A custom estate with mountain-like ambiance, seasonal Falls Lake views, and extraordinary scale just minutes from Wake Forest and North Raleigh.

A long, winding drive leads through mature woods to an expansive circular arrival court and porte-cochere. The home is buffered toward Falls Lake by U.S. Army Corps of Engineers land, creating a setting that feels far removed from the city while remaining close to everyday conveniences.

Architecture with Presence

High ceilings, substantial doors, detailed millwork and graceful custom ironwork create a sense of permanence throughout the residence.

SIGNATURE DETAILS

- 10-foot ceilings on the main and second floors
- 8-foot solid interior doors
- 10-foot double solid carved entry doors
- Extensive crown molding, trim and custom millwork
- Plantation shutters throughout
- Newly refinished solid oak flooring
- Custom iron railings on the floating curved staircase, rear stairs and upper catwalk
- Multiple fireplaces, balconies and private decks
- Home plumbed for central vacuum

LIBRARY / EXECUTIVE OFFICE

A richly finished main-level library creates a distinguished place to work, read or meet privately. Cherry-finished custom cabinetry, built-in bookcases and substantial millwork give the room the warmth and character of a traditional executive study.

GRAND LIVING SPACES

The dramatic two-story family room is anchored by a stone fireplace and generous windows that bring the wooded setting into the home. Formal and informal living areas provide exceptional flexibility for intimate evenings or large-scale entertaining.

A Remodeled Gourmet Kitchen

Designed for serious cooking and effortless entertaining, the newly remodeled kitchen combines dramatic scale, abundant natural light and thoughtful functionality.

KITCHEN HIGHLIGHTS

- Approximately 14-foot center island
- Farmhouse sink with windows above
- New cabinetry with soft-close doors and drawers
- New SS appliances
- Six-burner gas cooking with stainless-steel grill/griddle
- Two dishwashers and trash compactor
- Distinctive brick backsplash
- Expansive preparation, serving and gathering space
- Generous breakfast area with excellent natural light

DESIGNED FOR GATHERING

The oversized island is the visual and functional centerpiece of the room - substantial enough for food preparation, casual dining and entertaining on a grand scale. Windows above the sink frame the wooded surroundings, while the brick backsplash adds warmth and architectural character.

LAUNDRY WITH CHARACTER

Even the utility spaces are distinctive, including a laundry room finished with brick flooring and generous workspace.

Five Ensuite Bedrooms. Two Primary Suites.

Every bedroom offers a private full bath and walk-in closet, giving family and guests an uncommon level of comfort and privacy.

SECOND-FLOOR PRIMARY RETREAT

The expansive second-floor primary suite lives like a private residence within the home. A tray ceiling, fireplace, sitting area and private deck are complemented by wide-plank luxury vinyl flooring, large walk-in closets and a separate upstairs retreat with additional bonus/living space.

SPA-LIKE PRIMARY BATH

Completely remodeled with a zero-entry walk-in shower, soaking tub, updated cabinetry, fixtures and finishes, the spacious primary bath delivers a refined, tranquil retreat designed for daily comfort.

ALL FIVE BEDROOMS

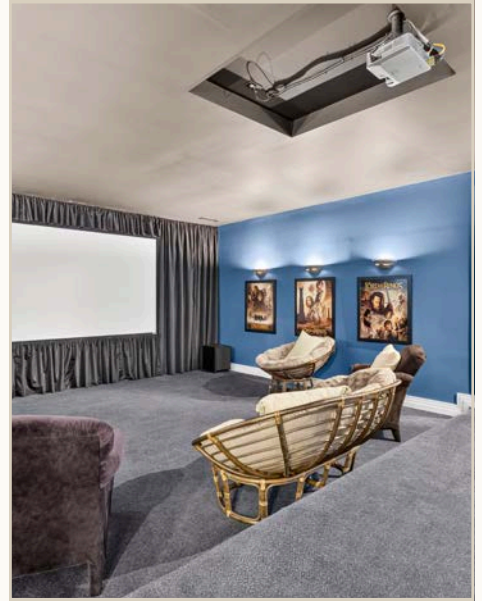

- Private full bath
- Walk-in closet
- Generous proportions and privacy

MAIN-LEVEL GUEST SUITE

The main-level guest suite includes a private full bath, walk-in closet and its own private deck. Its location and scale make it an excellent second-primary option for guests, extended family or multigenerational living.

3,083 SF of Finished Lower-Level Living

More than a basement, this expansive finished level functions as a substantial extension of the residence with its own kitchen, full bath and exceptional recreation spaces.

LOWER-LEVEL FEATURES

- Second remodeled kitchen with updated cabinetry and appliances
- Wet bar and large recreation / family room
- Full bath
- Dedicated home theater
- Exercise / fitness area
- Workshop
- Flexible office / sunroom
- Multiple entertainment and gathering spaces
- Convenient access to lower garage and motor court areas

PRIVATE CINEMA

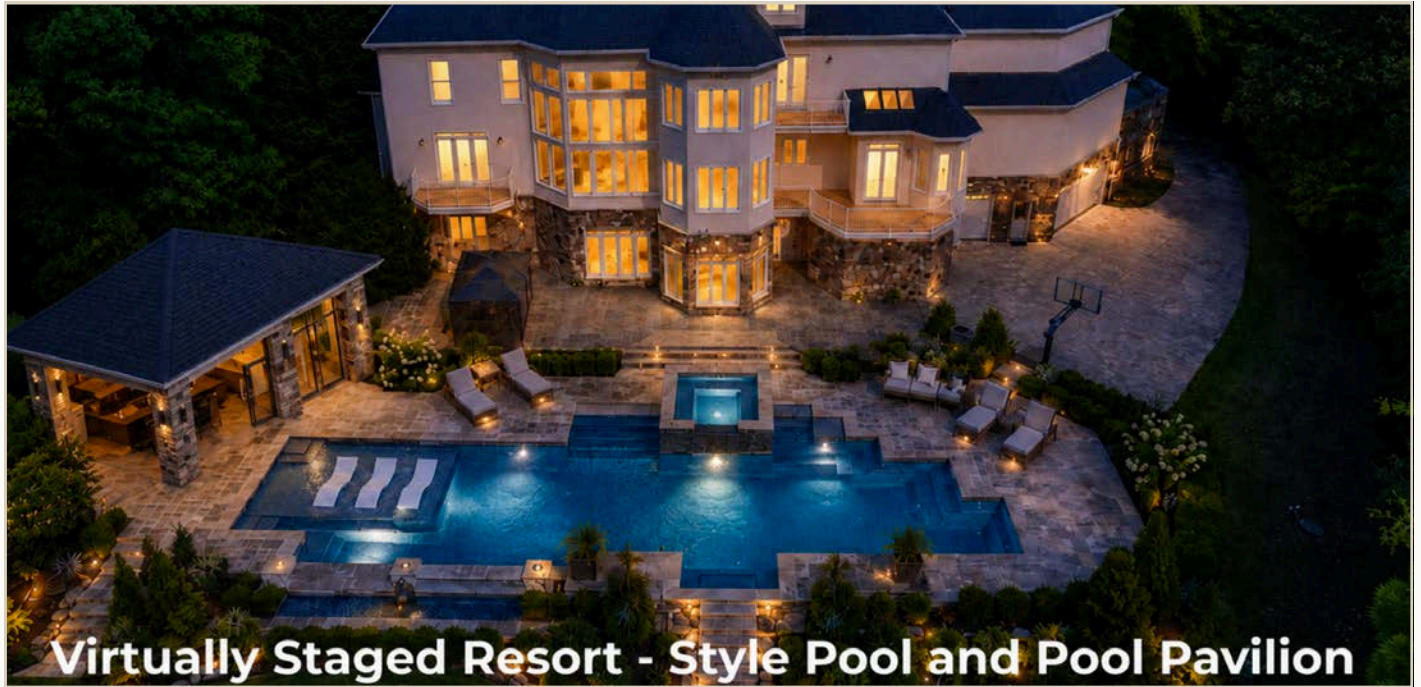

At approximately 19 x 30 feet - roughly 570 square feet - the dedicated theater offers true cinema scale with room for multiple seating rows, lounge furnishings and a substantial audiovisual setup.

FLEXIBILITY

With a second kitchen, full bath and more than 3,000 finished square feet, the lower level is ideally suited to entertaining, extended guests, recreation or independent living arrangements.

Nine Acres of Privacy Near Falls Lake

Mature woods, multiple decks and seasonal lake views create a rare sense of seclusion this close to Wake Forest and North Raleigh.

OUTDOOR LIVING

- 9.32 wooded acres with mature forest surroundings
- Large private composite rear deck
- Private deck off the second-floor primary suite
- Private deck off the main-level guest suite
- Multiple balcony and terrace areas
- Seasonal Falls Lake views in fall and winter
- U.S. Army Corps of Engineers wooded buffer toward Falls Lake
- Mountain-retreat atmosphere with exceptional privacy

FIVE-CAR GARAGE & MOTOR COURT

Separate 2-car and 3-car finished garage areas provide exceptional capacity for vehicles, recreational equipment and storage. The long winding drive, circular arrival court, expansive porte-cochere and lower motor court create an estate-style arrival while accommodating substantial guest parking.

SEASONAL LAKE VIEWS

As foliage recedes in fall and winter, views toward Falls Lake emerge through the surrounding woods - adding another layer to the property's peaceful retreat-like character.

A Rare Wake Forest Estate

Scale, privacy, craftsmanship and significant recent improvements - all in a wooded Falls Lake setting.

RECENT IMPROVEMENTS

- New roof
- Fresh interior and exterior paint
- Completely remodeled primary bath
- Remodeled main and lower-level kitchens
- New kitchen cabinetry and appliances
- Soft-close cabinet doors and drawers
- Newly refinished solid oak flooring
