Falls Lake Reservoir

Hi Shannon,

We wanted to touch base about the JAG Swag sites. We would like the new site to go live and allow agents/staff to order items for a two-week window - would the first two weeks of March work?

We'd also like the existing JAG Swag site to be taken down at the end of February, right before the new site goes live. Once the new site is live, we'd like to give agents the ability to order 2 items/quarter and staff the ability to order 1 item/quarter during the two-week window each quarter.
