I love the view out of my front window & the way my home is opened up since a wall was taken down between th newly modeled kitchen and dining area.. I like to sit on the back porch and looking for fireflies and birds. We really enjoyed finding hardwood floors under all the carpeting. The laundry chute is really handy so dirty clothes get down the easy way to the laundry room. Wr planted our yard with a,areas, camellias, hydrangeas & other flowering shrubs & bulbs s I we could enjoy the view from.our windows * porch. The back porch also leads to the g a rage so getting groceries into the kitchen is easier & out of weather like rain. We lived in this home for 46 years & took good care of it. We hope the next owners will really enjoy it & the wonderful neighborhood. Too!
