

Olde Raleigh Homeowners Association

Pre-Approved Rain Barrel Conditions

- Only two (2) Rain Barrels allowed per home.
- Rain Barrels may be:
 - o Black, Dark Green, or Brown in color
 - o Made of plastic or wood (no metal containers allowed)
 - o Placed or installed at the rear of a dwelling, or on the side of the dwelling as long as it not visible from a street. Rain Barrels may not be placed at the front of a dwelling.
- 80 gallons is the maximum size of rain barrel allowed
- Rain Barrels must be properly installed per manufacturer guidelines to assure safe and stable installation.

Any deviation to the conditions stated above requires ARB review and approval prior to placement or installation. If you have questions, please contact PPM.
