

written approval (but in no event later than four (4) years after such approval), such approval shall be deemed rescinded and before construction of improvements can thereafter be commenced on the Lot in question, the plans and specifications therefore must again be approved by the Architectural Control Committee pursuant to this Article.

Section 6.08. Enforcement. The Architectural Control Committee shall have the specific, nonexclusive right (but no obligation) to enforce the provisions contained in this Article and to prevent any violation of the provisions contained in this Article by a proceeding at law or in equity against the person or persons violating or attempting to violate any such provisions contained herein. In the event it becomes necessary to resort to litigation to determine the propriety of any constructed improvement, or to remove any unapproved improvements, the prevailing party shall be entitled to recovery of all court costs, expenses and reasonable attorney fees in connection therewith.

Section 6.09. Conditions. As a condition to the granting of approval of any request made under this Article, the Declarant or the Board or the Architectural Control Committee, as the case may be, may require the Owner requesting such change be liable for any cost of maintaining or repairing the approved project. If such condition is imposed, the Owner shall evidence his consent thereto by a written document in recordable form satisfactory to the Declarant or the Board as the case may be. Thereafter, the Owner, and any subsequent Owner of the Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree that any cost of maintenance and repair of such improvement shall be added to and become a part of the annual assessment or charge applicable to such Lot, and subject to the lien rights provided in this Declaration.

Section 6.10. Grounds for Disapproval. Denial of approval of such plans, locations or specifications may be based upon any grounds, including purely aesthetic and environmental, which the Declarant, Board of Directors or Architectural Control Committee, as the case may be, in its sole discretion, shall deem sufficient.

Section 6.11. Verification of Compliance with Plans. The Declarant, Board of Directors or Architectural Control Committee, as the case may be, or its appointed agents, shall have the right, at its election, but shall not be required, to enter upon any Lot during site preparation or construction, erection or installation of improvements, to inspect the work being undertaken and to determine such work is being performed in conformity with the approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality materials.

Section 6.12. Limitation of Liability. Neither the Architectural Control Committee, the members thereof, nor Declarant shall be liable in damages or otherwise to anyone submitting plans and specifications and other submittals for approval or to any Owner by reason of mistake of judgment, negligence or nonfeasance arising out of services performed pursuant to this Article or the Declaration. The approval of plans and specifications by the Architectural Control Committee shall not be deemed or construed as a representation or warranty of the Architectural Control Committee, Declarant, or any officer, director, member, employee, agent or affiliate of any of them, (i) that Improvements constructed in accordance with such plans and specifications will comply with applicable zoning ordinances, building codes, or other governmental laws,

ordinances, rules, and regulations or (ii) as to the structural soundness, quality, durability, suitability, fitness or proper functioning of Improvements constructed in accordance with such plans and specifications; and any responsibility or liability therefor is disclaimed. Every person who submits plans and specifications for approval agrees, by submission of such plans and specifications, he will not bring any action or suit against the Association, Declarant or Architectural Control Committee to recover any such damages.

Section 6.13. Compensation. No member of the Architectural Control Committee shall be entitled to compensation arising out of services performed pursuant to this Article. The Association shall reimburse members of the Architectural Control Committee for reasonable out-of-pocket expenses incurred by such members in the performance of their duties as members of the Architectural Committee.

Section 6.14. Maintenance by Association. Common Areas and improvements thereon shown on the recorded Maps of the Property shall be maintained by the Association. The streets within the Properties shall be constructed to NCDOT standards and dedicated for public use on each recorded Map. Declarant shall remain responsible for any maintenance or repair necessary for any streets until maintenance is formally accepted by the State of North Carolina or other appropriate government entity. Lot Owners shall not alter drainage patterns and shall not interfere with or alter ditched sections along the streets and no drain pipes or culverts may be installed prior to acceptance of the streets by the State of North Carolina or other appropriate government entity without the prior written approval of Declarant.

Section 6.15. Owner's Maintenance Obligations. Each Owner shall be responsible for all repair and maintenance of his Lot except such maintenance and repair specifically required to be provided by the Association under this Declaration or the Organizational Documents. No such maintenance by an Owner shall reduce any assessment payable by him to the Association. If, in the opinion of the Association, any such Owner fails to maintain his yard in a neat and orderly manner, the Association may perform maintenance not performed by an Owner as required in this Declaration. Any additional maintenance costs incurred by the Association as a result of an Owner's failure to maintain or repair as provided in this Declaration shall be added to and become a part of the assessment to which such Owner's Lot is subject.

Section 6.16. Negligence, Etc. In the event that the need for maintenance or repair of any Lot or Common Area is caused through the willful or negligent acts or omissions of an Owner, or such Owner's family, tenants, contract purchasers, guests, invitees, contractors, employees or authorized representatives, such Owner shall be responsible for the cost of such maintenance and repair, which shall be added to and become a part of the assessment applicable to the Lot owned by such Owner. The Association shall have the right, but not the obligation, to enter onto an Owner's Lot and to perform any maintenance or repair required to be performed by an Owner under this Declaration in the event that an Owner fails to commence any such maintenance or repair within thirty (30) days after written notice from the Association to such Owner specifying the need for such maintenance and repair or such Owner, after commencing such maintenance and repair, fails to diligently pursue to completion such maintenance and repair within a reasonable period of time; provided, however, no notice nor waiting period shall be required with respect to an emergency condition existing on an Owner's Lot.

Section 6.17. Driveways. All driveways shall be paved with concrete (no asphalt or gravel drives) from the street to each Dwelling unit including parking area.

Section 6.18. Building Location. Unless a greater number is indicated on the recorded Map, no building or improvements shall be located on any Lot nearer to the front line, rear line corner side line or side line than the following distances in feet:

Front	50'
Rear	40'
Side	20'
Corner Side	20' or as determined by applicable Wake County Ordinances, whichever is greater.

The Architectural Control Committee may for good cause waive a violation of the set-back requirement provided for herein. This waiver shall be in writing and recorded in the Wake County Registry. The waiver executed by the Architectural Control Committee shall be, when recorded, conclusive evidence of compliance with the requirements of this Article and the Declaration. A waiver is allowed so long as it does not violate local government regulations. Declarant reserves the right to waive in writing any minor violation of this Article, and for purposes hereof, any violation which does not exceed twenty percent (20%) shall be considered a minor violation.

Section 6.19. Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on recorded Maps and Plats of the Properties and over the rear ten (10) feet on each Lot and five (5) feet on each side, on each Lot, unless shown in excess of such distances on a recorded Map, in which case the Map shall control. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities and drainage facilities, or which may change the direction of flow or drainage channels in the easements, or which may obstruct or retard the flow of water through the drainage channels in the easements. The easement area of each Lot and all improvements in it shall be maintained continuously by the Owner of the Lot, except for those improvements that are included as Common Area and those improvements for which a public authority or utility company is responsible. No easement shall exist along an interior Lot line on any Lot on which a house is constructed within an area which would otherwise be an easement, if the placement of the house is permitted in these covenants. So long as Declarant owns at least one Lot within the Properties, Declarant reserves the right to waive in writing this rear and side line easement requirement.

Section 6.20 Commencement and Completion of Construction. Construction of Dwellings and other improvements on Lots shall be commenced within forty eight (48) months after the date on which there are Approved Plans therefor, and shall be completed not later than eighteen (18) months immediately after construction is commenced, or by such later date as specified in the Approved Plans. Each Lot Owner, other than the Declarant, shall within twelve (12) months of becoming the Owner of such Lot(s), submit Plan(s) for the construction of the Dwelling(s). For the completion of Dwelling or other improvements purposes of this Section,

construction is "commenced" when a building permit for the construction has been issued (or if a building permit is not required when work commences or materials for the improvement are delivered to the Lot), and construction is "completed" when a certificate of occupancy or completion has been issued. The Declarant or its assigns during the period of Class B membership, and thereafter the Architectural Control Committee, in its sole discretion, may grant waivers or extensions of the foregoing time period for completion of construction, and, when requested and upon reasonable evidence of the existence thereof, shall grant reasonable waivers or extensions for events of Force Majeure that delay or prevent a Person from completing construction within the foregoing time periods. As used in the Declaration, events of "Force Majeure" are defined as any one or more of the following: acts of God, earthquakes, blizzards, tornadoes, hurricanes, fire, flood, malicious mischief, insurrection, terrorism, riots, strikes, lockouts, boycotts, picketing, labor disturbances, war, explosions, compliance with a judicial order or injunction, inability to obtain materials or supplies after the exercise of all reasonable efforts, and any other similar circumstances beyond the reasonable control of the Person responsible for completion of construction.

Section 6.21. Soil Erosion Control. During all periods of construction on any portion of the Properties, the Owner thereof, or the Person exercising easement rights thereon, shall maintain proper and adequate soil erosion control to protect other portions of the Properties from accumulated silt and other soil erosion.

Section 6.22. Tree Cutting. No live trees with a diameter in excess of eighteen (18) inches, measured at ground level, nor "flowering trees" (such as dogwood or redbud) or broad leaf evergreens (such as holly or laurel) trees in excess of two (2) inches in diameter, similarly measured, no live vegetation on slopes of greater than twenty percent (20%) gradient or marked "no cut" areas on Approved Plans, may be cut or removed without the prior written approval of the Architectural Control Committee, unless necessary to construct improvements based on Approved Plans, or to prevent injury to Persons or property, or to remove dead or diseased trees, or to promote the continued growth of other trees near to the tree(s) being cut or removed. Further, no trees planted by the Declarant, or directed to be planted by the Declarant, to comply with legal requirements shall be cut without the prior written approval of the person who planted, or directed to be planted, the same. The Association may adopt rules and regulations for the cutting or removal of trees.

Section 6.23. Wetlands and Buffers. Portions of the Properties may have been determined to meet Legal Requirements for designation as a regulatory wetland. Notwithstanding anything to the contrary that may appear herein or in any other restrictive covenants applicable to such portions of the Properties, and whether or not the Approved Plans for any improvements on the portion of the Properties on which such wetlands are located are in compliance with applicable wetlands rules, any subsequent fill or alteration of any portion of the Properties that has been determined to be a regulatory wetland under Legal Requirements shall conform to the requirements thereof in force at the time of the proposed alteration. The intent of this Section is to prevent additional wetland fill or alteration except as allowed under Legal Requirements, so the Owner of any such portion of the Properties should not assume that any application for fill or alteration of a wetland will be approved. The Owner of any portion of the Properties subject to any such future application shall report the name of the Subdivision,

together with the name of the particular phase, section or subdivision within the Properties, if any, in any application pertaining to wetland rules.

The provisions of this Section are intended to ensure continued compliance with wetland rules under Legal Requirements and this Section may be enforced by the United States, State of North Carolina or any other governmental entity having jurisdiction over the subject wetlands.

ARTICLE VII

USE RESTRICTIONS

Section 7.01. Permitted Use. No Lot shall be used for any purpose other than a single family residential Dwelling; provided, however, the Declarant excepts and reserves the right for itself and its assigns to use any Lot or Dwelling unit as construction or sales offices and/or models which may be shown to prospective purchasers of Lots. No garage shall be converted or used as a bedroom, storage room or other living space, nor shall the number of bedrooms in a Dwelling unit on any Lot be increased without the approval of the Association and Wake County. Garages shall be used for the parking of motor vehicles and limited storage which does not interfere with such parking. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single family Dwelling not to exceed three (3) stories in height above grade (below grade basement does not constitute a story) and have a private garage for not more than three (3) cars. No attached or detached garage shall be used for human habitation temporarily or permanently.

Except those to be utilized by Declarant as described hereinabove, no structure shall be erected, placed, altered, used or permitted to remain on any Lot other than the one primary attached or detached single family residential Dwelling unit, and such other secondary Dwelling Units and Accessory Structures as are approved in advance in writing by the Architectural Control Committee pursuant to the Guidelines. Each Lot Owner shall notify the Architectural Control Committee prior to the commencement of construction upon their respective Lots as to which structure on their Lot shall be the primary Dwelling Unit subject to the minimum heated floor area requirements in Section 7.02 of this Article VII.

Section 7.02. Primary Dwelling Size. Any primary Dwelling erected upon any Lot shall contain not less than 2,400 square feet of enclosed heated floor area (if single story) and not less than 2,900 square feet of enclosed heated floor area (if multi-story) as measured from the ground level up and exclusive of the areas in heated or unheated basements, vaulted ceiling areas and attics, unheated porches of any type, attached or detached garages, and unheated storage areas, decks and patios. Notwithstanding the foregoing requirements, the Architectural Control Committee shall have the right, but not the obligation, because of restrictive topography, lot shape, dimensions or unusual site related conditions or other reasons, to allow variances from such minimum square footage requirements by granting a specific written variance.

Section 7.03. No Businesses. Except as specifically provided in this Section, no trade, business, industry, occupation or profession of any kind, whether commercial or otherwise, shall be conducted, maintained, or permitted on any Lot or other part of the Properties, except that any Owner may lease his Lot for residential purposes in accordance with this Declaration; provided, however, the foregoing covenant shall not apply to the business activities associated with the

development of the Properties and sales of the Lots and the construction and maintenance of houses and other improvements on the Lots, and to the various activities of the Association in furtherance of its powers and purposes. The Declarant and its agents and builders may use any Lot or Lots and any Dwelling thereon for office, sales or display purposes.

An Owner or occupant residing in a Dwelling on any Lot may conduct business activities within such Dwelling so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Lot; (b) the business activity conforms to all applicable zoning requirements without the need for a variance; (c) the business activity does not involve door-to-door solicitation of residents of the Properties; (d) the business activity does not, in the reasonable judgment of the Board of Directors, generate a level of vehicular or pedestrian traffic or a number of vehicles being parked in the Properties which is noticeably greater than that which is typical of Lots in which no business activity is being conducted; (e) the business activity is consistent with the residential character of the Properties, does not create a hazardous or dangerous condition nor threaten the security or safety of other occupants of the Properties, and is not a nuisance nor an unreasonable annoyance or offensive use, all as may be determined in the sole discretion of the Association's Board of Directors.

The terms "business", "trade", "industry", "occupation" and "profession" as used in this Section, shall be construed to have their ordinary, generally-accepted meanings and shall include, without limitation, any occupation, work or activity which involves the provision of goods or services to persons other than the provider's immediate family and for which the provider receives a fee, compensation or other form of consideration, regardless of whether such activity is engaged in full or part-time, such activity is intended to or does generate a profit, or whether a license is required. The leasing of a Lot in accordance with this Declaration shall not be considered a business or trade within the meaning of this Section.

Section 7.04. Prohibited Structures. No Owner shall at any time place on such Owner's Lot or any other portion of the Properties, any mobile, manufactured or modular home, nor shall any tent, shack, barn, other outbuilding, camper or other temporary structure of a similar nature be used as a residence either temporarily or permanently upon any Lot, with the limited exception of construction trailers for use as offices by Declarant or its assigns for overseeing construction and sales during the construction process and then only for the use of the contractor performing such construction and sales. Such construction trailers shall not be permitted to remain on the Properties after the period of construction and sales ends. Accessory buildings of any nature whatsoever, including but not limited to detached garages, storage buildings, dog houses, greenhouses, etc. shall not be placed on any Lot without the prior written approval of the Architectural Control Committee. Above-ground swimming pools, in-ground swimming pools, hot-tubs, or similar structures shall not be constructed or allowed to remain on any Lot or portion of the Properties without written approval by the Architectural Control Committee, and shall be screened from the view of any street or adjoining Lot. No exposed above-ground tanks, except for recreational swimming pools approved by the Architectural Control Committee, will be permitted for the storage of fuel or water or any other substance, except that such tanks may be placed above-ground provided they are kept in a screened enclosure which must exceed in height by at least one (1) foot any such tank as may be placed therein.

Section 7.05. Animals. No animal, livestock or poultry of any kind shall be raised or kept on any Lot, except that no more than four (4) dogs, cats or other usual household pets may be kept and maintained thereon, provided that such pets shall not be a danger or menace to others, that they are not kept or maintained for any commercial purposes or in such a manner to be offensive, threatening or dangerous to the residents of the Properties and provided further that they are kept, maintained and controlled in compliance with: (i) all applicable laws, ordinances and regulations of the State of North Carolina, Wake County, (ii) such rules and regulations as the Board of Directors may adopt from time to time, and (iii) the keeping of such animals does not increase the premiums for any insurance maintained by the Association or which will result in the cancellation of any such insurance. In the event of a dispute over whether an animal is a permitted household pet for purposes hereunder, the determination of the Declarant during the period of Class B Membership and thereafter by the Board of Directors shall be final. Puppies and kittens in excess of the numbers set forth above may be kept only until old enough to be safely separated from their mother. The Board of Directors shall have the absolute power to prohibit any particular pet from being kept on the Properties, including inside a residence, if the Board of Directors in its sole and absolute discretion determines the pet is threatening, menacing, dangerous, a nuisance, or otherwise has a negative impact on the Properties. Additionally no kennel or dog run or similar structure shall be constructed or allowed to remain on any Lot.

Section 7.06. Outside Antennas. No outside radio or television antennas or discs shall be erected on any Lot or Dwelling unit within the Properties, but a satellite dish with a diameter of two (2) feet or less may be installed, in a location that is not visible from the street in front of the Dwelling unit, upon receipt of permission for the same granted by the Declarant or the Board of Directors or its Architectural Control Committee in accordance with Article VI. To the extent this restriction may later be determined to be unenforceable pursuant to applicable laws, including but not limited to any rules and regulations promulgated by the Federal Communication Commission (as from time to time may be amended), an Owner nevertheless shall be restricted in its placement of said antennas to an area which is least visible from the front of the Lot or Dwelling unit and which causes or is likely to cause the least interference with the placement and use of antennae and disks by other Owners. Any permitted antenna or disk shall be installed, maintained and replaced in accordance with rules and regulations adopted by the Board from time to time. Nothing in this section, however, shall prohibit (but shall not obligate) the Declarant or the Association from erecting a central master antenna, satellite dish or other similar master telecommunication system for the benefit of the Lots and charging fees for usage thereof.

Section 7.07. Insurance Risks. Nothing shall be kept and no activity shall be carried on in any Dwelling unit, Lot or on the Common Areas, nor shall any Owner do or keep anything, nor cause or allow anything to be done or kept on his Lot, or in his Dwelling unit or on the Common Area, which will increase the rate of insurance, applicable to residential use, for the Properties or the contents thereof or which will result in the cancellation of insurance on any portion of the Properties, or the contents thereof, or which will be in violation of any law, ordinance, or regulation. No waste shall be committed on any portion of the Common Areas.

Section 7.08. Signs. No Owner shall display, or cause or allow to be displayed, to public view on his Lot any sign, placard, poster, billboard, or identifying name or number on any portion of a Lot, the Common Area or the right-of-way of any street or road within the Properties

except as permitted in this Declaration or as required by Wake County. Notwithstanding the foregoing, the Declarant and each Owner, or their respective agents, may place a single "For Sale" sign on any Lot they own. During the development of the Properties and the marketing of Lots, the Declarant, builders and their realtors may maintain offices and may erect and display such signs and banners as the Declarant deems appropriate as aids to such development and marketing provided that such signs do not violate any applicable laws. No Owner, other than the Declarant, shall display, or cause or allow to be displayed, to public view on his Lot any "For Sale" or "For Rent" sign which exceeds twenty-four (24) inches in width or fifteen (15) inches in height. The Board of Directors may adopt Rules and Regulations concerning the color and placement of signs by Owners other than the Declarant. A sign advertising a yard sale or other temporary activity may be displayed on a Lot for no more than twenty-four (24) consecutive hours. Notwithstanding the foregoing, the Board of Directors has the authority to require any sign, other than a sign maintained by the Declarant, be removed if it determines, in its sole discretion, such sign to be detrimental to the Properties. Easements are reserved as shown and designated on the recorded Maps of the Properties to erect and construct entrance signs and landscape or streetscape areas.

Section 7.09. Structural Integrity. Nothing shall be done in or to any Dwelling unit on any Lot or in, to, or upon any of the Common Areas which will impair the structural integrity of any building, Dwelling unit, or portion of the Common Areas or which would impair or alter the exterior of any building or portion thereof, except in the manner provided in this Declaration.

Section 7.10. Rental of Lots. No Lot shall be rented to or occupied by a greater number of unrelated individuals than the number of bedrooms in the Dwelling unit on such Lot as approved in accordance with Article VI of this Declaration. No Lot shall be rented to or occupied by a number of individuals, whether or not unrelated, which exceeds twice the number of bedrooms in the Dwelling unit on such Lot as approved in accordance with Article VI of this Declaration; provided, however, a Lot may be rented to or occupied by a number of individuals which is not more than three (3) times the number of bedrooms in the Dwelling unit on such Lot as approved in accordance with Article VI of this Declaration so long as all such individuals occupying such Dwelling unit are within the same immediate natural or adopted family (namely, spouses, grandparents, parents, children and grandchildren) or who are legal guardian and ward. For purposes of this Section, "unrelated individuals" means individuals who are neither within the same immediate natural or adopted family (namely, spouses, grandparents, parents, children and grandchildren) nor who are legal guardian and ward; provided, however, siblings shall be considered unrelated individuals unless one of their parents or legal guardian also occupies the same Lot as such parent's or legal guardian's principal residence.

Section 7.11. Maintenance of Lots. Each Owner shall keep his Lot in an orderly condition and shall keep the improvements thereon in a suitable state of repair, promptly repairing any damage thereto by fire or other casualty. No clothesline may be erected or maintained on any Lot. Each Owner shall further maintain the Lot with no grass grown over six (6) inches in height and landscaping on his Lot in a clean and neat condition and shall keep his landscaping trimmed so as not to be unsightly and will remove any dead trees and undergrowth to present a pleasing appearance. No Lot shall be used in whole or in part for storage of rubbish of any character whatsoever nor for the storage of any property or thing which will cause any noise that will disturb the peace and quiet of the occupants of surrounding Lots. No burning of

yard waste is allowed. No trash, rubbish, stored materials, wrecked or inoperable vehicles, vehicles unlicensed for more than thirty (30) days, or similar unsightly items shall be allowed to remain on any Lot outside an enclosed structure; provided, however, the foregoing shall not be construed to prohibit temporary deposits of trash, rubbish, or other debris for collection by governmental or other similar garage and trash removal units. In the event any Owner fails or refuses to comply with any of the foregoing, the Declarant or Association may demand the Owner promptly comply with the same by mailing a notice thereof to the Owner at his address, specified in his contract to purchase such Lot or by posting such notice on the Lot. If the Owner has not complied therewith within five (5) days thereafter, the Declarant or Association may enter and correct the same at Owner's expense. Each Owner, by acquiring a Lot subject to these restrictions, agrees to pay such cost promptly upon demand by Declarant or the Association. No such entry as provided herein shall be deemed a trespass.

Section 7.12. Garbage Cans and Trash Removal. Garbage cans or approved dumpsters shall be located or screened so as to be concealed from view of neighboring Lots, Common Areas and street rights of way. All rubbish, trash, and garbage shall be regularly removed from any Lot and shall not be allowed to accumulate thereon. Trash spillage shall be the responsibility of the subject Owner for removal. Yard waste must be disposed of properly and not deposited on any other Lot, the Common Areas or street rights of way within the Properties. Notwithstanding the foregoing, the Declarant reserves for itself and its approved builders of Dwelling units within the Properties the right to dump and bury rocks, trees, stumps and similar debris as needed for efficient development of the Properties provided that such dumping and burying are done according to good building practice and in accordance with all applicable governmental laws and regulations. The Association may, but is under no obligation to, contract with a waste removal company to provide for the removal of trash and garbage for all Lot Owners and such will be an expense of the Association. In the event the Association decides to contract with a waste removal company then all Lot Owners shall use only such company designated by the Association.

Section 7.13. Nuisances. No immoral, improper, offensive or unlawful use shall be made of the Properties, or any part thereof, and all valid laws, orders, rules, requirements, ordinances and regulations of all governmental agencies having jurisdiction thereof relating to any portion of the Properties shall be observed. No noxious or unreasonably offensive activities shall be carried on upon any Lot or other portion of the Properties, nor shall anything be done thereon which may be or become a nuisance or an unreasonable annoyance to the neighborhood. Activities associated with the development of the Properties and the construction of Dwelling units or Common Area facilities on the Properties shall not be deemed offensive nor an annoyance or nuisance if conducted in accordance with the ordinances of Wake County. Other than in connection with the development of the Properties or the construction and sale of Lots and Dwelling units by the Declarant or its assigns, no trade materials or inventories may be stored upon a Lot.

Section 7.14. Rules and Regulations. The Board of Directors shall have the power to formulate, adopt, amend, publish, and enforce reasonable rules and regulations concerning the use and enjoyment of the yard spaces of each Lot and the Common Area. All rules and regulations, along with all policy resolutions and policy actions taken by the Board of Directors,

shall be recorded in a Book of Resolutions which shall be maintained in a place convenient to the Owners and available to them for reasonable inspection during normal business hours.

Section 7.15. Subdivision of Lot. No Lot shall be subdivided nor its boundary lines changed except with the prior written approval of the Declarant or its assigns, if during the period of Class B membership, and thereafter with the prior written approval of the Board; provided, however, the Declarant reserves the right to subdivide, re-subdivide or recombine any Lot or other property in the Properties owned by the Declarant. Any subdivision, re-subdivision or recombination of the Properties or any portion thereof shall be done in accordance with all applicable laws and regulations.

Section 7.16. Open Space Preservation. Within any portion of the Common Area which is designated or approved as open space, no land-disturbing activity, placement of impervious surfaces, removal of vegetation, encroachment, construction or erection of any structure shall occur except with approval of the Association and in accordance with a permit first being issued by Wake County.

Section 7.17. Stormwater Control Measures – Potential Fines & Liens. Portions of the Common Area or Lots are or may be subject to drainage easements, as shown on the recorded Maps. If so required, stormwater control measures shall be maintained by the Association in accordance with the requirements of Wake County. Stormwater control measures are required to comply with applicable governmental requirements and the failure to maintain stormwater control measures is a violation potentially subjecting each Lot Owner to significant daily penalties and other enforcement action.

Section 7.18. Development Rights Reserved. Notwithstanding any provisions or restrictions contained in this Declaration, rules and regulations adopted hereunder or any amendments to the foregoing, it shall be expressly permissible for the Declarant, and its respective agents, employees and approved builders during the period of Class B membership to maintain such facilities and carry out such construction activities as may be reasonably required, convenient or incidental to the development, improvement, completion and sale of any portion of the Properties, including without limitation, the installation and operation of sales and construction trailers and offices, sales models and appropriate signs; provided, however, in the event a sales office has been maintained in any portion of a Lot such sales office must be removed and the original intended and approved use of such structure must be restored prior to conveyance from the Declarant or its assigns to any third party purchaser.

Section 7.19. Government Regulations. All governmental building codes, health regulations, zoning restrictions and the like applicable to the Properties shall be observed. In the event of any conflict between any provision of such governmental code, regulation or restriction and any provision of this Declaration, the more restrictive provision shall apply.

Section 7.20. Hunting; Discharge of Firearms. Hunting and trapping of wild animals, fowl and game and the discharge of firearms and/or bows and arrows and/or other weapons within the Properties is prohibited.

Section 7.21. Lighting. No exterior lighting on any portion of the Properties shall be directed outside the boundaries thereof, except for required street and parking lot lighting and as otherwise approved by the Architectural Review Committee and subject to the applicable requirements and limitations in the Guidelines and shall be subject to the approval of the Association. Typical residential floodlights and decorative lights directed toward the Dwelling on a Lot shall be permitted when used in a reasonable manner. All holiday lighting and decorations (for example, lighting and decorations associated with Thanksgiving, Halloween, etc.) may be displayed/used/lighted for a period of time not to exceed three (3) weeks prior to the date of the holiday and three (3) weeks after the date of the holiday, except that Christmas or Hanukah lighting and decorations may be displayed/used/lighted beginning on Thanksgiving Day in the same calendar year. Each Lot Owner shall install and maintain a minimum landscape lighting package, if required by the Guidelines, and such installation and maintenance of such lighting package shall be each Lot Owners expense. All exterior lighting that is not in conformity with applicable Guidelines, if any, first shall be approved in writing by the Architectural Review Committee.

Declarant reserves the right to subject the Property and the Lots to a contract with Wake Electric Membership Corporation (Wake EMC) for the installation and maintenance of street lighting which requires a continuing monthly payment to Wake EMC by each residential customer.

Section 7.22. Mailboxes. Pursuant to policy established by the United States Postal Service, Jackson Manor Lot Owners shall receive and send mail via Centralized Box Units (CBUs) to be installed by the Declarant and maintained by the Association. Declarant shall be responsible for repair and maintenance to the CBUs after installation until turnover of the units to the Association for repair and maintenance.

Section 7.23. Fences and Walls. In addition to the restrictions contained elsewhere in this Declaration, only fences or walls (including, without limitation, densely planted hedges, rows or similar landscape barriers) approved in advance by Declarant and/or the Architectural Control Committee, in their sole and absolute discretion, shall be used, installed and/or constructed along or near the front, side and/or rear boundary lines of each Lot within the Property. All fences and walls shall be maintained in a structurally sound and attractive manner. No fence or wall shall be erected on any Lot without approval from the Architectural Control Committee and such approval shall be in writing. The Architectural Control Committee may, at its sole and absolute discretion, refuse to allow any fences or walls on a Lot, even if fences or walls are allowed on other Lots. The type, size, design, color, materials and location for such fences or walls, may be designated in the Guidelines. The use of chain link fencing is not permitted on the Properties.

Section 7.24 Prohibited Materials. No Vinyl shall be used or exposed on any constructed improvements.

Section 7.25 Foundations. No residential structure shall be constructed on a slab foundation. All dwellings shall be constructed so as to have a crawl space or basement and only as approved by the ACC.

ARTICLE VIII

EASEMENTS/BUFFERS

Section 8.01. Utilities. Easements for the installation and maintenance of utilities (including, but not limited to water, septic, gas, electricity, telephones, telecommunications, cable television and other utilities, such as a master antenna system) and drainage facilities are reserved as indicated on the recorded Maps of the Properties. Within these easements no structures, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the drainage easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The Association shall have the power and authority to grant and establish upon, over and across the Common Areas such additional easements as are necessary or desirable for the providing of service or utilities to the Common Areas or Lots.

Section 8.02. Encroachments. In the event that any improvements on a Lot shall encroach upon any Common Areas or upon any other Lot as a result of the initial improvements constructed by Declarant or for any reason not caused by the purposeful or negligent act of the Owner or agents of such Owner, then an easement appurtenant to such Lot shall exist for the continuance of such encroachment upon the Common Areas or other Lot for so long as such encroachment shall naturally exist; and, in the event that any portion of the Common Areas shall encroach upon any Lot, then an easement shall exist for the continuance of such encroachment of the Common Areas into any such Lot for so long as such encroachment shall naturally exist. Notwithstanding anything hereinabove to the contrary, this provision does not authorize any encroachments except those encroachments which exist by virtue of original construction by the Declarant or its assigns or with Declarant's express approval.

Section 8.03. Easement for Governmental Agencies. An easement is hereby established over the Common Area for the benefit of applicable governmental agencies, utility companies and public service agencies (and any other Person providing services to the Properties under agreement with or at the direction of the Association) as necessary for setting, removing and reading of meters, replacing and maintaining water, and drainage channels and facilities, utilities, and fire lines and acting for other purposes consistent with public safety and welfare, including without limitation, law enforcement, fire protection, emergency and rescue services, garbage collection and delivery of mail. An easement is hereby established for the benefit of applicable governmental agencies, utility companies and public service agencies over the Common Area and over the front ten (10) feet of each Lot for the setting, removal and reading of water meters, the maintenance and replacement of water and drainage channels and facilities and the collection of garbage.

Section 8.04. Walks, Drives, Parking Areas and Utilities. All of the Properties, including Lots and Common Areas, shall be subject to such easements for driveways, walkways, parking areas, water lines, storm drainage facilities, gas lines, telephone and electric power lines, cable television lines, and other public utilities as shall be established prior to the conveyance of such Lots or the Common Area by the Declarant. The Association shall have the power and authority to grant and to establish in, over, upon, and across the Common Areas conveyed to it such further easements as are requisite for the convenient use and enjoyment of the Properties.

Section 8.05. Easements Appurtenant to Lots. All private streets and driveway areas in the Common Areas shall be subject to an easement in favor of every Lot to which they are adjacent or which they are intended to serve and shall be deemed appurtenant to each such Lot, whereby the Owner of each such Lot shall be entitled to use them as a means of ingress, egress and regress and such other uses as shall have been designated. Such easement shall be superior to the lien of every mortgage or deed of trust.

Section 8.06. Emergencies, Etc. Every Lot and Dwelling unit shall be subject to an easement for entry by the Association for the purpose of correcting, repairing, or alleviating any emergency condition which arises upon any Lot or within any Dwelling unit on any Lot and that endangers any Lot or portion of the Common Areas, or as necessary to correct any grading for drainage purposes.

Section 8.07. Easements to Association. An easement is hereby granted to the Association, its officers, agents, employees, and authorized representatives, including but not limited to management companies, to enter in or to cross over the Common Area in connection with the exercise of any right, duty or obligation of the Association under this Declaration or its Organizational Documents.

Section 8.08. Access Easement. Each Owner shall have the right to ingress and egress over, upon and across the Common Area as necessary for access to his Lot and shall have the right to lateral support for his Lot.

Section 8.09. Easements Shown on Recorded Plats. Declarant, for itself and its successors and assigns (which may include governmental or private utility providers), and in addition to all other easements reserved in the Declaration, hereby reserves perpetual, non-exclusive and alienable easements in the locations and for the purposes shown and indicated on all plats of the Properties recorded in the Registry.

Section 8.10. Easement Reserved by Declarant for Development. Until December 31, 2020, notwithstanding any provisions contained in this Declaration to the contrary, Declarant hereby expressly reserves unto itself, its successors and assigns including, but not limited to Persons constructing Dwellings and other improvements on the Common Area or Lots, a nonexclusive, right, privilege and easement over, under, in, and/or on the Common Area, without obligation and without charge, for the purposes of construction, installation, relocation, development, sale, maintenance, repair, replacement, use and enjoyment, and/or otherwise dealing with the Properties, including but not limited to construction of the recreational facilities and installation of utilities. The reserved easement shall constitute a burden on the title to the Properties and specifically includes, but is not limited to:

- A. The right of access, ingress, and egress for vehicular and pedestrian traffic over, under, on and through the Common Area; and the right to construct the Amenities; and the right to tie into any portion of the Properties with driveways, parking areas, and walkways; and the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services, including, without limitation, electrical, telephone, natural gas, water, septic, and

drainage lines and facilities, constructed or installed in, on, under, and/or over the Properties any damage caused by the exercise of such rights shall be repaired and the damaged property shall be restored to as near the same condition, as reasonable and practical, as that which existed prior to the exercise of such rights;

- B. The right to construct, install, replace, relocate, maintain, authorize, repair, use, and enjoy signs, model residences, sales offices, construction offices and business offices as, in the sole opinion of Declarant, may be required, convenient, desirable, or incidental to the construction and sale of residences on the Lots;
- C. No rights, privileges, and easements granted or reserved herein shall be merged into the title of any portion of the Properties, including, without limitation, Lots or Common Areas conveyed to the Association, but shall be held independent of such title, and no such right, privilege, or easement shall be surrendered, conveyed, or released unless and until and except by delivery of a quitclaim deed from Declarant releasing such right, privilege, or easement by express reference thereto; and
- D. This section may not be amended without the written consent of Declarant.

Section 8.11. Drainage. The Declarant reserves for itself and its assignees, including but not limited to the Association, the right and easement to enter upon any Lot or the Common Area for the purpose of altering the flow of surface water in, on or across such Lot or Common Area in order to correct surface water drainage problems existing on any Lot or the Common Area. Any alterations made pursuant to the foregoing easement shall be made at the sole cost and expense of the Declarant or its assigns, as the case may be, and shall not unreasonably interfere with the Owner's use and enjoyment of his Lot. Declarant hereby agrees in exercising the rights reserved above, all debris, materials, excess soil and rock from an affected Lot shall be removed, all excavations shall be filled, all topsoil and grass on all disturbed earth shall be replaced and reseeded. Declarant may give its written consent to an Owner to alter the flow of surface water in, on or across such Owner's Lot in order to correct surface water drainage problems existing on such Lot; provided, however, the Declarant during the period of the Class B Membership, and thereafter the Board of Directors or the Architectural Control Committee, as the case may be, must give its written approval to the Owner's plan to alter the flow of surface water on such Owner's Lot.

ARTICLE IX

ANNEXATION OF ADDITIONAL PROPERTIES

Section 9.01 By Declarant. If on or before January 1, 2021, the Declarant should develop additional lands adjacent to the Properties, such additional lands may be annexed by the Declarant to said Properties without the assent of the Class A membership. In the event of annexation by the Declarant, the Declarant shall not be required to build the same or substantially similar type of Dwelling units, and the Declarant specifically reserves the right to build Dwelling units of different types, styles, colors, sizes and prices.

Section 9.02. By Association. Any other annexation of additional land shall require the assent of two-thirds (2/3) of each Class of Membership of the Association.

Section 9.03. Procedure. Annexation of additional land shall be accomplished by recording in the Office of the Register of Deeds in Wake County a Declaration of Annexation duly executed by the Association, describing the lands annexed and incorporating the provisions of this Declaration either by reference or by fully setting out said provisions of this Declaration. In the event of annexation by the Declarant pursuant to Section 9.01, the Declarant shall have the right to amend or supplement the terms of this Declaration as applicable to the additional lands as the Declarant deems advisable for the types, styles, colors, sizes and prices of the Dwelling units to be developed on the additional lands. The additional lands shall be deemed annexed to the Properties on the date of recordation of the Declaration of Annexation. Upon annexation, the land shall be used only for residential and ancillary purposes and shall be subject to this Declaration, and all Owners shall automatically become Members of the Association.

(a) The additions authorized above shall be made by filing Supplementary Declarations of Covenants, Conditions and Restrictions with respect to the Additional Properties in the Wake County, North Carolina, Public Registry which shall extend the scheme of this Declaration and the jurisdiction of the Association to such Properties and thereby subject such additions to the benefits, agreements, restrictions and obligations set forth herein, including, but not limited to, assessments as herein determined. Such Supplemental Declarations, as applied to the Additional Properties covered thereby, may include such specific additional controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens as may be set forth in such Supplemental Declaration. At the time of the filing of each Supplementary Declaration, there shall be recorded in the Wake County, North Carolina, Public Registry a Map or Maps which show the boundary line of each Lot annexed pursuant to such Supplementary Declaration and which delineates all Common Area annexed pursuant to such Supplementary Declaration. All Common Area situated within the Additional Property shall be deeded to the Association in the same manner as set forth in Article II, Section 2.03 prior to the sale of any Lot of the Additional Property.

(b) The obligation for Owners of Lots in any portion of the Additional Properties to pay the assessments described in Article IV hereof shall commence upon the filing of the Supplementary Declaration in the Wake County, North Carolina, Public Registry annexing such portion. The Owners of such Lots shall have the same voting rights as the Owners of Lots in the Properties, and such voting rights shall commence as of the date of the filing of the Supplementary Declaration.

ARTICLE X

RIGHTS RESERVED TO INSTITUTIONAL LENDERS

Section 10.01. Entities Constituting Institutional Lenders. "Institutional Lender" as the term is used herein shall mean and refer to banks, savings and loan associations, insurance companies or other firms or entities customarily affording loans secured by first liens on residences, and eligible insurers and governmental guarantors.

Section 10.02. Obligation of Association to Institutional Lenders. So long as any Institutional Lender shall hold any first lien upon any Lot, or shall be the Owner of any Lot, such Institutional Lender shall have the following rights:

- A. To inspect the books and records of the Association during normal business hours and to be furnished with at least one (1) copy of the annual financial statement and report of the Association prepared by an accountant designated by the Board of Directors of the Association, such financial statement or report to be furnished by May 15th of each calendar year;
- B. To be given notice by the Association of the call of any meeting of the membership to be held for the purpose of considering any proposed amendment to this Declaration of Covenants, Conditions and Restrictions, the Organizational Documents of the Association or of any proposed abandonment or termination of the Association or the effectuation of any decision to terminate professional management of the Association and assume self-management by the Association;
- C. To receive notice of any condemnation or casualty loss affecting the Common Area or any portion thereof;
- D. To be notified of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;
- E. To have the right to approve of any alienation, release, transfer, hypothecation or other encumbrance of the Common Area, other than those specific rights vested in the Association under Article II hereof; and
- F. To be given notice of any delinquency in the payment of any assessment or charge (which delinquency remains uncured for a period of sixty (60) days) by any Owner owning a Lot encumbered by a mortgage held by the Institutional Lender, such notice to be given in writing and to be sent to the principal office of such institutional Lender or to the place which it may designate in writing.

Section 10.03. Requirements of Institutional Lender. Whenever any Institutional Lender desires to avail itself of the provisions of this Article, it shall furnish written notice thereof to the Association by certified mail at the address of the Association's registered agent identifying the Lot or Lots upon which any such Institutional Lender holds any first mortgage together with sufficient pertinent facts to identify such mortgage or identifying any Lot or Lots owned by such Institutional Lender. Such notice shall designate the place to which notices, reports or information are to be given by the Association to such Institutional Lender.

ARTICLE XI

GENERAL PROVISIONS

Section 11.01. Enforcement. The Association, Declarant or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants,

reservations, liens and charges now or hereafter imposed by the provisions of this Declaration and the Organizational Documents. Failure by the Association, Declarant or any Owner to enforce any such restriction, condition, covenant, reservation lien or charge herein contained shall in no event be deemed a waiver of the right to enforce any such restriction, condition, covenant, reservation, lien or charge at any other time or in connection with the same or any other event, nor shall it be deemed a waiver of the right to request that law enforcement, public safety and animal control officers enter the Properties to facilitate the enforcement of the laws, codes and ordinances of any governmental authority.

Section 11.02. Severability. Invalidation of any one of these covenants, conditions or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 11.03. Amendment. The covenants, conditions and restrictions of this Declaration shall run with and bind the land and shall insure to the benefit of and be enforceable by the Association or the Owner of any Lot subject to this Declaration, their legal representatives, heirs, successors, and assigns for a term of twenty (20) years from the date this Declaration is recorded, after which time, this Declaration shall be automatically extended for successive periods of ten (10) years each. This Declaration may be amended during the first twenty (20) year period by an instrument approved by not less than sixty six and two-thirds percent (66 2/3%) of the Lot Owners and thereafter by an instrument approved by not less than seventy-five (75%) of the Lot Owners. Any amendment must be recorded with the Office of the Register of Deeds in Wake County.

Section 11.04. Amendment of Declaration Without Approval of Owners. The Declarant, without the consent or approval of any other Owner, shall have the right to amend this Declaration to conform to the requirements of any law or governmental agency having jurisdiction over the Property or to qualify the Property or any Lots and improvements thereon for mortgages or improvement loans made or insured by a governmental agency or to comply with the requirements of law or regulations of any corporation or agency belonging to, sponsored by, or under the substantial control of, the United States Government or the State of North Carolina, regarding purchase or sale of such lots and improvements, or mortgage interests therein, as well as any other law or regulation relating to the control of Property, including, without limitation, ecological controls, construction standards, aesthetics, and matters affecting the public health, safety and general welfare. A letter from an official of any such corporation or agency, including, without limitation, the Veterans Administration, U. S. Department of Housing and Urban Development, the Federal Home Loan Mortgage Corporation, Government National Mortgage Association, or the Federal National Mortgage Association, requesting or suggesting an amendment necessary to comply with the requirements of such corporation or agency shall be sufficient evidence of the approval of such corporation or agency, provided that the changes made substantially conform to such request or suggestion.

Section 11.05. Certificate of Amendment Form. If any amendment, to these covenants, conditions and restrictions is so approved and executed, each such amendment shall be delivered to the Board of Directors of this Association. Thereupon, the Board of Directors shall within thirty (30) days, do the following:

(a) Reasonably assure itself that the amendment has been validly approved by the Owners of the required number of Lots. (For this purpose, the Board may rely on its roster of Members and shall not be required to cause any title to any Lot to be examined).

(b) Attach to the amendment a certification as to its validity, which certification shall be executed by the Association in the same manner deeds are executed. The following form of certification is suggested:

<u>CERTIFICATION OF VALIDITY OF AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS OF JACKSON MANORSUBDIVISION</u> By authority of its Board of Directors, Jackson Manor Owners Association, Inc., hereby certifies the foregoing instrument has been duly approved by the Owners of sixty-seven percent (67%) of the Lots of Jackson Manor and is, therefore, a valid amendment to the existing Declaration of Covenants, Conditions and Restrictions of Jackson Manor. This the _____ day of _____, 20__. JACKSON MANOR OWNERS ASSOCIATION, INC. _____ President Attest: _____ Secretary

(c) Immediately, and within the thirty (30) day period aforesaid, cause the amendment to be recorded in the Office of the Register of Deeds in Wake County Registry.

All amendments shall be effective from the date of their recordation in the Office of the Register of Deeds in Wake County, North Carolina; provided, however, no such instrument shall be valid until it has been indexed in the name of the Association. When any instrument purporting to amend the covenants, conditions and restrictions has been certified by the Board of Directors, recorded, and indexed as provided by this Section, it shall be conclusively presumed such instrument constitutes a valid amendment as to all persons thereafter purchasing any Lots.

Section 11.06. Voting. Voting of Members of the Association shall be in accordance with the applicable provisions set forth in the Association's Bylaws.

Section 11.07. Contract Rights of Association. As long as there is a Class B Membership, any contract or agreement entered into by or on behalf of the Association shall contain a provision giving the Association the right to terminate such contract or agreement, with or without cause, upon the giving of not more than thirty (30) days written notice to the other party or parties.

Section 11.08. Underground Utilities and Street Lighting. Declarant reserves the right to subject the Property described hereinabove to a contract with public utility companies for the installation of underground utility service and the installation of street lighting, either of which or both of which may require a continuous monthly charge to the Owner of the Lot. Declarant further reserves the right to connect to each Lot necessary water and sewer service which may require a continuous monthly charge to the Owner of each Lot. Upon acceptance of a deed to a Lot, each Owner agrees to pay said continuing monthly payments therefore as approved by the North Carolina Utilities Commission or other appropriate government authorities.

Section 11.09. Gender and Grammar. The singular, wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make provisions hereby apply to either corporations or individuals, man or woman, shall in all cases be assumed as though in each case fully expressed.

Section 11.10. Address. Each Member agrees to keep the Association informed of his address at any time, and any notice sent or delivered to said address shall be sufficient. Each new Member agrees to provide the Association with evidence of his Ownership for preparation of a membership roster, and the roster as so completed shall be sufficient evidence of the Ownership of each Lot. If a Member fails to provide the Association with its address or otherwise fails to keep its address current, the Association may use the address shown on the Wake County tax records for the Owner of the Lot for which such membership exists as the Member's address.

Section 11.11. Conflicts. In the event of a conflict between the terms and provisions of this Declaration and the Bylaws or Articles of Incorporation of the Association, the terms and provisions of this Declaration shall control. In the event of a conflict between the terms and provisions of the Bylaws and the Articles of Incorporation of the Association, the terms and provisions of the Articles of Incorporation shall control.

IN WITNESS WHEREOF, the Declarant has caused this Declaration to be executed in its company name by its duly authorized officer as of the _____ day of _____, 2015.

Jennifer D. Scott
Notary Public

EXHIBIT A

Legal description

All of the certain tract or parcel of land located in Wake County, North Carolina and being more particularly described as follows:

TRACT ONE:

BEING all of Tract 1, 23.223 acres as shown on plat entitled "Recombination Survey for Robert W. & Linda S. Neeb", dated January 10, 2003, prepared by Cawthorne, Moss & Panciera, P.C. and recorded in Book of Maps 2003, Page 520, Wake County Registry.

TRACT TWO:

BEING all of Tract 2, containing 61.602 acres as shown on that plat entitled "Survey for Kenneth A. Lye & Kim P. Lye" dated November 8, 2000, recorded in Book of Maps 2001, Page 2034, Wake County Registry, a copy of which is attached hereto as "Exhibit A-1". SAVE AND EXCEPT THE FOLLOWING PARCEL:

THE FOLLOWING PARCEL IS EXCEPTED FROM THE ABOVE REFERENCED TRACT TWO:

Beginning at a new iron pipe, said new iron pipe being located N 80° 18' 58" E 248.12' from an Existing Iron Pipe located in the southern line of the above referenced Tract Two and being the northeast corner of the John M. and Kathleen W. McDaniel tract as shown on that recombination plat recorded in Book of Maps 1979, Page 625, Wake County Registry; thence from the New Iron Pipe N 68° 48' 53" W 444.17' to a New Iron Pipe; thence N 18° 53' 55" E 589.66' to a New Iron Pipe; thence S 70° 38' 42" E 434.50' to a New Iron Pipe; thence S 18° 00' 50" W 604.00' to the POINT AND PLACE OF BEGINNING, containing 6.015 acres and shown as Lot 1 on that unrecorded Recombination Plat for Jackson Manor Subdivision prepared by Cawthorne, Moss & Panciera, P.C. dated April 24, 2014. Grantor also reserves the right of ingress and egress over and upon that 30.0' private access easement as shown on the above mentioned unrecorded Recombination Plat and as shown in Book of Maps 1990, Page 671, Wake County Registry.

NOTE: Pursuant to that Notice of Parcels Affected by the Location of the Common Boundary Effective January 1, 2010, Between Wake County and Franklin County recorded in Book 13811, Page 208, Wake County Registry, and as reflected on that Survey of the Wake-Franklin Boundary recorded in Book of Maps 2009, Pages 234 - 238, Franklin County Registry, a 1.14 portion of the above referenced Tract Two lies within Franklin County. As such, any documents related to the acreage tract of Tract Two should be recorded in Wake and Franklin counties.
