Site plan approved as shown for
 Any changes to site plan voids approval. All setbacks apply
 for septic systems and wells, regarding any pools, decks,
 patios and/or accessory structures. Applicant is responsible
 for protecting all portions of the septic system, repair area and
 wells from damage during construction. Adhere to all Local and
 State Rules.
 Approved by
 Wake County Department of Environmental Services
 Water and Waste Water Section

60% Imperious Area
 MISA
 W.L. CR

I certify that the location of planned or existing structure(s) are accurately shown. I understand failure to locate structures in accordance with this plot plan may require the relocation of structure(s) regardless degree of completion. I hereby grant permission to Municipal/County Representatives the right of entry to make evaluations or inspections upon this property.
