ALAYOUTTHATFLOWS

Step inside to an open, light-filled main level where the kitchen flows right into the living room. Luxury vinyl plank runs through the main living area, and the bedrooms sit privately apart from the space where you'll relax and entertain.

WELL APPOINTED KITCHEN THE HEART OF THE HOME

Granite countertops and a center island give you room to cook, serve, and gather, with stainless appliances and pendant lighting overhead. Just off the kitchen, the breakfast nook is an easy spot for morning coffee or a casual dinner, with a window that keeps it bright.

A QUIET ESCAPE

Two of the three bedrooms are en-suite, and the primary is set apart from the main living and entertaining space, so it feels like a true escape at the end of the day. Soft carpet underfoot, a dual-window layout that fills the room with light, and a bath with a roomy vanity and a glass-enclosed shower complete the suite.
