a vehicle normally intended for use as a private passenger vehicle. For purposes of the preceding sentence, the term "keep" shall mean the occasional presence for a period of not more than three (3) consecutive days.

The Board of Directors shall have the right and authority to make, implement and enforce such additional parking rules and regulations as it might determine from time to time necessary or appropriate, and shall have the right and authority to enforce same, including, but not limited to, the right to levy fines for violations thereof. Furthermore, the Association shall have the right and authority to have towed any vehicle parked or maintained in violation of these or subsequently-adopted parking rules and regulations, and the cost of towing and storage shall be the responsibility of the Owner of the Lot to which such vehicle is registered or the Owner of the vehicle, as appropriate.

Notwithstanding the foregoing, no vehicle of any type or size which transports inflammatory or explosive cargo or which stores or transports materials or substances defined as hazardous or toxic by any applicable legal requirements shall be kept or stored or allowed to remain in or on the Properties at any time, except as may be required to effectuate transportation or removal of such prohibited materials and substances through or from the Properties, or, with respect to explosive materials, as may be reasonably required in connection with the construction or installation of streets and utilities in the Properties, or as may be allowed by Declarant, during the Declarant Control Period, and thereafter, the Board, when reasonably required for the construction of other improvements within the Properties.

The foregoing restrictions shall not apply to sales trailers, construction trailers, or other vehicles which may be used by Declarant or a Builder and their agents and contractors in the conduct of their business prior to the completion of sales.

Section 6. Antennae and Roof Structures. No television, radio or other electrical towers, aerials, antennae, satellite dishes, or other devices of any type for the reception or transmission of radio or television broadcasts or other means of communication shall be erected, constructed, placed or permitted to remain on any Lot or upon any improvements thereon, except that this prohibition shall not apply to those antennae specifically covered by 37 C.F.R. Part 1, Subpart S, Section 1.4000 (or any successor provision) promulgated under the Telecommunications Act of 1996, as amended from time to time. The Association shall be empowered to adopt rules governing the types of antennae that are permissible hereunder and establishing reasonable, non-discriminatory restrictions relating to safety, location and maintenance of antennae.

To the extent that the reception of an acceptable signal would not be impaired, an antenna permissible pursuant to rules adopted by the Association may be installed only if it: (i) is located in the rear or side yard of the Lot; (ii) is not visible from any street (whether by location or screening); and (iii) is integrated with the Dwelling and surrounding landscape; and (iv) is approved pursuant to the Master Declaration.

Section 7. Garbage; Unsightly Storage. All trash and rubbish shall be kept in trash and/or garbage roll carts which shall be stored in such a manner as to be not visible from any street,, except as otherwise provided herein. No trash, rubbish, stored materials, wrecked or inoperable vehicles, or any other unsightly items shall be allowed to remain on any Lot; provided, however, that the foregoing shall not be construed to prohibit temporary deposits of trash, rubbish, and other debris for collection by governmental or other similar garbage and trash removal units. In the event of curbside trash and/or garbage pickup, trash and/or garbage roll carts may be moved to the street on the night before the scheduled pickup, but all garbage roll carts must be returned before the night of the scheduled pickup.

Section 8. Fences. Any fence or wall installed within the Subdivision must meet all requirements of any applicable zoning ordinance and must be approved as provided in the Declaration. Chain-link fences will not be permitted. Nothing in this paragraph shall be deemed to apply to or regulate retaining walls made necessary by the slope or grade of any Lot nor to any fence installed by the Declarant at any entrance to or along any street within the Subdivision.

Section 9. Fines. The Board of Directors, in accordance with the Bylaws, shall have the right and authority to levy fines or penalties for the violation of any provision of this Declaration and/or the rules and regulations hereafter promulgated by the Board pursuant thereto. Any monetary fine or penalty shall be deemed a limited special assessment against the Lot of the Owner against whom such fine or penalty is assessed.

Section 10. Master Declaration. The Subdivision is part of the Renaissance at White Oak Planned Unit Development, and the Lots within the Subdivision, and the Owners of such Lots, are subject to the Master Declaration. In the event of an inconsistency between any provision of this Declaration and the Master Declaration, the more restrictive provision shall control.

Section 11. Rental of Units. Rental restrictions are contained in the Master Declaration and the Master Association shall be the sole right to adopt rental restrictions within Renaissance at White Oak.

Section 11. Mailboxes. Pursuant to the requirements of the U.S. Postal Service ("USPS"), Declarant will construct within the Subdivision one or more centralized or cluster mail box structures or kiosks, and the USPS will deliver mail only to such centralized mail boxes. No mailbox shall be placed or maintained on any Lot, unless Owner is expressly required to do so by the USPS or the Town.

Section 12. Signs. All signs shall be erected and maintained pursuant to the Master Declaration.

Section 13. Swimming Pools. No above-ground swimming pools are permitted within the Properties, except that small, inflatable wading pools shall be permitted in the back yard of a Dwelling.

Section 14. Miscellaneous. No window placed air conditioning unit or evaporative cooler shall be allowed. No sports equipment, including but not limited to, basketball goals shall be placed in any street within the Subdivision.

ARTICLE XI GENERAL PROVISIONS

Section 1. Enforcement. The Association and each Owner (including the Declarant) shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, rules, regulations, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the Act, the Bylaws or rules and regulations adopted by the Association. Failure by the Association or an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement actions, or any case in which the Board reasonably determines that the cost of enforcement outweighs the benefit to be gained by enforcement. Any such determination shall not be construed as a waiver of the right to enforce such provisions under other circumstances or to estop the Association from enforcing any other covenant, restriction or rule.

Section 2. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated or altered by a vote of the Owners as set forth below. During the Declarant Control Period, the Declarant may amend this Declaration, without the consent or joinder of the Members or the Association, for any purpose. This Declaration may also be amended during the

first twenty-five year period by an instrument signed by the Owners of not less than eighty percent (80%) of the Lots, and thereafter by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots. Further provided, that any amendment or modification to this Declaration must be consented to by Declarant for long as Declarant is the Owner of any Lot or other portion of the Property, which consent Declarant may grant or withhold in its sole discretion. No amendment shall be effective unless it has been recorded in the office of the Register of Deeds of Wake County.

Section 3. Subdivision of Lots. No Lot within the Subdivision may be subdivided by sale or otherwise so as to reduce the total Lot area shown on a recorded plat of the Subdivision, except with the consent of the Declarant during the Declarant Control Period, and thereafter by the Association and the Master Association, and, if required, by the County and/or the Town. Subdivision or recombination of any Lot(s) may, as appropriate, increase or decrease the number of votes in the Association, and must be approved by the Master Association.

Section 4. Rules and Regulations. The Board of Directors shall have the authority to adopt additional rules and regulations governing the use of the Sub-Association Common Area and the Lots and shall furnish a written copy of said rules and regulations to the Owner(s) of each Lot at least fifteen (15) days before such rules and regulations become effective.

In addition to any other rights and remedies that the Association may have under this Declaration, the Association may impose sanctions for violations of this Declaration, the Bylaws of the Association, the rules and regulations adopted by the Association, or the restrictive covenants and other use restrictions applicable to the Properties, in accordance with procedures set forth in the Bylaws, which sanctions may include, but are not limited to, reasonable monetary fines, which fines shall be deemed a limited special assessment and a lien upon the Lot of the violator, and suspension of the right to vote and the right to use any recreational facilities within the Sub-Association Common Area; provided, however, that the Association may not suspend such Owner's right of access to or any utilities servicing his Lot.

In addition, pursuant to procedures provided in the Bylaws, the Association may exercise self-help to cure violations (specifically including, but not limited to, the towing of Owner and tenant vehicles that are in violation of parking rules) and may suspend the right of an Owner to use any Sub-Association Common Area if the Owner is more than thirty (30) days delinquent in paying any assessment or other charge due to the Association, provided, however, that the Association may not suspend such Owner's right of access to or any utilities servicing his Lot.
