The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and in particular for the acquisition, improvement and maintenance of the Common Areas, driveways, walks and parking areas situated on the Common Area, the cutting and removal of weeds and grass, the removal of trash and rubbish or any other maintenance of Common Areas and maintenance and landscaping of the of the Common Areas, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments levied against the Common Area, the payment of Common Expenses, the procurement and maintenance of insurance in accordance with this Declaration or bylaws, the employment of attorneys to represent the Association when necessary, the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving and any other expense for which the Association is responsible, and such other needs as may arise.

The Association shall establish and maintain an adequate reserve fund or funds for the periodic maintenance, repair and replacement of improvements to the Common Area and those other portions of the properties which the Association may be obligated to maintain. Such reserve fund is to be established out of regular or special assessments for Common Expense for the Owners of the kind of Lots that require the reserve fund or funds.

Section 4. Budget Ratification. Within thirty (30) days after adoption of any proposed budget for the planned community, the executive board of the Association shall provide to all the Lot Owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The board shall set a date for the meeting of the Lot Owners to consider ratification of the budget, said meeting to be held not less than 10 nor more than 60 days after mailing of the summary and notice. There is no requirement that a quorum be present. The budget is considered ratified unless at that meeting the super-majority of all the Lot Owners in the Association specified in Sections 6(a) and (b) rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Lot Owners shall be continued until such time as the Lot Owners ratify a subsequent budget proposed by the board.

Section 5. Maximum Annual Assessment. The maximum initial annual assessment for detached single family Lots shall be the sum of \$300.00.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessments may be increased effective January 1 of each year by no more than 10% of the previous year's assessment, unless the Owners of 90% of the Lots reject the budget.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment for Lots may be increased above the increase permitted in Section 5(a) above unless Owners of Lots representing 67% or more of the Lots reject the increase.

Section 6. Special Assessments for Capital Improvements. In addition to the assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, and in connection with exterior maintenance, including fixtures and personal property related thereto, provided that any such assessment shall have assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 7. Emergency Special Assessments. In the event of an Emergency (as hereafter defined), the Board, on behalf of the Association, in the Board's sole discretion, may levy an Emergency Assessment for the purpose of taking preventative, protective, stabilizing, or remedial actions to protect the Common Areas, streets or any improvements located thereon, and to further reconstruct, repair or replace any portion of the property, streets or improvements following such Emergency. For purposes of this Section, Emergency includes, but is not limited to, hurricanes, tornadoes, flooding, fires, acts of God or other naturally occurring phenomena. An Emergency assessment shall be due and payable as established by the Board of Directors.

Section 8. Notice and Quorum for any Action authorized under Sections 5 and 6. Unless specifically provided otherwise, written notice of any meeting called for the purpose of taking any action authorized under Section 5 or 6 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. Unless specifically provided otherwise, at the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. This provision shall continue to reduce the quorum by one-half from that required by the previous meeting, as previously reduced, until such time as a quorum is present and business can be conducted. No such subsequent meeting shall be more

than 60 days following the preceding meeting.

Section 9. Uniform Rate of Assessment. Both annual and special assessments shall, except as herein otherwise specifically provided, be fixed at a uniform rate for all Lots and may be collected on an annual, semi-annual, quarterly or monthly basis as determined by the Board of Directors. Provided, however, that the assessment for Lots owned by Declarant for which no certificate of occupancy has been issued shall be twenty-five percent (25%) of the regular assessments for other Lots.

Section 10. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following recordation of the map wherein such Lot is shown. Said annual assessments shall be paid ratably on an annual, semi-annual, quarterly or monthly basis as determined by the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The Due dates shall be established by the Board of Directors. Within ten (10) business days after receipt of a request, the Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid. Any certificate so given shall be conclusive evidence of payment of the assessment stated therein and is binding on the Association, the executive board and every Lot Owner.

Section 11. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid for a period of thirty (30) days or longer after the due date shall bear interest of 1.5% (percent) per month from the due date and shall constitute a lien on that Lot when a claim of lien is filed of record in the office of the Wake County Clerk of Superior Court in the manner provided in G.S. 47F-3-116(g). The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property and in either event interest, costs and reasonable attorney's fees of any such action shall be added to the assessment. Foreclosure is to be in the same manner as that of Deeds of Trust, foreclosed under

Article 2A of Chapter 45 of the North Carolina General Statutes. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. Should any deficiency remain after the foreclosure, the Association may also bring an action against the Owner for said deficiency.

Section 12. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and ad valorem taxes. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to such mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 13. Exempt property. All Properties dedicated to, and accepted by, a local public authority and all Properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 14. Working capital Fund. At the time of closing of the sale of each Lot by the builder/original purchaser, a sum equal to at least two months assessment for each Lot shall be collected from the home buyer/purchaser and transferred to the Association to be held as a working capital fund. The purpose of said fund is to insure that the Association Board will have adequate cash available to meet unforeseen expenses, and to acquire additional equipment or services deemed necessary or desirable. Amounts paid into the fund shall not be considered advance payment of regular assessments.

Section 15. Dues Paid In Advance. The annual assessments provided for herein shall commence as to Lots being purchased at the time of recordation of a deed from the Declarant to a new owner, pro rated to the first day of the month following said recordation. An amount equivalent to one annual assessment (prorated to the end of the Association's fiscal year), plus

any working capital collections, shall be collected at the time of closing to the ultimate consumer referred to in this Section. Such annual assessments shall be paid ratably on an annual basis and shall be collected at the time of purchase by the ultimate consumer, also referred to as the home buyer/purchaser.

In the event this work is not done, the Association shall have the authority, but not the obligation, to perform this work in lieu of the Owner and assess the cost to the Owner through the Association, including any legal fees and administrative costs incurred by the Association. In addition, any alteration of the landscaping of the front and/or side yards must be approved by the Architectural Committee of the Association.

(f) No yard art, including plastic flowers, which is visible from the street, may be displayed on any Lot without the prior written approval of the Architectural Committee of the Association.

During the construction phase, the builder shall keep the Lot clean and maintain a dumpster or fenced area for the construction debris, so that the Lot is free from debris other than that contained in those areas. The fenced area must be cleaned at least once a week. Upon completion of the construction of a house, the builder shall establish a seeded or sodded lawn area and shall maintain that area in keeping with the requirements under Article VI (e) herein. At the commencement of construction at a Lot, the builder shall install silt fencing and all other Lot protection required by the Town of Rolesville or by proper

environmental practices.

(k) No noxious or offensive trade, activity, or language shall be carried on upon any Lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. Except for unit identification numbers required by the Town of Rolesville, no billboards shall be erected or maintained on the premises. No more than one sign, not larger than five square feet in size is to be placed on any lot; only for sale or for rent signs are permitted. No trade materials or inventories may be stored upon the premises and no trucks or tractors may be stored on the premises. No business activity or trade of any kind whatsoever, which shall include but not be limited to the use of any residence as a doctor's office or professional office of any kind, a fraternity house, a rooming house, a boarding house, an antique shop or gift shop shall be carried on upon any Lot. Any business activity or trade that causes undue traffic, noise, outward signs of non-residential use or has any employee shall be prohibited.

(l) Declarant shall require the minimum standard landscaping package for each lot to include at least four (4) trees of a specific variety and size. These trees shall be planted in all front and or side yards. Additionally, all front and side yards must be sodded in a timely manner, as permitted by seasonal restrictions. Specific minimum landscaping guidelines shall be provided to builder by the Declarant prior to the closing of the first lots.

All policies shall be written with a company authorized to do business in North Carolina.

By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risk casualty insurance on the Lot(s) and structures constructed thereon. Each Owner further covenants and agrees that in the event of a partial loss or damage (defined as cost of repair less than 50% of the current tax value), resulting in less than total destruction (defined as cost of repair valued at greater than or equal to 50% of the current tax value) of structures

comprising his Lot, the Owner shall proceed, within 60 days of the casualty, to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration. The Owner shall pay any costs or repair or reconstruction, which are not covered by insurance proceeds. In the event that the structure is totally destroyed, the Owner may decide not to rebuild or to reconstruct, in which case the Owner, within 45 days of the casualty, shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with the community-wide Standard.

ARTICLE VIII

All of the Properties, including Lots and Common Areas, shall be subject to such easements for driveways, walkways, parking area, water lines, sanitary sewers, storm drainage facilities, gas lines, telephone and electric power lines and other public utilities as shall be established by the Declarant or by his predecessors in title, prior to the conveyance of the individual lots to Owners and the Common Area to the Association; and the Association shall have the power and authority to grant and establish upon, over, under, and across the Common Areas conveyed to it, such further easements as are requisite for the convenient use and enjoyment of the Properties. That number of candidates equal to the number of positions to be filled receiving the greatest number of votes shall be elected. Directors may be elected to serve any number of consecutive terms.

3.5. Election and Term of Office.

Notwithstanding any other provision of these By-Laws:

(a) Within 30 days after the time that Class "A" Members other than Builders own 67% of the Units proposed by the Master Plan for the property described in Exhibits "A" and "B" of the Declaration, or whenever the Class "B" Member earlier determines, the President shall call for an election by which the Class "A" Members shall be entitled to elect one of the three directors. Upon termination of the Class "B" membership, the director elected by the Class "B" Member shall resign and the remaining directors shall be entitled to appoint a director to serve until the next annual meeting, at which the Class "A" Members shall be entitled to elect a director to fill such position. Such director shall be elected for a term of two years.

Any director elected by the Class "A" Members may be removed, with or without cause, by Members holding a majority of the votes entitled to be cast for his or her election. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director, a successor shall be elected by the Class "A" Members to fill the vacancy for the remainder of the term of such director.

Any director elected by the Class "A" Members who has three or more consecutive unexcused absences from Board meetings, or who is more than 30 days delinquent (or is the representative of a Member who is so delinquent) in the payment of any assessment or other charge due the Association, may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and the Board may appoint a successor to fill the vacancy for the remainder of the term.

In the event of the death, disability, or resignation of a director elected by the Class "A" Members, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time the Class "A" Members shall elect a successor for the remainder of the term.

This Section shall not apply to directors appointed by the Class "B" Member nor to any director serving as a representative of the Declarant. The Class "B" Member shall be entitled to appoint a successor to fill any vacancy on the Board resulting from the death, disability or resignation of a director appointed by or elected as a representative of the Class "B" Member.

B. Meetings.

3.7. Organizational Meetings.

The first meeting of the Board following each annual meeting of the membership shall be held within 10 days thereafter at such time and place as the Board shall fix.

3.8. Regular Meetings.

Regular meetings of the Board may be held at such time and place as a majority of the directors shall determine, but at least four such meetings shall be held during each fiscal year with at least one per quarter. Notice of the time and place of a regular meeting shall be communicated to directors not less than four days prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

3.9. Special Meetings.

Special meetings of the Board of Directors shall be held when called by written notice signed by the President or Vice President or by any two directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by: (a) personal delivery; (b) first class mail, postage prepaid; (c) telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; or (d) facsimile, computer, fiberoptics or such other communication device. All such notices shall be given at the director's telephone number, fax number, electronic mail number, or sent to the director's address as shown on the records of the Association. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting also shall be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.11. Telephone Participation in Meetings.

Members of the Board or any committee designated by the Board may participate in a meeting of the Board or committee by means of conference telephone or similar communications equipment, by means of which all persons participating in the

3.12. Quorum of Board of Directors.

At all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these By-Laws or the Declaration. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors present at such meeting may adjourn the meeting to a time not less than 5 nor more than 30 days from the date of the original meeting. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

3.13. Compensation.

Directors shall not receive any compensation from the Association for acting as such. Any director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other directors. Nothing herein shall prohibit the Association from compensating a director, or any entity with which a director is affiliated, for services or supplies furnished to the Association in a capacity other than as a director pursuant to a contract or agreement with the Association, provided that such director's interest was made known to the Board prior to entering into such contract and such contract was approved by a majority of the Board of Directors, excluding the interested director.

3.14. Conduct of Meetings.

The President shall preside over all meetings of the Board, and the Secretary, by agent or otherwise, shall keep a minute book of Board meetings, recording all Board resolutions and all transactions and proceedings occurring at such meetings.

C. Powers and Duties.

If a timely challenge is not made, the sanction stated in the notice shall be imposed; provided, the Board may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the 10-day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.
