- 1 Until such time as Declarant shall no longer be a Class B Member of the Association, no dwelling or other structure or other improvements (the "Improvements") shall be erected, placed or altered on any Properties, or in any addition thereto, until the Improvements' plans and specifications for such Lot and the Lot plan for such Lot (showing the location of such Improvements on the Lot) and the Landscaping Plan for such Lot (collectively, the "Plans") have been approved in writing by the Declarant as to conformity and harmony of external design with existing (and approved or proposed) Improvements in the Properties, and as to location of the improvements with respect to topography and finished ground elevation. Such written approval from the Declarant must be obtained prior to commencing clearing, grading or construction of any kind on a Lot. All Improvements shall comply with the plans as presented unless changes are approved in writing by the Declarant. The written approval of Declarant shall also be required prior to erecting, placing or altering mail boxes, signs and newspaper boxes upon any lot. All roof pitches for a dwelling and/or garage on any Lot must be approved by Declarant. Anything herein to the contrary notwithstanding, during the initial development

of the Properties, Declarant may limit its review to a review of a typical set of Plans and Specifications and Materials for the proposed residence type proposed by a Contract Seller or a Builder to be built within the Subdivision, and, upon Declarant's written approval of such typical Plans, Specifications, and Materials, residences may be constructed in the Subdivision consistent with such approved Plans, Specifications, and Materials without the requirement of further review by the Declarant. Only Builders approved by Declarant shall be used to construct homes in the development. Declarant reserves the right to require that the Builder of each residence in the Subdivision is a member of the then current approved Builder Team for the Development.

Upon or prior to the date upon which Declarant shall cease to be a Class B Member of the Association, the Declarant shall form an "Architectural Review Committee" for the Properties (herein referred to as the "Committee"), which said Committee shall be composed of three (3) members appointed by the Declarant. Thereafter the members of the Committee shall be appointed by the Board of Directors of the Association, each such member to serve for a term of one (1) year, said term to expire upon the date of the annual meeting of the Association. Each member of the Committee shall have one (1) vote and a majority vote of the Committee shall be required to constitute Committee action on any issue brought before the Committee. Upon the date upon which Declarant shall no longer be a Class B Member of the Association, the Committee shall assume and be responsible for all of the approvals and responsibilities set forth in subparagraph 1 of paragraph A of this Article with regard to Architectural Control within the Properties, provided, however, that the Declarant shall retain the exclusive right to approve all initial dwellings and lot improvements, including, but not limited to, house location, landscape plan and initial exterior colors and materials on the dwelling until the last dwelling in the Subdivision is approved and constructed. Upon approval by the Committee of the Plans as herein provided, the Committee shall evidence its approval in writing by memorandum or directly upon such Plans and the applicant Owner may then commence construction in accordance with such plans. The Committee shall approve or reject in writing any Plans within thirty (30) business days after the receipt of the submitted plans.

- B. Limitation of Liability. No approval of Plans by Declarant or by the Committee shall be construed as a representation, warranty or implication that the Improvements, if built in accordance therewith, will be free from defects, shall meet applicable codes and laws, or will be built in a good and workmanlike manner. Any approvals of the Declarant or of the Committee shall be concerned solely with matters of aesthetics and the satisfaction of the requirements set forth in the Declaration. None of the Declarant, the Association, the Committee, the Board of Directors, or the officers of Members of the Association, shall be liable or responsible to anyone submitting Plans for approval for any loss or damage arising out of or related to the approval, disapproval or failure to approve any such Plans, the noncompliance of such Plans with applicable codes and laws, or the construction undertaken pursuant to such Plans. Any such Special Assessment shall be levied equally on the Lots owned by Owners other than the Declarant. Declarant shall not be required to pay any Special Assessments. Any Special Assessment so levied shall be payable in accordance with the terms set forth in the motion approving such Special Assessment.

- H The Effect of Non-Payment of Assessments. Remedies of the Association. Each Owner, other than Declarant, shall be deemed to covenant and agree to pay to the Association the assessments (both Annual Assessments and Special Assessment) provided for in the Declaration, and each agrees to the enforcement of the assessments in the manner herein specified. If any Annual Assessment or Special Assessment owned by an Owner shall not be paid within ten (10) days next immediately following the due date for such assessment, such delinquent Owner shall pay to the Association interest on the delinquent amount from the date of delinquency (the due date of the assessment) through the date of payment equal to the highest rate of interest per annum by law allowed on such delinquent amount. Should any Owner's check for any assessment be returned by such Owner's financial institution because of insufficient funds in such Owner's account, then in such event, such Owner shall pay to the Association an administrative fee in the sum of \$25.00 for each such check returned, said administrative fee to be in addition to any assessment and accrued interest due from such Owner to the Association. In the event the Association employs attorneys for collection of any assessment against an Owner, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of the Declaration by an Owner, each such Owner agrees to pay interest on all delinquent amounts from the date of the delinquency through the date of payment equal to the highest rate of interest per annum by law allowed on such amount, together with reasonable attorney's fees and cost thereby incurred, as well as, any other amounts due and any other relief or remedy obtained against said Owner, including reasonable attorney's fees and court costs and expenses incurred thereby. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or by abandonment of his/her Lot. In the event of a default in payment of any such assessment when due, the assessment shall be deemed delinquent if not paid within ten (10) days, and, in addition to any other remedies herein or by law provided, the Association may (i) prohibit the Owner, the members of the Owner's family and any guests or any tenants of the Owner from using any Common Areas, and (ii) enforce each such obligation in any manner provided by law or in equity, specifically including but not limited to, any of the following:

- 1 Enforcement by Suit. The Board of Directors may cause a suit at law to be commenced and maintained in the name of the Association against an Owner to enforce each such assessment obligation. Any judgment rendered in any such action shall include the amount of the delinquency, together with interest thereon at the highest rate by law permitted from the date of delinquency, administrative fees, court costs and reasonable attorney's fees.
- 2 Enforcement by Lien. There is, to the full extent permitted by law, hereby created a lien, with power of sale, on each Lot within the Properties to secure payment to the Association of any and all assessments levied against all Owners of such Lots under the Declaration, together with interest thereon at the highest rate by law provided from the date of delinquency and all costs of collection which may be paid or incurred by the Association in connection therewith, including administrative fees and reasonable attorney's fees. At any time after the occurrence of any default in the payment of any assessment the Association, or any authorized representative of the Association, may, but shall not be required to, make a written demand for payment to the defaulting Owner on behalf of the Association. Said demand shall state the date of the assessment was due and the amount of delinquency. Each default shall constitute a separate basis for a demand or claim of lien, but any number of defaults may be included within a single demand or claim of lien. If such delinquency is not paid within ten (10) days after delivery of such demand, the Board of Directors may elect to file such a claim of lien in the appropriate State and/or Wake County offices (i.e., Office of the Clerk of Superior Court and/or Office of the Register of Deeds of Wake County, North Carolina) on behalf of the Association against the Lot of the defaulting Owner. Such a claim of lien shall be executed and acknowledged by any officer of the Association, or an agent or attorney designated by the Board, and shall contain the following information:

**E Date of Commencement of Annual Assessments** Annual Assessments shall be imposed on the Lots owned by Owners other than Declarant from and after closing and shall be paid by the Owners and collected by the Association in advance each year Annual Assessments shall be paid, and collected annually, on or before March 15 of each year Subject to the provisions of Paragraph E below, Annual Assessment for a Lot owned by an Owner other than a Contract Seller or Builder, shall commence beginning on the first day next immediately following the date upon which such Owner shall have closed (shall have taken title to) upon the purchase of such Lot, prorated for any portion of the year remaining

- 1 Land Use and Building Type - Residential Purposes Only Except for the Common Areas, no Lot on the Properties shall be used for any purpose other than single-family residential purposes, unless otherwise shown on the recorded plats/maps of the Subdivision. Such restriction shall not prohibit the maintenance and occupancy of any model homes, temporary sales trailers or offices, or temporary construction trailers on the Lots, subject to the prior approval of the Declarant. No portion of a Lot shall be used for business, manufacturing or commercial purposes, nor shall any merchandise be kept or allowed to remain on a Lot for commercial purposes. Each Owner shall maintain his or her buildings, improvements, landscaping and grounds in a safe, clean and orderly fashion.

Chickens may not roam free and must be kept in cages and pens per the subdivision's rules and regulations. Such domestic pets shall be kept under the control of the Owner of such pets or his/her guests. Upon the recordation of a duly executed original or copy of such a claim of lien in the Office of the Clerk of Superior Court in Wake County, North Carolina, and the mailing of a copy thereof by certified mail, postage prepaid, to said defaulting Owner at the last know address of said Owner on the books of the Association, the lien claimed therein shall immediately attach and become effective in favor of the Association as a lien upon the Lot against which such assessment was levied and such lien shall have priority over all liens or claims created subsequent to recordation of the claim of lien thereof, except only tax liens for real property taxes on any Lot, assessments on any Lot in favor of any municipal, county or other governmental assessment unit, and the liens which are hereinafter specifically described in Paragraph I hereinbelow. Any such lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of a deed of trust as set forth by the laws of the State of North Carolina, as the same may be changed or amended. - I. Subordination of the Lien to Mortgagees. The liens provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust on a Lot. Sale or transfer of any Lot shall not affect the lien for delinquent assessments, however, the sale or transfer of any Lot pursuant to a foreclosure of a first mortgage or first deed of trust, or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessment as to the payment thereof which became due prior to the date of such conveyance. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust. Any such foreclosure of a Lot shall not extinguish the personal obligation of the Owner against whom such foreclosure proceeding was brought to pay any and all assessments due for such Lot.
