©2026 Due to fluctuating market conditions influencing component pricing and availability, as well as the nature of the custom homebuilding process utilizing original, untested plans, Legacy Custom Homes reserves the right to make specific product substitutions of equal or greater value (as determined by Legacy) and make minor plan modifications as needed based on circumstances discovered during construction. Buyers will be notified of these substitutions prior to implementation, and if Buyers elect to decline this substitution or modification, they agree to pay the additional costs that may be incurred by Legacy. **In addition, all pricing is based on using the Legacy's Customary Vendors and their available selections. If a specialty item is requested by the Buyer and requires going to an outside 3rd party, any and all additional costs over the available product from a Legacy vendor will be due and payable by Buyer. Additional items are available at an additional cost. Please see builder representative for details. 3/26**
