Such conveyance shall be free and clear of all encumbrances and liens, except utility and drainage easements of record or shown on the recorded plats of Laurelbrook Subdivision.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association annual assessments or charges and special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. Any such assessment or charge, together with interest and costs of collection, including reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which such assessment is made. Each such

assessment or charge, together with interest, costs and attorney's fees, shall also be the personal or corporate obligation of the person(s), firm(s), corporation(s), or entities owning such Lot at the time the assessment fell due. The personal obligation of an Owner for delinquent assessments shall not pass to his successors in title unless expressly assumed by them; however, such unpaid assessments or charges shall continue to be a lien on the property against which the assessment was made.

Section 2. Purposes of Assessments. The assessments levied by the Homeowners Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and, in particular, for the maintenance, repair, and reconstruction of the exterior of attached townhouse units, for the payment of governmental water and sewage disposal charges attributable to the Homeowners Common Area, and for the acquisition, improvement and maintenance of properties, services and facilities devoted and related to the use and enjoyment of the Homeowners Common Area, including but not limited to, the cost of repair, replacement and additions thereto, the cost of labor, equipment, materials, management and supervision thereof, the payment of taxes and public assessments levied against the Homeowners Common Area, the procurement of insurance in accordance with the By-Laws, the employment of attorneys to represent the Homeowners Association when necessary, and such other needs as may arise. In addition, expenditures by the Homeowners Association for the landscaping, planting and maintenance of areas within Lots, but lying outside of residence buildings and enclosed patio areas, shall be deemed expenditures for the recreation, health, safety and welfare of the residents of the Properties and are hereby authorized. This provision for yard maintenance shall apply only to attached dwelling units and the Association shall not maintain the yard adjacent to detached units unless it is part of Common Area.

Section 3. Maximum Monthly Assessment-Attached Units. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$397.20 per Class A Lot (\$33.10 per month) and \$180.00 per Class B Lot (\$11.03 per month). 19

Maximum Monthly Assessment-Detached Units. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be forty-five percent (45%) of the above levied against Class A and Class B Attached Units, payable on a monthly basis.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the Board of Directors may increase the maximum annual assessment, effective January 1 of each year, without a vote of the membership, provided that any such increase shall not exceed ten percent (10%) of the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum

annual assessments may be increased without limitation if such increase is approved by Members entitled to no less than two-thirds (2/3) of the votes for each Class of members, in person or by proxy, at a meeting duly called for that purpose.

(c) The Board of Directors may fix the annual assessments at amounts not in excess of the maximum, provided, however, that the ratio of the assessment established for each Class B Lot shall always be one-third (1/3) of the assessment for a Class A Lot. In the event that Class B Lots are converted to Class A Lots, or Class A Lots are reconverted to Class B Lots, the assessment with respect to each such Lot shall be prorated and charged according to its class as of the date of each conversion and reconversion.

(d) Any Class B dwelling unit occupied during any assessment year shall be treated as a Class A Lot for assessment purposes. Such Lot shall remain a Class B Lot for all other purposes.

(e) Any annual assessment established by the Board of Directors shall continue thereafter as the annual assessment until changed by the Board or by the Members.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Homeowners Association may levy, in any assessment year, a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Homeowners Common Area, including fixtures and personal property related thereto, or, as necessary, for defraying the cost of repair or reconstruction of the exterior of an attached townhouse unit, provided that any such assessment shall have the same assent of the Members as provided in Section 3(b) of this Article and shall be in the ratios provided in Section 3(c) of this Article except that only attached townhouse members shall vote regarding the reconstruction or repair of the exterior of an attached townhouse unit.

Section 5. Assessment Rate. The annual and special assessments must be fixed at a uniform rate for all Lots within each class of dwelling unit (attached and detached) and may be collected on a monthly basis. Assessments for exterior repair of attached townhomes and repair to attached townhomes parking areas shall be levied only against "attached" unit owners.

Section 6. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all Members not less than 30 days nor more than 60 days prior to the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent of the votes appurtenant to the Class A and Class B Lots shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and, if called for a date not less than 60 days after the date of the first meeting, the required

quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates; Certificate of Payment. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of all or any part of the Homeowners Common Area to the Homeowners Association. The first annual assessment shall be the "maximum annual assessment" set forth in Section 3 of this Article and shall be pro-rated according to the number of months remaining in the calendar year. At least thirty (30) days before January 1 of each year, the Board of Directors shall fix the amount of the annual assessment against each Lot. At least fifteen (15) days before January 1 of each year, the Board of Directors shall send written notice of such assessment to every Owner subject thereto. The due dates for the payment of annual and special assessments shall be established by the Board of Directors. The Homeowners Association shall, upon demand, and for such reasonable charge as the Board of Directors may determine, furnish a certificate signed by an officer of the Homeowners Association setting forth whether the assessments on a specified Lot have been paid. If such certificate states that an assessment has been paid, such certificate shall be conclusive evidence of payment.

Section 8. Effect of Nonpayment of Assessments; Remedies. Any assessment not paid within ten (10) days after the due date shall incur a late charge in the amount of \$10.00 and, if not paid within thirty (30) days after the due date, shall bear interest from the due date at the rate of six percent (6%) per annum or the maximum rate allowed by law, whichever is less. The Homeowners Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property; interest, late payment charge, costs and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Homeowners Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust on a Lot. Sale or transfer of any Lot shall not affect any assessment lien, but the sale or transfer of any Lot pursuant to the foreclosure of such mortgage or deed of trust shall extinguish the lien of such assessments as to any installment thereof which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust.

Section 10. Exempt Property. All property dedicated to and accepted by a local public authority, and all property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments

created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE VI

ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made, including, but not limited to, the erection of antennas, satellite dishes or disks, aerials or awnings, or the placement of reflective or other material in the windows of a dwelling unit or other exterior attachment, until plans and specifications showing the nature, kind, shape, heights, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Homeowners Association, or by an architectural control committee composed of three (3) or more representatives appointed by the Board. If the Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted, approval will not be required, and this Article will be deemed to have been fully complied with. The Homeowners Association shall have the right to charge a reasonable fee, not to exceed \$25.00, for receiving and processing each application. Neither the Board of Directors nor the architectural control committee shall approve any alterations, decorations or modifications which would jeopardize or impair the soundness, safety, or appearance of any Lot or the Homeowners Common Area. Nothing herein shall be construed to permit interference with the development of the Properties by the Declarant in accordance with its general plan of development.

ARTICLE VII

EXTERIOR MAINTENANCE

In addition to maintenance of the Homeowners Common Area, the Association shall provide exterior maintenance on each attached townhome on a Lot subject to assessment hereunder. Such exterior maintenance includes, but is not limited to: painting, repair, replacement and care of exterior building surfaces, roofs, gutters and downspouts, and care of walks, grass, trees, shrubs, and other exterior landscaping provided by Declarant or by the Homeowners Association. The exterior maintenance responsibilities of the Association shall not include glass surfaces or any patio, deck or fence located on any Lot. There is hereby reserved to the Homeowners Association a right and easement of unobstructed access over and upon each Lot at all reasonable times to perform maintenance as provided in this Article. If an Owner installs a fence or otherwise prevents access for maintenance, the Association shall have no obligation to maintain such Lot.

In the event that the need for maintenance, repair, or replacement results from the willful or negligent act of the owner, his family,

guests, tenants, invites, independent contractors, or contract purchasers, the cost of such maintenance, replacement, or repairs incurred by the Homeowners Association shall be added to and become a part of the assessment for that Lot.

ARTICLE VIII

OWNER'S MAINTENANCE RESPONSIBILITIES

Each Owner shall maintain, repair and replace at his expense all improvements on his Lot which shall need repair, including patios, fencing and decks located on the Lot, all bathroom and kitchen fixtures, light fixtures or other electrical or plumbing equipment serving an Owner's unit which are located in a party wall, if any. Further, each Owner shall repair, maintain and replace at his own expense, when necessary, the heating and air conditioning systems servicing his dwelling, whether located on his Lot or in the Common Area adjacent to the Lot.

ARTICLE IX

PARTY WALLS - ATTACHED UNITS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots, together with any reconstruction or extensions thereof, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls, lateral support, and liability for property damage due to negligent or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Extension and Repair of Party Walls. The Owner of any Lot can construct, reconstruct, repair, or extend a party wall in any direction, subject to and within the limitations of architectural control and other limitations of this Declaration or of the City of Raleigh. Each owner shall have a right and easement over and upon the adjoining Lots to the extent reasonably necessary for such construction. Any such construction shall be done expeditiously and, upon completion of the work, such Owner shall restore the adjoining lot to as nearly the same condition as that which prevailed prior to the commencement of the work as is reasonable practicable.

Section 5. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who, by his negligent or willful act, causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 6. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 7. Certification by Adjoining Property Owner That no Contribution is Due. Any Owner desiring to sell his Lot may, in order to assure a prospective purchaser that no adjoining property owner has a right of contribution as provided in this Article, request the adjoining property owners to provide a certificate that no contribution exists, whereupon it shall be the duty of each adjoining property owner to make such certification immediately upon request without charge; provided, however, that where an adjoining property owner claims a right of contribution, his certification shall contain a recital of the amount claimed and the reasons therefor.

Section 8. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, such dispute shall be settled by arbitration as provided by the laws of North Carolina relating to arbitration, as such laws then exist.

ARTICLE X

USE RESTRICTIONS

Section 1. Land Use. All Lots shall be used for residential purposes only and only one family may occupy a Lot as a principal residence at any one time. Declarant may maintain a sales office, models and construction office in one or more units in accordance with the Raleigh City Code.

Section 2. Nuisance. No noxious or offensive activity shall be conducted upon any Lot or in any dwelling nor shall anything be done hereon or therein which may be or may become an annoyance or nuisance to the neighborhood.

Section 3. Animals. No animals, livestock, or poultry of any kind shall be kept or maintained on any Lot or in any dwelling, except that dogs, cats or other household pets may be kept or maintained provided they are not kept or maintained for commercial purposes.

Section 4. Temporary Structures. No structure of a temporary nature shall be erected or allowed to remain on any Lot unless and until permission for the same has been granted by the Board of Directors or its designated agent or representative.

Section 5. Use of Homeowners Common Area. The Homeowners Common area shall not be used in any manner except as shall be approved or specifically permitted by the Board of Directors.

Section 6. Access to Lot. The Homeowners Association and its agents or employees shall have access to any Lot from time to time during reasonable working hours and with prior oral or written notice to the Owner of such Lot for the maintenance of the Homeowners Common Area or of facilities located thereon or of facilities located upon such Lot which serve the Common Area or another Lot. The Association and its agents shall also have access to any Lot at any time without notice as may be necessary to make emergency repairs to prevent damage to the Homeowners Common Area or another Lot.

Section 7. Clothes Drying. No drying or airing of any clothing or bedding shall be permitted outdoors on any Lot or in any other unenclosed area (including patios) within the Properties other than between the hours of 8 A.M. and 5 P.M. on Monday through Friday and 8 A.M. through 1 P.M. on Saturdays and clothes hanging devices such as lines, reels, poles, and frames, shall be stored out of sight other than during the times aforementioned.

Section 8. Signs. Except as required by the Raleigh City Code, no signs or other advertising devices shall be displayed upon any Lot so as to be visible from outside the dwelling without prior written permission of the Board of Directors. Anything herein to the contrary notwithstanding, Declarant may post temporary "For Sale" signs on the Properties until all units owned by Declarant have been sold.

Section 9. Garbage Disposal. All garbage shall be stored within the residence of each Owner or in the storage facilities, if any, provided for said residence at the time same is constructed. No Owner may change or supplement the garbage disposal facilities provided for such Owner's residence as of the date of completion of construction thereof unless the Board of Directors shall first approve in writing the change or addition to the method of storage. Nothing contained herein shall prevent an Owner from complying with the specific requirements of public health authorities or other public agencies regarding garbage disposal.

Section 10. Regulations. Reasonable regulations governing the use of the Homeowners Common Area and external appearance of the Homeowners units may be made and amended from time to time by the Board of Directors of the Homeowners Association. Such regulations and amendments thereto shall not become effective until approved by a majority vote of the Owners. Copies of such regulations and amendments thereto shall be furnished to each Member by the Homeowners Association upon request.

ARTICLE XI

EASEMENTS

Section 1. Access and Utility Easements. Easements for the installation and maintenance of driveway, walkway, water line, gas line, telephone, cable television, electric power line, sanitary sewer and storm drainage facilities and for other public utility installations are reserved as shown on the recorded plat. The Homeowners Association may reserve and grant easements for the

installation and maintenance of sewerage, utility and drainage facilities over the Properties as provided in Article IV, Section 1(b) of this Declaration. Within any such easements herein provided, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation of sewerage disposal facilities and utilities, or which may change the direction of flow or drainage of water through drainage channels in the easements. The Homeowners Association shall also have the continuing right and easement to maintain all sewer and water lines located on the Lots, including the right to go into townhouse units and disturb the structure and floors thereof in order to maintain those lines located within or under said units.

For a period of twenty-five (25) years from the date hereof, Declarant reserves an easement and right on, over and under the Properties to maintain and to correct drainage or surface water runoff in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or take any other similar action reasonably necessary. After such action has been completed, Declarant shall restore the affected property to its original condition to the extent practicable. Declarant shall give reasonable notice of intent to take such action to all affected Owners.

Section 2. Easement of Support. Every Lot and each single-family attached townhouse constructed thereon and contributing to the support of an abutting townhouse shall be burdened within easement of support for the benefit of such abutting townhouse. Further, all attachments to the exterior walls of a townhouse which are a part thereof but which protrude beyond the delineated boundaries of the Lot upon which the dwelling is located, and which were constructed in conformity with the plans and specifications, shall be deemed to be included within said delineated boundaries and there is hereby reserved an easement to permit the construction of and continued existence of any such protruding attachment.

Section 3. Easements for Governmental Access. An easement is hereby established over and across the Homeowners Common Area for the benefit of applicable governmental agencies for setting, removing, and reading water meters, maintaining and replacing water and drainage facilities, fire fighting, garbage collection, and delivery of mail.

Section 4. Owners' Right of Entry for Repair, Maintenance, and Reconstruction. If a dwelling is located closer than five (5) feet from its lot line, the Owner thereof shall have a perpetual access easement over the adjoining Lot to the extent reasonably necessary to repair, maintain, or reconstruct his dwelling. Such repair, maintenance or reconstruction shall be done expeditiously and, upon completion of such work, the Owner shall restore the adjoining Lot to as nearly the same condition as that which prevailed prior to the commencement of the work as is reasonably practicable.

Section 5. Easements for Encroachments. All Lots shall be subject to easements for the encroachment of initial improvements

constructed thereon to the extent that such initial improvements actually encroach, including, without limitation, such items as overhanging eaves, gutters, downspouts, bay windows, steps and walls. If any encroachment shall occur subsequent to the recording of this Declaration as a result of settling or shifting of any building or as a result of any permissible repair, construction, reconstruction, or alteration, there is hereby created and shall be and remain a valid easement for such encroachment and for the maintenance of the same.

ARTICLE XII

INSURANCE

Section 1. Owners' Responsibility to Insure. Declarant suggests that each Owner, at his expense, secure and maintain in full force and effect one or more insurance policies insuring his Lot and the improvements thereon for the full replacement value thereof against loss or damage from all hazards and risks normally covered by a standard "Extended Coverage" insurance policy, including fire and lightning, vandalism and malicious mischief. Declarant also suggests that each owner, at his expense, secure and maintain in full force and effect comprehensive personal liability insurance for damage or injury to person or property of others occurring on his Lot.

Section 2. Insurance Responsibilities of the Association. The Homeowners Association shall procure and maintain adequate liability insurance, in an amount not less than \$1,000,000.00, insuring the Homeowners Association and its members against injuries occurring upon the Common Area. The Association shall also maintain hazard insurance covering property owned by the Association as set forth in Article XIII of this Declaration.

ARTICLE XIII

FINANCING PROVISIONS

Section 1. Approval of Owners and Holders of First Deeds of Trust. Unless at least seventy-five percent (75%) of the Owners and holders of first deeds of trust on Lots located within the properties have given their prior written approval, the Homeowners Association shall not:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Homeowners Association. The granting of easements for utilities or other purposes shall not be deemed a transfer within the meaning of this clause. Notwithstanding anything herein to the contrary, the real property owned by the Homeowners Association shall be preserved to the perpetual benefit of the Owners or of the public in general and shall not be conveyed except to the City of Raleigh or to another non-profit corporation for the purposes set forth herein.

(b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot.

(c) By act or omission change, waive or abandon any plan of regulation, or enforcement thereof, pertaining to the architectural design or the exterior appearance of residences located on Lots, the maintenance of party walls or common fences and driveways, or the upkeep of lawns and plantings in the subdivision.

(d) Fail to maintain fire and extended coverage insurance on insurable improvements in the Homeowners Common Area on current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value.

(e) Use the proceeds of any hazard insurance policy covering losses to any part of the Homeowners Common Area for other than the repair, replacement or reconstruction of the damaged improvements.

Section 2. Books and Records. Any Owner or holder of a first deed of trust on any Lot, or the agent or agents of either, shall have the right to examine the books and records of the Homeowners Association during any reasonable business hours.

Section 3. Payment of Taxes and Insurance Premiums. The Owners or holders of first deeds of trust on Lots may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge or lien against any of the Homeowners Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage upon the lapse of a policy covering property owned by the Homeowners Association. The persons, firms or corporations making such payments shall be owed immediate reimbursement therefor by the Association.

ARTICLE XIV

GENERAL PROVISIONS

Section 1. Enforcement. The Homeowners Association or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Homeowners Association or by any Owner to enforce any covenant or restriction herein-contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision, which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated or altered by a vote of the Owners as set forth below. This Declaration may be amended during the first twenty-five (25) year period by an instrument signed by the

thereafter by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots. No amendment shall be effective unless it has been approved by the Raleigh City Attorney and, if required by Section 4 of this Article, by the Federal Housing Administration or Veterans Administration, and is recorded in the office of the Register of Deeds for Wake County.

Section 4. FHA/VA Approval. In the event the Declarant has arranged for and provided purchasers of Lots with VA or FHA-insured mortgage loans, then as long as any Class B Lot exists, as provided in Article III hereof, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: annexation of additional properties, mortgaging of real property owned by the Homeowners Association, deeding of Common Area to persons other than the Homeowners Association, and amendment of this Declaration.

Section 5. Private Streets; Non-Liability of City. The City of Raleigh shall not be responsible for failing to provide any emergency or regular fire, police, or other public service to the Properties, any Lot, or any Owner or occupant thereof, when such failure is due to the lack of access to the Properties or any Lot thereof due to inadequate design, construction, or maintenance of such access, blocking of access routes, or any other factor within the control of the Declarant, the Homeowners Association, an Owner or an occupant of any Lot.
