PRESIDENT'S WELCOME TO HERITAGE PINES

Heritage Pines is a 55+ Adult community that was established in 2000 for those desiring to either downsize or be closer to their families. We most certainly would like to welcome you to Heritage Pines ("HP"). If this is your first time living in a Home Owner Association ("HOA"), I invite you to review these HP Rules and Regulations. By reading and abiding by these rules you help in binding and allowing our community to act in a unified manner to the benefit of us all. We have tried to prepare and convey these rules in a way that considers the maturity of our residents and ask you to exhibit common sense in interpreting our rules.

The HOA has organized our activities through a series of volunteer-run committees that oversee operations and set objectives for the various ongoing elements that make up Heritage Pines. Our committees are: Social, Grounds, Clubhouse, Welcome, Architectural Review, Communications, Finance, Nominating, and Hospitality. You will be introduced to what these committees do in reading this description of rules.

The HOA contracts with a management company to provide on-site management services overseeing our HP Community. The HP Community Office assists our committees in coordinating their many formal and informal activities, and ensures HP residents properly maintain their individual property. The management company inspects the entire HP community twice monthly, and advises HP residents when property or homes are deemed to be out of compliance with our HP rules and regulations.

HP residents may receive a violation notice directly from the management company advising of any issue and providing time to correct the deficiency. We encourage you to contact the HP Community Office if questions arise regarding a violation, and ask you to please let the office know when the violation has been resolved.

We trust that in your understanding of and abiding by the HP rules and regulations that you will appreciate and enjoy our lovely community.

Russ Willard, President
April, 2025

INTRODUCTION TO THE RULES AND REGULATIONS

In an effort to heighten our sense of community, all owners and occupants of homes have agreed to abide by all rules and regulations adopted from time to time by the Heritage Pines Homeowners Association (“HP HOA” or “HOA”). Under our governing documents, the Board of Directors (“Board”) has the power and responsibility to enforce compliance and grant exceptions for these Rules and Regulations (“R&R”) by all appropriate legal and equitable remedies. Further, an owner determined by the Board to have violated our rules and regulations may be fined and shall be liable to the HOA for all damages and costs, including attorney’s fees.

For those who have not lived in an HOA community previously, the purpose of preparing the R&R’s in this form is to highlight, simplify, clarify or supplement provisions of our governing documents. However, in the event of any conflict, the following represents the order of the rules’ priority: Statutes - Federal, State and Local; our HOA Documents - HOA Articles, Bylaws, Covenants, Conditions, and Restrictions (CC&R) and any Amendments; the Architectural Review Committee (ARC) Guidelines; and finally these R&R’s. The Board has the discretion to amend or waive R&R’s as it performs its duties in managing the HOA.

Ultimately it is the property owner’s responsibility to ensure they, their tenants, guests and other occupants abide by these R&R’s, which serve to protect members’ equity in their homes and in the HOA, assure the continued aesthetic beauty of the community and define the responsibilities of property owners, guests, tenants, and invitees.

The Community Manager and the Board will ensure that resident complaints pertaining to the Rules and Regulations are processed with discretion. Complaints, questions, or suggestions should be addressed to:

Heritage Pines Community Association
Community Manager
2000 Heritage Pines Drive
Cary, NC 27519
Office@HeritagePinesNC.com

The R&R’s and the CC&R’s are posted on the HP HOA website www.heritagepinesnc.com. Printed versions are also available at the HP HOA office, located in the Clubhouse.

HERITAGE PINES RULES AND REGULATIONS

Age Restriction – Each home shall be occupied by at least one person who is 55 years of age or older, and all permanent occupants must be 18 years of age or older. No owner may rent or sell a home unless at least one person who will occupy the home is 55 years of age or older. Surviving immediate family can remain in occupancy.

Animals – Livestock, poultry or commercial animals may not be raised, bred, or kept. (See also Pets)

Architectural Review – The Architectural Review Committee (ARC) administers, performs reviews and approves all projects involving external changes to residences and landscaping prior to commencement of any work. This is to ensure conformity and appearance of the community are maintained and the objectives of the HP HOA are achieved. Current ARC guidelines are maintained in the HP Office and are posted on the HP HOA website www.heritagepinesnc.com.

Bulletin Boards – Please familiarize yourself with the information found on the Community Bulletin Boards in the clubhouse. There you will find lists of our Block Captains, our committees and their membership, Board members, last Board meeting minutes, HP's annual budget, names and addresses of new residents, the calendar of upcoming activities, and the contact person for each activity who can answer questions about becoming involved in specific activities. Grounds related information and mowing maps are also posted.

Business Use – A home business may be conducted so long as there is no outside evidence of commercial activity, such as increased parking, signage, excess deliveries, smells, or other nuisances discernible outside the dwelling.

Clubhouse Hours – The Clubhouse is open 5:30am to 11:30pm daily. An alarm will sound if entry or exit is attempted outside the Clubhouse open hours.

Clubhouse Memorial Reservations – Arrangements can be made through the Community Manager for Memorial or going away gatherings at no charge.

Clubhouse Rental for Private Events – Residents may rent the Clubhouse for private events if it is not scheduled for community activities. If interested, please contact the Community Manager for details of costs, and rental rules and requirements.

Common Area Grounds – The common grounds are the land and physical property owned, managed and maintained by the HOA. This includes all property not owned or leased by the residents, such as the Clubhouse, athletic facilities, wetlands and ponds. Residents are not authorized to act on or modify common property but are asked to bring needed maintenance issues to the attention of the Community Office. Your home's plat map provides your property's dimensions; some plat maps are available in the Community Office. If you cannot locate yours, contact the Town of Cary.

Defibrillator & First Aid Kit – There are 3 community defibrillators located at the Clubhouse: one located outside the exercise room; one in the hallway by the bulletin board; and one inside the fencing surrounding

the bocce and pickleball courts. First Aid kits are hung on the wall in the hallway by the pool entrance door and in the craft room.

Dwelling Access Ramps – Exterior access ramps must meet Americans with Disabilities Act (ADA) and community standards, be approved in advance by ARC, and be maintained in good condition. Lawn maintenance around and under the ramp is the homeowner's responsibility. The ramp must be disassembled upon sale of property, unless the new owner wishes to keep it. (See also "Architectural Review" and "Lawn and Porch Furniture")

Enforcement Measures – Our HOA Governing Documents give the Board latitude in enforcing our rules and regulations, plus discretion to make decisions regarding both community and personal property.

Exercise Room – The Clubhouse exercise room is for the exclusive use of residents and their accompanied guests age 16 or older. This facility is unattended, so exercise at your own risk. (See also "Recreational Facilities")

Exterior Home/Property Maintenance - Home siding/brick and roofs must be kept free of mildew, algae or growth that darkens the facade. Gutters must be kept clear of leaves and pine straw. Concrete driveways/walkways/patios and sidewalk surfaces must be kept free of oil, rust and dark stains. Power washing is recommended.

Fences – Fences, including electric fences, underground or invisible fences, are not permitted except for privacy fences between existing villa properties. Privacy fences are maintained by the homeowners, not the HOA.

Firearms – All types of weapons and explosives, including fireworks, are not permitted anywhere on the community properties, including the Clubhouse and recreational facilities.

Flagpoles – One bracket mounted six-foot flagpole may be attached to a dwelling, and is allowed when displaying an American or North Carolina state flag. Exceptions for other flags to be displayed may be granted upon request to the Board; if in doubt, ask. Ground mounted or free-standing flagpoles are not permitted.

Flags – Small American flags are placed by your Block Captain at the base of each mailbox to commemorate appropriate national holidays. Please report if your plastic holder disappears.

Garbage and Recycling Carts – Carts are to be stored in your garage. They should be placed at the curb after 4:00pm the day prior to, but before 7:00am the day of collection, and returned to the garage at the end of collection day. Garbage service is weekly and recycling biweekly. Cary only collects from Cary-provided carts. Residents with physical disabilities can request garbage and recycling pickup at their garage door instead of the curb; contact the HP Office for information. Collection schedule is posted at www.townofcary.org and on the HP website at www.heritagepinesnc.com.

Generators – Installation of a permanent generator by homeowners must be approved in advance by ARC and may require approval of neighbors who may be affected by the noise.

Golf Carts – Golf carts are allowed and are regulated by NC Law, with requirements similar to operating a motor vehicle as to driver and licensure. Carts may not be driven on sidewalks, and may only carry the number of people for which the cart is designed. Carts must have lights if operated after dusk and must be garaged overnight.

Guests – When utilizing our facilities, guests are to be accompanied by a resident at all times.

Happenings – Our monthly newsletter, “Heritage Happenings”, contains community news, reports on Committee and Board activities and announcements about upcoming events. It is delivered via email and is available, also, through the Newsletter tab on the Community website, www.heritagepinesnc.com. A limited number of printed copies of the newsletter are available for pickup at the HP Office. Delivery of printed copies of the newsletter for residents who are homebound and unable to access an online copy is available upon special request to the HP Office.

Hot Tubs – Hot tubs and spas are permitted only inside the dwelling.

Internet Connection – The Clubhouse has WiFi. Ask the HP Office for the password when needed.

Irrigation Systems – Installation of irrigation systems require the prior approval of the ARC, and repairs, including damage from mowers, are the sole responsibility of the homeowner. Backflow valves must be placed in a mulched bed or under a fake rock or hidden by vegetation. To prevent damage, please flag all sprinkler heads prior to announced lawn remediation services. (See also “Architectural Review” and “Lawn Maintenance”)

Landscaping Changes – Our HOA manages most of the community landscaping services for residents and common areas. Residents seeking to make any changes, modifications or removals to landscaping on their property must receive prior ARC approval, which will not be unreasonably withheld. Homeowners who have rear yards and berms that back up to Louis Stephens Drive and who request to replace wax myrtles or elaeagnus must replace them with only chindo viburnum for wax myrtles and/or dwarf Buford holly for elaeagnus. (See also “Architectural Review”)

Lawn and Porch Furniture – Furniture is allowed only when the porch and stoop are large enough to hold it and allow easy access to the entrance by EMS personnel. Chairs, tables, benches, and lawn furniture in the rear yard, on patios, decks, or mulched beds are permitted, as long as they do not interfere with mowing. (See also “Planters & Ornaments”)

Lawn Maintenance – Lawns are maintained by our landscape service provider. (Please see HP website, www.heritagepinesnc.com > Document Folder > HP General Information for a detailed listing of provided HP lawn services.) Questions or concerns for our landscape service provider should be directed to the HP Office. It is important that no structures or planting beds are placed that may interfere with mowing. All newly installed edging around planting beds or tree rings is limited to stone or brick materials. Edging must be

securely installed to a suitable depth so as to prevent movement and remain upright. Aesthetics, maintenance and repair of edging is the homeowner's responsibility.

Lighting – The black front yard security lightposts are the owner's responsibility to maintain and are to be kept lit from dusk to dawn. Solar lighting is permitted in front yards, patios and mulched areas so long as it does not interfere with mowing.

Mailboxes and Posts – Mailboxes and posts need to be kept clean, conform to community standards if replaced, and display street numbers clearly on both sides of the mailbox. Mailbox posts and installation are available through the HP Office for a fee, and mailbox numbers are available at no charge.

Mulching – Landscaping shall be mulched by the homeowner as necessary. By town ordinance, pine straw may not be used on any villa property.

Multiple Home Ownership – An owner may own a maximum of two homes at any time within our community. (See also "Property Rentals")

Noise and Nuisance – Activities may not be conducted on a lot in a manner that becomes a nuisance to the neighbors. Report problems to the Cary Police non-emergency number.

Orientation – The HP Office will inform the Welcome Committee of all new residents, so that one of its members may schedule a time to meet with the new homeowner to explain activities, HOA rules and lawn maintenance. The HP Office manager will provide each new resident with a key fob for access to the Clubhouse, pool and recreation areas. (See also "Welcome Committee")

Outdoor Grills – Portable outdoor grills may be used on the patio or deck only.

Outdoor Storage – Garbage and recycling bins, trash barrels, gardening equipment and supplies, lumber, firewood, or other miscellaneous items must be stored within the house or garage. (See also "Storage Units")

Parking – Boats, trailers, campers, recreational vehicles, or inoperable vehicles may be kept only if garaged and concealed from public view. Further, no car, truck or commercial vehicle may be parked within your property if not on a paved surface. Overnight street parking by residents is not permitted. Guests may park overnight on the street. For stays longer than three days, please contact the HP Office to arrange further parking. (See also "Recreational Vehicles/Motor Homes")

Patios and Yards – Patios and yards are to be maintained in a neat and orderly manner. (See also "Planters and Ornaments")

Permanent Resident – Anyone residing in a home for more than eight consecutive weeks in a calendar year shall be considered a permanent resident.

Pets – A reasonable number of dogs, cats, or other household pets may be kept, provided they are leashed at all times when outside the owner’s dwelling and are not a nuisance to neighbors. Please always clean up after your pets. (See also “Animals”)

Planters and Yard Ornaments – The number of planters, sculptures, statues, or yard ornaments in front of a home is dependent upon the size of the yard. They must be placed on the patio, porch, or mulched beds. Plants and furniture must allow an open path from the street to the front door so as to permit emergency access. Flower baskets may be placed on porch railings or suspended from the ceiling. Small fountains and water gardens may be placed in mulched areas following ARC approval. A bird house, free standing birdbath, and two bird feeders may be placed on the rear patio, deck or in the mulched beds. One feeder may also be hung in the front yard. Holiday decorations are allowed on a home’s exterior or in a mulched area for a period of three weeks prior to and two weeks after the holiday.

Property Rentals – A homeowner may lease their home, but only after they have occupied their property for a period of twelve consecutive months immediately following purchase. The rental agreement must be in writing, and must be for a minimum term of six consecutive months. At least one of the tenants must be 55 years of age or older, and no occupant/tenant of the rental home may be under 18 years old. All occupants must be identified in the lease, and a copy of the lease/rental agreement must be filed with the HP Office. (See also HP website, “Documents” folder, for required lease terms and condition)

Rain Barrels – Rain barrels are permitted behind the house on the deck, patio or mulched area. (See also “Patios”)

Real Estate Signage – Real Estate “Coming Soon” signs may be displayed for a period of two weeks. “For Sale” signs must be removed within twenty-four hours after closing.

Recreational Facilities – Our pickleball, tennis, bocce courts, shuffleboard, cornhole area, exercise room, swimming pool, and hot tub are designed solely for their respective activities. No rollerblading, skating, skateboarding, or bike riding is permitted within any fenced recreational facility. No pets are permitted in any recreational facility. The recreational areas are for HP residents’ and guests’ use from dawn to dusk. Equipment and facilities are to be locked when not in use. Glass containers are prohibited in all recreational facilities. All guests using any recreational facility must be accompanied by an HP resident.

Recreational Vehicles/Motor Homes – See “Parking” above and the HP website regarding RV’s owned by HP residents. Visitors using an RV or motor home must contact the HP Office for appropriate parking designation.

Renters – Individuals who lease a home, meet our resident age requirements and have filed the required documents with the HP Office, have all the same rights and responsibilities as other residents. (See also “Property Rental”)

Recycling – (See also “Garbage and Recycling Carts”)

Satellite Dishes, Lightning Rods – Installations are allowed so long as they meet all governing and ARC guidelines, and are approved in advance by ARC.

Signs and Decals – No construction or advertising signs may be displayed. Political lawn signs may be displayed in front yards no earlier than 60 days before an election, and must be removed within two days after the election. One small security sign may be placed in a mulched bed area of the front and/or back yard. Small window stickers or decals may be displayed in the front of the house to indicate the presence of a handicapped person, a pet, or a security service. Garage and yard sales accompanied with appropriate signage are permitted with prior HP Office approval.

Smoking – Smoking is discouraged outside an owner's dwelling and is not permitted in or on community property, including our Clubhouse, pool and all recreational facilities.

Social Events – Social events are scheduled and offered by various Committees, and are open to all residents and their guests on a space available basis. Events are advertised in Heritage Happenings, our community newsletter, posted on the Clubhouse bulletin boards and listed on the HP website.

Social Event Management:

- Open events require sign-up and payment prior to announced deadlines. Payment is required at the time of sign-up. Each attendee shall pay full price for each event.
- Sign-up and payment may be done either online through the HP website, www.heritagepinesnc.com, or by returning the sign-up sheet with a check to the HP Office. NO cash payments are accepted.
- If an event has space limitations, a waitlist is created and residents are notified if space becomes available.
- Residents may host events, such as memorial services, on a space available basis.
- No religious, political, or exclusionary organization's events may be held in the Clubhouse.

Solar Panels – Subject to ARC prior approval and building code requirements, solar panels may be installed.

Solicitation and Advertising - Solicitation of any sort is not permitted and should immediately be brought to the attention of the HP Office. Advertising is not permitted on community property, in the Heritage Happenings newsletter, or on the HP website.

Speed Limits – Please obey our posted speed limits.

Storage Units – Permanent tents, barns, sheds, gazebos, etc. are not permitted on an owner's lot. A temporary tent to accommodate occasional overnight sleeping for grandchildren is permitted. (See also "Outdoor Storage")

Swimming Pool – We operate a pool and hot tub during the spring and summer seasons. We require residents to familiarize themselves with the pool and hot tub rules, which are posted at the pool and on our website before using the facilities.

Our pool, when in operation, is open for residents and their accompanied guests from dawn to dusk. However, swimming is not permitted during morning organized water activities.

- Glass containers are not permitted in the pool area.
- Alcoholic beverages are not permitted in the hot tub by state law.
- Swimming is not permitted for 30 minutes following thunder being heard.
- Guests under age 14 are allowed from 1pm to 5pm daily, and must be accompanied at all times by a resident.
- No lifeguards are provided by the Community and users swim and use the hot tub at their own risk.

We urge swimmers to follow these guidelines and all posted rules, and to use common sense to ensure everyone around you is also aware and observant of our rules; respect our guest hours; and behave in a manner so that the pool and hot tub can be enjoyed by all. Please bring questions or infractions to the attention of the HP Office. (See also “Recreational Facilities”)

Tree and Shrub Removal and Replacement – Tree and shrub removal is subject to ARC prior approval and a suitable replacement tree and shrub is generally required under local regulations. (See also “Landscaping Changes”)

Unsafe Conditions – Please report any unsafe conditions you observe to the HP Office.

Use Restrictions – This listing of Rules & Regulations condenses many of the “Use Restrictions” found in Article XI of our Covenants, Conditions & Restrictions (CC&R). For a more complete description, please refer to the detailed information provided in the CC&R’s and their Amendments posted on the HP website.

Utilities – Property Owners have responsibility and are liable for any damage to utility or cable lines on their property. The Town of Cary is available to mark utility and cable lines on your property. Please call 311 before digging.

Violations – See “Introduction to Rules and Regulations” above.

Website - The HP HOA website is located at www.heritagepinesnc.com. This website is for the private use of HP residents only, and requires a user name and password for access. The website includes such useful information as HOA documents, copies of current and prior community newsletters, descriptions of available activities, social event pictures, and FAQ’s about living in Heritage Pines. Please contact the HP Offices for needed aid in accessing the website.

Wildlife Feeding – You are asked to not leave tempting treats out for the wildlife as this encourages and adds to our rabbit, squirrel, duck, and goose populations that tend to disrupt the enjoyment of our plants and gardens and befoul our walkways. In short, please do not feed any wildlife as it only encourages more.

Wind Chimes and Windsocks – Wind-driven chimes and windsocks are allowed on porch or patio and in mulched areas as long as the sound isn’t disturbing to neighbors. (See also “Planters and Ornamentation”)

Yard Waste – Curbside pickup by the Town of Cary occurs weekly on garbage day. Leaves, clippings and twigs must be placed in reusable containers or “lawn & leaf” paper bags available at most hardware stores. No plastic bagging is permitted. Branches tied in manageable bundles 4 feet or less will be collected. Town of Cary collection schedules can be found at www.townofcary.org and, also, on the HP website. (See also “Garbage and Recycling”)

HERITAGE PINES COMMITTEES

ARCHITECTURAL STANDARDS – Heritage Pines is an HOA Community. To ensure the community lives up to the expectations of your fellow homeowners, the Architectural Review Committee (ARC) has responsibility for maintaining our high standards. To accomplish that, ARC reviews all projects that might change or modify the exterior appearance of your home, property, or landscaping. The HOA requires that the ARC review and approve your plan before beginning any project. Please familiarize yourself with this process, as it may be new to any of you who have not experienced HOA living previously. Our application form, along with all our rules and regulations, are available at the HP Office and on our website.

BLOCK CAPTAINS – Volunteers who deliver community services to nearby residents. They arrange for American flags to be displayed at each home's mailbox to commemorate national holidays. They are also available to answer new residents' questions.

CLUBHOUSE COMMITTEE – Responsible for planning for and maintaining the upkeep of the Clubhouse building, the swimming pool and deck area, the hot tub, all furniture and fixtures within and outside the Clubhouse, as well as the fenced-in recreational area's land, equipment, and facilities.

COMMUNICATIONS COMMITTEE – Working through the Board to keep all residents informed, the committee oversees and coordinates community information via the Heritage Happenings newsletter, Clubhouse bulletin boards, HP website, and other means of internal communication.

FINANCE COMMITTEE – Prepares our annual budget, monitors performance monthly against budget, reviews our community expenditures, manages our financial reserves, provides a quarterly financial report to residents, and advises the community when extraordinary expenditures arise.

GROUNDS COMMITTEE – Oversees the management, maintenance, repair, and/or replacement of certain HOA areas, including but not limited to the following: storm water and wetland areas; two ponds and respective walkways; fountains; irrigation; trees; turf/shrubbery mulching; and aesthetic improvements. Additionally, the committee manages the implementation of the commercial landscaping contract, which provides numerous services, including shrub shearing and leaf removal from residential lawns. This contract is not all-inclusive, and the committee has prepared documents listing these services, as well as those exterior chores and improvements which the HOA does not provide to homeowners. These chores and services are posted on the HP website.

HOSPITALITY COMMITTEE – Supports members of the community by sending cards to express our concerns when someone becomes ill or injured. Upon request, Hospitality may assist a bereaved family to prepare a reception in the Clubhouse.

NOMINATING COMMITTEE – Under the bylaws, our HOA is required to have a Nominating Committee appointed annually to present candidates for election to fill open positions for the Board of Directors. It encourages candidates to run for open positions, reviews and interviews candidates, and coordinates

candidates night when those seeking positions present themselves to the community and answer questions from residents.

SOCIAL COMMITTEE – Responsible for most scheduled public events. Participation in scheduled events is open to all residents. Some events charge an attendance fee to cover costs and require payment in order to register. Some events have attendance limitations and operate on a first come basis with a waitlist, if needed. Guests are welcome if space is available.

WELCOME COMMITTEE – Meets with new residents soon after their arrival to deliver our Welcome Package and answer questions. Informs the HP Office of contact information, so that a time may be scheduled for residents to meet with an office staff member in order to receive key fobs for access to the Clubhouse and other community areas. (See also “Orientation”)
