Article I
Name, Principal Office, and Definitions

Section 1. Name. The name of the Association shall be Hedingham Community Association (hereinafter sometimes referred to as the "Association").

Section 2. Principal Office. The principal office of the Association shall be located in Wake County. The Association may have such other offices, either within or outside Wake County, as the Board of Directors may determine or as the affairs of the Association may require.

Section 3. Definitions. The words used in these By-Laws shall have the same meaning as set forth in that Declaration of Covenants, Conditions, and Restrictions for Hedingham (said Declaration, as amended, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), unless the context shall prohibit.

Article II
Association: Membership, Meetings, Quorum, Voting, Proxies

Section 1. Membership. The Association shall have three (3) classes of membership, Class "A," Class "B" and Class "C," as more fully set forth in the Declaration, the terms of which pertaining to membership are specifically incorporated herein by reference.

Section 2. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board of Directors either within the Properties or as convenient thereto as possible and practical.

Section 3. Annual Meetings. The first meeting of the Association, whether a regular or special meeting, shall be held within one (1) year from the date of incorporation of the Association. Meetings shall be of the Voting Members or their alternates. Subsequent regular annual meetings shall be set by the Board so as to occur at least ninety (90) but not more than one hundred twenty (120) days before the close of the Association's fiscal year on a date and at a time set by the Board of Directors.

Section 4. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of a majority of a quorum of the Board of Directors or upon a petition signed by Voting Members representing at least ten

percent (10%) of the total Class "A" votes of the Association. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. Written or printed notice stating the place, day, and hour of any meeting of the Voting Members shall be delivered, either personally or by mail, to each Voting Member entitled to vote at such meeting, not less than ten (10) nor more than fifty (50) days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting.

In the case of a special meeting or when required by statute, these By-Laws, or the Declaration, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Voting Member at his address as it appears on the records of the Association, with postage thereon prepaid.

Section 6. Waiver of Notice. Waiver of notice of a meeting of the Voting Members shall be deemed the equivalent of proper notice. Any Voting Member may, in writing, waive notice of any meeting of the Voting Members, either before or after such meeting. Attendance at a meeting by a Voting Member or alternate shall be deemed waiver by such Voting Member of notice of the time, date, and place thereof, unless such Voting Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed waiver of notice of all business transacted thereat unless objection to the calling or convening of the meeting, of which proper notice was not given, is raised before the business is put to a vote.

Section 7. Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the Voting Members who are present at such meeting, either in person or by alternate, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Voting Members in the manner prescribed for regular meetings.

Section 8. Voting. The voting rights of the Members and Recreational Members shall be as set forth in the Declaration, and such voting rights provisions are specifically incorporated herein.

Section 9. Proxies. Voting Members may not vote by proxy but only in person or through their designated alternates.

Section 10. Majority. As used in these By-Laws, the term "majority" shall mean those votes, owners, or other group as the context may indicate totalling more than fifty percent (50%) of the total number.

The Voting Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Voting Members to leave less than a quorum, provided that Voting Members or their alternates representing at least twenty-five percent (25%) of the total Class "A" votes of the Association remain in attendance, and provided further that any action taken is approved by at least a majority of the Members required to constitute a quorum.

Section 11. Quorum. Except as otherwise provided in these By-Laws or in the Declaration, the presence in person or by alternate of the Voting Members representing a majority of the total vote of the Association shall constitute a quorum at all meetings of the Association. Any provision in the Declaration concerning quorums is specifically incorporated herein.

Section 12. Conduct of Meetings. The President shall preside over all meetings of the Association, and the Secretary shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting, as well as a record of all transactions occurring at the meeting.

Section 13. Action Without A Meeting. Any action required by law to be taken at a meeting of the Voting Members, or any action which may be taken at a meeting of the Voting Members, may be taken without a meeting if written consent setting forth the action so taken is signed by all of the Voting Members entitled to vote with respect to the subject matter thereof, and any such consent shall have the same force and effect as a unanimous vote of the Voting Members.

Article III

Board of Directors: Number, Powers, Meetings

A. Composition and Selection.

Section 1. Governing Body: Composition. The affairs of the Association shall be governed by a Board of Directors, each of whom

shall have one (1) vote. Except with respect to directors appointed by the Class "B" Member or selected by the Class "C" Members, the directors shall be Members or spouses of such Members; provided, however, no person and his or her spouse may serve on the Board at the same time. In the case of an Owner which is a corporation or partnership, the person designated in writing to the secretary of the Association as the representative of such corporation or partnership shall be eligible to serve as a director.

Section 2. Directors During Class "B" Control Period. Subject to the provisions of Section 6 below, the directors shall be selected by the Class "B" Member acting in its sole discretion and shall serve at the pleasure of the Class "B" Member until the first to occur of the following:

(a) when seventy-five percent (75%) of the Units permitted by the Master Land Use Plan for the property described on Exhibits "A" and "B" of the Declaration have certificates of occupancy issued thereon and have been conveyed to Persons other than the Declarant or builders holding title solely for purposes of development and sale;

(b) December 31, 1999; or

(c) when, in its discretion, the Class "B" Member so determines.

Section 3. Right To Disapprove Actions. This Section 3 may not be amended without the express, written consent of the Class "B" Member as long as the Class "B" membership exists.

So long as the Class "B" membership exists, the Class "B" Member shall have a right to disapprove actions of the Board and any committee, as is more fully provided in this Section. This right shall be exercisable only by the Class "B" Member; its successors, and assigns who specifically take this power in a recorded instrument. The right to disapprove shall be as follows:

No action authorized by the Board of Directors or any committee shall become effective, nor shall any action, policy, or program be implemented until and unless:

(a) The Class "B" Member shall have been given written notice of all meetings and proposed actions approved at meetings of the Board or any committee thereof by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, as it may change from time to time, which notice complies as to the Board of Directors meetings with Article III, Section 8, 9, and

10, of these By-Laws and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at said meeting; and

(b) The Class "B" Member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program to be implemented by the Board, any committee thereof, or the Association. The Class "B" Member, its representatives or agents shall make its concerns, thoughts, and suggestions known to the members of the subject committee and/or the Board. The Class "B" Member shall have and is hereby granted a right to disapprove any such action, policy, or program authorized by the Board of Directors or any committee thereof and to be taken by the Board, such committee, the Association, or any individual member of the Association, if Board, committee, or Association approval is necessary for such action. This right may be exercised by the Class "B" Member, its representatives, or agents at any time within ten (10) days following the meeting held pursuant to the terms and provisions hereof. This right to disapprove may be used to block proposed actions but shall not extend to the requiring of any action or counteraction on behalf of any committee, or the Board or the Association. The Class "B" Member shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

Section 4. Number of Directors. The number of directors in the Association shall be not less than three (3) nor more than five (5), as provided in Section 6 below. The initial Board shall consist of three (3) members as identified in the Articles of Incorporation.

Section 5. Nomination of Directors. Except with respect to directors selected by the Class "B" Member or the Class "C" Members, nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and three (3) or more Members of the Association, with at least one (1) representative from each Voting Group. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Voting Members to serve a term of one (1) year or until their successors are appointed, and such appointment shall be announced

at each such annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of positions to be filled. The Nominating Committee shall nominate separate slates for the directors to be elected at large by all Voting Members, and for director(s) to be elected at large by and from each Voting Group. Nominations for each slate shall also be permitted from the floor. All candidates shall have a reasonable opportunity to communicate their qualifications to the Voting Members and to solicit votes.

Section 6. Election and Term of Office. Notwithstanding any other provision contained herein:

(a) Within thirty (30) days after the time Class "A" Members, other than the Declarant or a builder holding title solely for purposes of development and sale, own twenty-five percent (25%) of the Units permitted by the Master Land Use Plan for the property described in Exhibits "A" and "B" or whenever the Class "B" Member earlier determines, the Association shall call a special meeting at which Voting Members representing the Class "A" Members shall elect one (1) of the three (3) directors, who shall be an at-large director. The remaining two (2) directors shall be appointees of the Class "B" Member. The director elected by the Voting Members shall not be subject to removal by the Class "B" Member acting alone and shall be elected for a term of two (2) years or until the happening of the event described in subsection (b) below, whichever is shorter. If such director's term expires prior to the happening of the event described in subsection (b) below, a successor shall be elected for a like term.

(b) Within thirty (30) days after the time Class "A" Members, other than the Declarant or a builder holding title solely for purposes of development and sale, own fifty percent (50%) of the Units permitted by the Master Land Use Plan for the property described in Exhibits "A" and "B," or whenever the Class "B" Member earlier determines, the Board shall be increased to five (5) directors. The Association shall call a special meeting at which Voting Members representing the Class "A" Members shall elect two (2) of the five (5) directors, who shall serve as at-large directors. The remaining three (3) directors shall be appointees of the Class "B" Member. The directors elected by the Voting Members shall not be subject to removal by the Class "B" Member acting alone and shall be elected for a term of two (2) years or until the happening of the event described in subsection (c) below, whichever is shorter. If such directors' terms expire prior to the happening

of the event described in subsection (c) below, successors shall be elected for a like term.

(c) Within thirty (30) days after termination of the Class "B" Control Period, the Association shall call a special meeting at which Voting Members representing the Class "A" Members shall elect three (3) of the five (5) directors, who shall serve as at-large directors. The remaining two (2) directors shall be appointees of the Class "B" Member. The directors elected by the Voting Members shall not be subject to removal by the Class "B" Member acting alone and shall serve until the first annual meeting following the termination of the Class "B" Control Period. If such annual meeting occurs within thirty (30) days after termination of the Class "B" Control Period, this subsection shall not apply and directors shall be elected in accordance with subsection (d) below.

(d) At the first annual meeting of the membership after the termination of the Class "B" Control Period, the directors shall be selected as follows: One (1) director shall be elected by the Class "C" Members. Four directors shall be elected by the Voting Members representing both Class "A" and Class "B" Members, with an equal number of directors elected from each Voting Group and any remaining directorships filled at large by the vote of all Voting Members. Three directors shall be elected for a term of two (2) years and two (2) directors shall be elected for a term of one (1) year. At the expiration of the initial term of office of each member of the Board of Directors and at each annual meeting thereafter, a successor shall be elected to serve for a term of two (2) years.

Each Voting Member shall be entitled to cast one (1) vote with respect to each vacancy to be filled from each slate on which such Voting Member is entitled to vote. There shall be no cumulative voting. The candidate(s) receiving the most votes shall be elected. The directors elected by the Voting Members shall hold office until their respective successors have been elected by the Association. Directors may be elected to serve any number of consecutive terms.

Section 7. Removal of Directors and Vacancies. Any director elected by the Voting Members may be removed, with or without cause, by the vote of Voting Members holding a majority of the votes entitled to be cast for the election of such director. Any director whose removal is sought shall be given notice prior to any

meeting called for that purpose. A director who was elected at large solely by the votes of Voting Members other than the Declarant may be removed from office prior to the expiration of his or her term only by the votes of a majority of Voting Members other than the Declarant. Upon removal of a director, a successor shall then and there be elected by the Voting Members entitled to elect the director so removed to fill the vacancy for the remainder of the term of such director.

Any director elected by the Voting Members who has three (3) consecutive unexcused absences from Board meetings or who is delinquent in the payment of any contribution or other charge due the Association for more than thirty (30) days may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board to fill the vacancy for the remainder of the term. In the event of the death, disability, or resignation of a director, a vacancy may be declared by the Board, and it may appoint a successor. Any director appointed by the Board shall be selected from the Voting Group represented by the director who vacated the position and shall serve for the remainder of the term of such director.

B. Meetings.

Section 8. Organizational Meetings. The first meeting of the Board of Directors following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

Section 9. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the directors, but at least four (4) such meetings shall be held during each fiscal year with at least one (1) per quarter. Notice of the time and place of the meeting shall be communicated to directors not less than four (4) days prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 10. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President of the Association or by any three (3) directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the

director; or (d) by telegram, charges prepaid. All such notices shall be given at the director's telephone number or sent to the director's address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, or telegraph shall be delivered, telephoned, or given to the telegraph company at least seventy-two (72) hours before the time set for the meeting.

Section 11. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 12. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 13. Compensation. No director shall receive any compensation from the Association for acting as such unless approved by Voting Members representing a majority of the total Class "A" vote of the Association at a regular or special meeting of the Association; provided any director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other directors.

Section 14. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors,

recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings.

Section 15. Open Meetings. Subject to the provisions of Section 16 of this Article, all meetings of the Board shall be open to all Voting Members, but Voting Members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a director. In such case, the President may limit the time any Voting Member may speak. Notwithstanding the above, the President may adjourn any meeting of the Board of Directors and reconvene in executive session, excluding Voting Members, to discuss matters of a sensitive nature, such as pending or threatened litigation, personnel matters, etc.

Section 16. Action Without a Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 17. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do or cause to be done all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the Voting Members or the membership generally.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board of Directors.

The Declarant, or an affiliate of the Declarant, may be employed as managing agent or manager.

The annual report referred to above shall be prepared on an audited or reviewed basis, as determined by the Board, by an independent public accountant; provided, upon written request of any

holder, guarantor or insurer of any first Mortgage on a Unit, the Association shall provide an audited financial statement.

Section 20. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of maintenance, repair or restoration of the Area of Common Responsibility without the approval of the Voting Members of the Association. The Board shall also have the power to borrow money for other purposes; provided, Board shall obtain Voting Member approval in the same manner provided in Article X, Section 4, of the Declaration for special contributions in the event that the proposed borrowing is for the purpose of modifying, improving, or adding amenities and the total amount of such borrowing exceeds or would exceed five percent (5%) of the budgeted gross expenses of the Association for that fiscal year. Notwithstanding anything to the contrary contained in the Declaration, these By-Laws, or the Articles of Incorporation, during the Class "B" Control Period, no Mortgage lien shall be placed on any portion of the Common Area without the affirmative vote or written consent, or any combination thereof, of Voting Members representing at least fifty-one percent (51%) of the Members other than the Declarant and the Declarant's nominees. Notwithstanding anything to the contrary contained in the Declaration, these By-Laws, or the Articles of Incorporation, no Mortgage lien shall be placed on any portion of the Common Area which subordinates the rights of the Owners and the Association to the Mortgagee.

Section 21. Rights of the Association. With respect to the Area of Common Responsibility, and in accordance with the Articles of Incorporation and the Declaration, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or Neighborhood and other owners or residents associations, both within and without the Properties. Such agreements shall require the consent of two-thirds (2/3) of all directors of the Association.

The Association shall not be bound, either directly or indirectly, by any contract, lease, or other agreement (including any management contract) executed during the Class "B" Control Period unless such contract, lease or other agreement contains a right of termination exercisable by either party without penalty at any time, with or without cause, upon not more than ninety (90) days notice to the other party.

Section 22. Enforcement. The Board shall have the power to impose reasonable fines, which shall constitute a lien upon the property of the violating Owner, and to suspend an Owner's right

to vote or any person's right to use the Common Area for violation of any duty imposed under the Declaration, these By-Laws, or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a Unit or to suspend an Owner's right to vote due to nonpayment of contributions. In the event that any occupant, guest or invitee of a Unit violates the Declaration, By-Laws, or a rule or regulation and fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Declaration, By-Laws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than ten (10) days within which the alleged violator may present a written request to the Covenants Committee, if any, or Board of Directors for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed.

(b) Hearing. If a hearing is requested within the allotted ten (10) day period, the hearing shall be held in executive session affording the alleged violator a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, Director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. The Board of Directors or the Covenants Committee may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the ten (10) day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules of any Person.

(c) Appeal. Following a hearing before the Covenants Committee, the violator shall have the right to appeal the decision to the Board of Directors. To perfect this right, a written notice of appeal must be received by the manager, President, or Secretary of the Association within thirty (30) days after the hearing date.

(d) Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the Association, acting through the Board of Directors, may elect to enforce any provision of the Declaration, these By-Laws, or the rules and regulations of the Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred.
