

**LOT(S) 18 SECTION 2 BLOCK --- PHASE ---
SUBDIVISION DEERFIELD PARK
AS RECORDED IN B.M. 1977, PG. 289
OF THE WAKE COUNTY REGISTER OF DEEDS.**

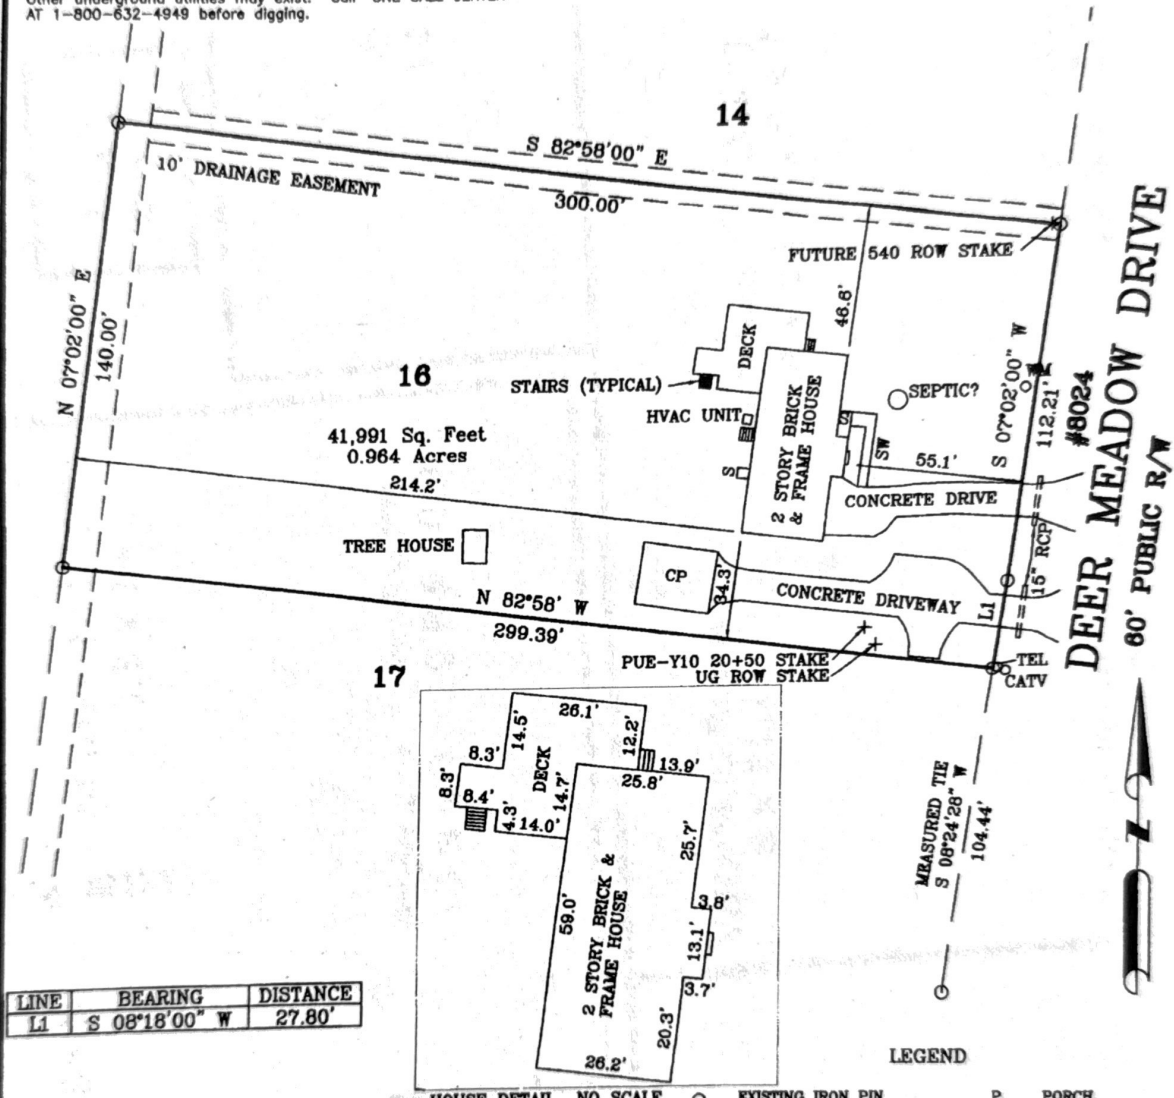

This map is drawn from an actual survey made by me based on information found in the above referenced record document(s) and is correct to the best of my knowledge. The unadjusted ratio of precision is 1 / 10 000+. This map does not meet the standards for record plat as per GS47-30 and is not to be recorded or used in conveyance without written permission from the surveyor and appropriate town officials.

Jeffrey W. Spiller, Professional Land Surveyor

Note: Only utilities with visible evidence located. Underground utility lines shown are approximate and extent & may be incomplete. Excavation may be required to verify locations. Other underground utilities may exist. Call "ONE CALL CENTER" AT 1-800-632-4949 before digging.

NOTES:

- 1) Areas are by coordinate computation.
- 2) Distances are horizontal ground distances.
- 3) North arrow is referenced to recorded document above unless otherwise noted.
- 4) Building / house tie(s) are perpendicular to property lines unless otherwise noted.
- 5) Bearings and distances of title lines shown are from record plats and/or deeds.
- 6) Field measurements are shown in parentheses where significant differences exist from record lot, or where record lot does not close mathematically.
- 7) All adjoining property owner information is taken from databases in the public domain and should be known as NOW or FORMERLY.
- 8) No part of the Lot(s) shown on this map is(are) in a FEMA Mapped Flood Plain Area
