STATE OF NORTH CAROLINA
WAKE COUNTY

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
FOR LENNOX MANORS SUBDIVISION

THIS DECLARATION is made this 24th day of July, 2025 by Lennox Manors, LLC, hereinafter referred to as Declarant joined by Genesis Building Co., Inc. (as Owner of Lots 8 & 18), Capstone Builders, Inc. (as Owner of Lots 3 & 4).

WITNESSETH

WHEREAS, Declarant is the owner of certain property located in Wake County, State of North Carolina, which is more particularly described herein but is known generally as "Lennox Manors Subdivision"; and

WHEREAS, Declarant inadvertently sold several lots prior to the recording of this set of restrictions as against the entire subdivision; and

WHEREAS, all Owners and Declarant are in agreement to record the attached set of restrictions which shall then restrict the lots in this subdivision as so defined in the covenants which shall be binding upon all Owners, their respective heirs, successors and assigns;

WHEREAS, Declarant and Owners desire to provide for the preservation and enhancement of the property values, amenities and opportunities in said community and for the maintenance of the properties and the improvements thereon, and to that end desires to subject the real property as described above, together with any and all such additions as may hereafter be made thereto, to the covenants, conditions, restrictions, and easements set forth, each and all of which is and are for the benefit of said property; and

WHEREAS, Declarant and Owners desire to impose easements, covenants, conditions and restrictions upon all of the Property; and

WHEREAS, Declarant and Owners desire to create thereon a residential community of single-family homes; and

NOW, THEREFORE, Declarant hereby declares that the Property hereinafter described shall be held, sold and conveyed subject to the following easements, restrictions, covenants and conditions, which are for the purpose of enhancing and protecting the value and desirability of, and which shall run with, the Property and be binding on all parties having any right, title or interest in the Property or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

ARTICLE I

DEFINITIONS

Section 1. “Architectural Control Committee” shall be deemed the Declarant who shall approve or disapprove submitted plans and specifications for any improvements located on any part of the Property. Upon the time that all Lots are fully built out and Declarant no longer owns any property of any nature with this Subdivision, the

Section 2. “Builder” shall mean those persons or entities that purchase Lots solely for the construction of dwellings to be occupied by others and that are properly licensed to act in such capacity.

Section 3. “Common Expenses” shall mean and include those amounts as needed for the maintenance and repair of those private streets within the subdivision. Only those lots which directly use a respective street for access shall be deemed owing for such “common expenses” as per those private “Road Maintenance Agreements” recorded herewith.

Section 4. “Declarant” shall mean and refer to Lennox Manors, LLC, a North Carolina limited liability company, its successors and assigns.

Section 5. “Declarant Development Period” shall mean and refer to that period of time during which: (i) the Declarant is the owner of any portion of the Property, including any Lot or road; (ii) Declarant is in any way involved in the maintenance of streets or landscaping (iii) Declarant is in any way involved in the marketing of the Property through advertisements, signs, listings or providing an on-site real estate agent; or (iv) Declarant is providing funds to the Subdivision in any way; (v) including and up to December 31, 2034 when said Development Period shall automatically expire unless extended unilaterally by Declarant prior to that date.

Section 6. “Declaration” shall mean and refer to this Declaration of Covenants, Conditions and Restrictions for Lennox Manors Subdivision, as it may be amended and supplemented (by Supplemental Declarations) from time to time as herein provided.

Section 7. “Entry Features” shall mean those portions of the Property upon which permanent identification signs or monuments shall be initially installed and erected by Declarant at various entrances of Lennox Manors Subdivision.

Section 8. “Lot” shall mean and refer to any numbered or lettered plot of land shown upon any recorded community map of the Property, whether or not improvements are constructed thereon, which constitutes or will constitute, after the construction of improvements, a single-family dwelling site which is intended for residential purposes.

Section 9. “Lot in Use” shall mean and refer to any Lot on which a residential structure has been fully constructed and is being or to be occupied as a residence.

Section 10. “Mortgage” shall mean any mortgage, deed of trust, and any and all other similar instruments used for the purpose of encumbering property as security for the payment or satisfaction of an obligation.

Section 11. “Mortgagee” shall mean the holder of a Mortgage.

Section 12. “Owner” or “Lot Owner” shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any Lot which is a part of the Property, including contract sellers, but excluding those having such interest merely as security for the performance of an obligation.

Section 13. “Planned Community Act” shall mean chapter 47F of the North Carolina General Statutes as may be amended.

Section 14. “Person” means any natural person, corporation, joint venture, partnership, association, trust, limited liability company or any other legal entity.

Section 15. “Property” shall mean and refer to that certain real property made subject to his Declaration, as defined below, and any and all other additional property hereinafter made subject to this Declaration by Supplemental Declaration.

Section 16. “Lennox Manors Subdivision” or “Subdivision” shall mean and refer to all Property, Lots, or streets located in Lennox Manors Subdivision.

Section 17. “Supplemental Declaration” shall mean an addition to this Declaration which imposes additional restrictions and obligations on the Property.

ARTICLE II **PLANNED COMMUNITY ACT**

Declarant intends to create an exempt minor subdivision. Nothing contained herein shall serve to limit any rights, procedures, enforcement mechanisms, or otherwise as provided in the North Carolina Planned Community Act (the “Planned Community Act”). However, if there is

any conflict between the Planned Community Act and this Declaration, this Declaration shall control unless prohibited under the Planned Community Act.

ARTICLE III
PROPERTY; ADDITIONAL DECLARATIONS
SUPPLEMENTAL DECLARATIONS

Section 1. Property made subject to Declaration. The Property made subject to this Declaration is described as follows:

BEING all of Lots 1 through 18, excluding Lots 1, 5, 6, 7 & 8, and all roads as shown on "FINAL SUBDIVISION PLAT FOR LENNOX MANORS" as recorded in the Wake County Registry.

The Property shall be owned, held, leased, transferred, sold, mortgaged and/or conveyed by Declarant and each Owner subject to this Declaration and the controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens set forth in this Declaration.

Section 2. Supplemental Declaration. The Declarant reserves the right to subject the Property to additional covenants, restrictions, easements, uses, privileges, changes, assessments, liens, options, rights, terms and provisions as Declarant in its sole discretion may determine and/or to amend this Declaration as necessary in its sole discretion. Such an addition, etc. shall not require any other Owner approval during the Declarant Development Period. Any Supplemental Declaration must be in writing and filed with the Wake County Register of Deeds Office.

ARTICLE IV
USE AND BUILDING RESTRICTIONS AND RULES

Declarant reserves the right from time to time to waive each section of this Article provided that any waiver is to be in writing, signed by Declarant and recorded in the Wake County Registry.

Section 1. General. This Article sets out certain use and building restrictions which must be complied with by all Owners. The Declarant may, from time to time, promulgate, rules and regulations applicable to the use of the Property. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners.

The Architectural Control Committee (the "ACC"), and any Owner shall have the power to file an injunction with the appropriate judicial authority to enforce all of the covenants and conditions contained in this Article.

The ACC has discretion to grant variances, except as prohibited by Wake County regulations, to all use and building restrictions found in this Article so long as such discretion maintains and does not violate the overall aesthetic nature of the Subdivision and such a variance is obtained in writing signed by the ACC and recorded in the Wake County Registry.

Section 2. Owner's Responsibility. All maintenance of the Lot and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with this Declaration. Such maintenance shall include, without limitation, (i) the repairing and painting (or other appropriate external care) and otherwise caring for the dwelling and all other structures located on the Lot; (ii) the seeding, fertilizing and watering of all lawns and mowing, edging, clipping, sweeping, pruning, raking and otherwise caring for all lawns; (iii) the pruning and trimming of all trees, hedges and shrubbery so that the same are not obstructive of a view by motorists or pedestrians of street traffic, do not cause unsightly or unkempt conditions and do not trespass onto the property of others; and (iv) the maintenance, repair and painting of all fences on the Lot. If the Declarant determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair, or replacement of items for which such Owner is responsible hereunder, the Declarant shall, except in an emergency situation, give the Owner written notice of the Declarant's intent to provide such necessary maintenance, repair, or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) calendar days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, if such maintenance, repair, or replacement is not capable of completion within a ten (10) calendar day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Declarant may provide any such maintenance, repair, or replacement at such Owner's sole cost and expense. The remedies provided in this Section shall be in addition to, and not in lieu of, other remedies provided in this Declaration for a violation of the Declaration.

It shall be the responsibility of each Owner to prevent and correct unclean, unsightly or unkempt conditions of building or Lots. All Lots shall be kept clean and free of garbage, junk, trash, debris, non-operable vehicles or apparatus and vehicles without valid and proper license plates and registration, and any substance and conditions that might contribute to an unsightly condition, health hazard or the breeding and habitation of snakes, rats or insects. "Lot" as used in this section also includes that portion of the lot between the right of way and the pavement.

Section 3. Land Use and Building Type. Each Lot shall be used exclusively for single-family, non-transient residential purposes and, except as allowed by the terms of this Declaration, no building or other structure shall be constructed, placed, allowed to remain on a Lot except one single family dwelling, not to exceed two and one-half (2 ½) stories in height which may have a private garages, attached or detached but must be side loading with a third car being able to face the front of the home at the rear of the side lawn area, and can have out-building or storage building which meets the requirements contained in this Declaration and any subsequent architectural guidelines. A home office may be maintained and business activities can be carried out within the dwelling as long as there is no sign or other evidence that any type of business activity is being carried out inside the dwelling. There are to be no retail business or commercial customers to a dwelling. There shall be absolutely no business activity carried on outside the residential dwelling. Provided, however, any such sales office, model home and temporary construction or sales trailer or office must be specifically approved by Declarant and must comply with all applicable governmental laws and regulations; and (ii) Declarant and any Person authorized by Declarant may conduct such business activities on any Lot as may be necessary in

connection with Declarant's development and/or sales of any part or all of the Property or the Project.

Notwithstanding the foregoing, the provisions in this Section shall in no way limit the ability of the Declarant to subject other subdivision property to additional covenants and/or restrictions.

Section 4. Architectural and Landscaping Standards. No exterior construction, alteration, addition, erection or landscaping of any nature whatsoever shall be commenced or placed upon any part of the Property, except such as is installed by Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. No exterior construction, addition, erection, alteration or landscaping shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, color, texture and location shall have been submitted in writing to and approved by the ACC. There shall be brick or stone finishes not including the foundation, on the front side of the home as it faces the street. There shall be no vinyl siding products used on the home. Such plans must also be approved and a building permit obtained from the applicable governmental authorities if so required. It shall be allowed within this subdivision for any lot or home to have solar panels. Any and all costs for such solar panels shall be the responsibility of each individual lot owner and solar panels need to be out of the sight of neighboring homes or from the street.

During the Declarant Development Period, Declarant is the sole member of the ACC and shall have the sole right to appoint a replacement member of the ACC. Upon the expiration or earlier surrender in writing of such right, the Declarant shall turn full control of the ACC over to the Owners.

Section 5. Signs. No sign of any kind shall be erected by an Owner within the Property or Subdivision without the prior written consent of the Declarant except (a) when offering a Lot or residence for sale or for lease, not more than one (1) professionally lettered "For Sale" or "For Rent" sign having a maximum area of four (4) square feet and a maximum height of four (4) feet above ground level, (b) professional security signs (c) any signs required by legal proceedings, and (d) signs erected by Declarant. Professionally lettered "For Sale" or "For Rent" signs may be attached to a post of not more than Five Feet, Six Inches (5'6") in height. Notwithstanding the foregoing, the ACC shall have the right to erect reasonable and appropriate signs. Declarant may elect to remove any sign not meeting the above qualifications without any advance notice to Owner and shall not be liable to Owner for such removal. Through December 31, 2034 Declarant may have signs of any size marketing and advertising lots in the subdivision. Political signs may be allowed if they are expressing support of or opposition to political candidates or other issues which will appear on the ballot of a primary, general or special election, provided that such political signs shall not be placed on a lot earlier than sixty (60) days before such election and shall be removed within (2) days after such election.

Section 6. Vehicles/Garages. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, trucks, campers, buses, vans, limousines and automobiles. All vehicles must be properly licensed, registered, inspected and otherwise kept in compliance with applicable governmental regulations. Vehicles shall not be allowed to park on any street within the Subdivision or on any portion of a

Lot other than in the driveway or garage; provided, however, if, and only if, the occupants and/or their guests of a Lot have more vehicles than the number of garage parking spaces, those excess vehicles, not to exceed four (4) vehicles, which are an occupant's primary means of transportation on a regular basis may be parked in that portion of the driveway adjacent to the garage. It is hereby allowed that any boat, camper or motor home is allowed to park openly on an Owner's Lot as long as it is parked behind the front of the home on a concrete pad and it must be shielded with either proper landscaping or proper fencing..

Notwithstanding the above, no towed vehicle, trailer, boat, boat trailer, recreational vehicle, mobile home, bus, trucks (except pick-up trucks or sport utility vehicles), commercial vehicles (including, without limitation, vehicles with commercial writing on their exteriors whereby that vehicle needs a commercial license from the State of North Carolina to operate), go-cart or similar recreational vehicles shall be permitted on any Lot, except if kept in an enclosed garage unless a variance is allowed by Declarant, for periods longer than forty-eight (48) consecutive hours (the intent of this provision is that the aforementioned vehicles may not be stored on a Lot except if in a garage and the temporary removal of such vehicle from a Lot to break the continuity of the forty-eight (48) consecutive hours shall not be sufficient to establish compliance with this restriction).

No vehicle may be left upon any portion of the Property or Subdivision, if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public highways unless said vehicle is located in the garage. Any such vehicle shall be considered a nuisance and may be removed from the Property or Subdivision.

No motorized vehicles shall be permitted on pathways or unpaved Common Property except for public safety vehicles.

Section 7. Leasing. Lots may be leased for residential purposes. All leases shall have a minimum term of at least twelve (12) months. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration and Supplemental Declarations, if any. The lease shall also obligate the tenant to comply with the foregoing, and the lease shall provide that the violation of any provision of this Declaration and Supplemental Declarations, if any, shall be a breach of said lease, subjecting the tenant to termination of the lease and eviction. In addition, any violations of the covenants contained in this Declaration by the tenant or any person residing at the Lot shall be the responsibility of the Lot Owner.

Section 8. Occupants Bound. All provisions of the Declaration, Bylaws, and of any rules and regulations, use restrictions or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all occupants even though occupants are not specifically mentioned.

Section 9. Animals and Pets/Poultry. No animals, livestock, or exotic animal of any kind may be raised, bred, kept, or permitted on any Lot, except that not more than three (3) dogs, cats, or other usual and common household pets may be kept on a Lot. Pets are not to be kept outside on a run or in a doghouse or other structure so as to not annoy any neighbors. Notwithstanding the foregoing, those pets which endanger the health, make objectionable noise, have a vicious or dangerous propensity, or constitute a nuisance or inconvenience to the Owners of any Lot or the owner of any property located adjacent to the Subdivision must be removed. No

pets shall be kept, bred or maintained for any commercial purpose. No household pet that has caused damage or injury may be walked in the Subdivision. If the Declarant determines, in its sole discretion, that a pet endangers the health, makes objectionable noise, has a vicious or dangerous propensity, or constitutes a nuisance or inconvenience, Declarant may issue a written notice to Owner that said pet must be removed from the Subdivision within ten (10) calendar days. If Owner does not remove said pet within the time limit provided in the notification, Declarant may have the pet removed from the Subdivision by an animal control authority or other appropriate authority. The cost of such removal shall be the responsibility of Owner and shall be an assessment against the Lot of Owner. Poultry shall be allowed only if Owner has obtained prior written approval from the Declarant as to number and type of poultry being requested to be owned.

No structure for the care, housing or confinement of any animal shall be constructed, placed or altered on any Lot unless plans and specifications for such structure have been approved by the ACC in accordance with this Declaration. A leash shall be used for all animals and pets which are outside the confines of their house or a fenced-in area.

Section 10. Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on such Owner's Lot. No property within the Subdivision shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Subdivision, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within the Subdivision. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Subdivision. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any Lot unless required by law.

It shall be the responsibility of each Owner to timely address the removal of debris and/or rebuilding of a dwelling or structure in the event of damage caused by fire, storm, or other occurrence. If Owner does not begin the removal of debris and/or reconstructing within sixty (60) days of said occurrence, the Declarant may remove any debris, the costs of which shall be the responsibility of Owner and shall be collected as an assessment, so as to return the Lot to a neat and clean appearance; provided, however, there shall be no removal of any debris if prohibited by an applicable governmental authority.

Section 11. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Property or Subdivision except in an enclosed garage.

Section 12. Antennas. The ACC may issue rules regarding the erection of exterior antennas, including, without limitation, satellite dishes; provided such rules do not prevent

reception of acceptable quality signals or cause an unreasonable delay or cost. Unless screened and located in the rear of the home to provide minimum visual impact on neighboring properties and so as to be unseen from the streets, no exterior antennas of any kind, including without limitation, satellite dishes, shall be placed, allowed, or maintained upon any portion of the Property or Subdivision, including any Lot; provided such screening and location do not prevent reception of acceptable quality signals or cause an unreasonable delay or cost. In no event shall any such antenna or satellite dish in excess of one (1) meter in size be permitted in the Property or Subdivision except if installed by the Declarant as provided in this Section. Declarant shall have the right (but shall not be obligated), to erect a master antenna, satellite dish or other similar master system for the benefit of the Property or Subdivision. Each Owner acknowledges that this provision benefits all Owners and each Owner agrees to comply with this provision despite the fact that the erection of an outdoor antenna or similar device would be the most cost-effective way to transmit or receive the signals sought to be transmitted or received.

Section 13. Tree Removal. No trees that are more than four (4) inches in diameter (twelve and one-half (12 1/2) inches in circumference) at a point four and one-half (4 1/2) feet above the ground shall be removed without the prior written consent of the ACC except (a) dead or diseased trees, (b) trees that are located within ten (10) feet of a drainage area, a septic field, a sidewalk, a residence or a driveway, (c) trees removed by Declarant, or (d) trees removed during the construction of the original dwelling on a Lot.

Section 14. Drainage. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or occupant may obstruct or re-channel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. Declarant hereby reserves for the benefit of Declarant (for as long as the Declarant owns property for development and/or sale in the Property or Subdivision or within the three (3) year period following the sale of the last lot Declarant owns) and their respective successors and assigns (perpetually) an easement across the Property and Subdivision property for the purpose of altering drainage and water flow. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

Section 15. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.

Section 16. Garbage Cans, Woodpiles, Etc. All garbage cans, woodpiles, swimming pool pumps, filters and related equipment and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property; provided, however, if rubbish, garbage or any other form of solid waste is to be disposed of by being collected on a regular and recurring basis, containers may be placed in the open on the evening before a pick-up is to be made as necessary to provide access to persons making such pick-up. All rubbish, trash, and garbage shall be regularly removed (no less frequently than weekly) and shall not be allowed to accumulate. Trash, garbage, debris, or other waste matter of any kind may not be burned within

the Property or Subdivision except by Declarant or a builder during the original construction on a Lot.

Section 17. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Declarant and appropriate governmental entity. Declarant, however, hereby expressly reserves the right to replat any Lot or Lots owned by Declarant for as long as Declarant has the right unilaterally to annex additional property to the Property pursuant to Article VI and Article VIII of this Declaration. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations and shall not constitute a violation of the Declaration.

Section 18. Firearms, Hunting Prohibited. The use or discharge of firearms in the Subdivision is prohibited unless such firearm is used or discharged as a means of self-defense. The term "firearms" includes without limitation "B-B" guns, pellet guns, bows and arrows, sling shots and small firearms of all types. There shall be no discharging of firearms, guns or pistols of any kind, caliber, type or method of propulsion; and no target practice or hunting of any type shall be carried on or conducted on the Subdivision.

Section 19. Fences and Party Walls. No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any portion of the Property or Subdivision, including any Lot, without the prior written consent of the Declarant and/or the ACC, and shall only be allowed for the back of the house. This provision shall not apply to retaining walls needed to correct slope or grading issues on a lot or to the subdivision entrance area. Vinyl Six (6) feet tall fences are permitted. Six (6) feet tall wood fencing is permitted but only with approved stain by the ACC or Declarant. Fifty-Four (54) inches or taller black aluminum fencing is also permitted. Other styles will be allowed at the discretion of the Declarant and/or ACC. Fencing must tie into any existing adjacent fencing and must be installed directly on surveyed property lines, except for corner lots where fencing will be set back at least Fifteen (15) feet from the side road right of way and be properly screened with landscaping. Non-corner lots shall build their fences five (5) feet off of the neighboring property line. Fencing location exceptions will be considered on a case-by-case basis. Metal fencing may be allowed if approved by Declarant but no chain-link fencing shall be allowed. The ACC may issue guidelines detailing acceptable fence styles or specifications, but all such fences or fencing type barriers must be made of material approved by the ACC and in no event may an uncoated chain link or barbed wire fence be approved. Each wall or fence built as a part of the original construction on the Lots which shall serve and separate any two (2) adjoining Lots shall constitute a party wall or fence and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto. The cost of reasonable repair and maintenance of a party wall or fence shall be shared by the Owners who make use of the wall or fence in equal proportions. If a party wall or fence is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the wall may restore it, and if the other Owner or Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions. Any Owner performing any such repair or restoration shall have the right to go upon the adjoining Lot(s) to the extent necessary to perform such repair or restoration. Such repair or

restoration shall be done expeditiously and upon completion, such Owner shall restore the adjoining Lot to as near the same condition which prevailed on it before the commencement of such repair and restoration as is reasonably possible. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title. Should any Owner build a fence prior to approval, said Owner shall be in violation of these covenants and subject to fines and penalties as well as possible removal of the fence at Owner's expense.

Section 20. Utility Lines. Except as may be permitted by the ACC, no overhead utility lines, including lines for cable television, shall be permitted within the Property or Subdivision, except for temporary lines as required during construction and lines installed by or at the request of Declarant.

Section 21. Air-Conditioning Units. No window air conditioning units may be installed except as may be permitted by the ACC, but in no event shall a window air conditioning unit be installed in any dwelling so as to be visible from the front of any Lot or any adjoining street. All HVAC and other mechanical systems shall be screened from public view. Homes shall be heated by electricity or by natural gas serviced by PSNC. Homes may use natural gas or electricity for stoves and/or fireplaces.

Section 22. Lighting. Except as may be permitted by the ACC, exterior lighting visible from the street shall not be permitted except for (a) approved lighting as originally installed on a Lot; (b) one decorative post light, (c) street lights in conformity with an established street lighting program for the Property or Subdivision; (d) seasonal decorative lights from Thanksgiving to the following New Year's Day; or (e) front house illumination of model homes. Declarant reserves the right to subject the property to a contract for installation of street lighting with Duke Progress which requires a continuing monthly payment by each residential customer for such lightings. Said billing shall come directly from Duke Progress to the respective Lot Owners.

Section 23. Artificial Vegetation, Exterior Sculpture, Exterior Statuary and Similar Items. No artificial vegetation or plastic animal decorations, such as pink flamingos, etc., shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, bird baths, bird houses, and similar items must be approved by the ACC.

Section 24. Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless they are an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the ACC.

Section 25. Swimming Pools. No swimming pool or outside jacuzzi or hot tub shall be constructed, erected or maintained upon any Lot without the prior written consent of the ACC, and in no event shall any pool be permitted in the front yard of any lot.

Section 26. Gardens and Play Equipment. No vegetable garden, hammock, statuary or play equipment (including, without limitation, basketball goals which are allowed to be erected beside the driveway) be constructed, erected or maintained upon any front area of any Lot unless the type and location thereof has been previously approved by the ACC.

Section 27. Mailboxes. There shall be a mailbox kiosk as approved by Declarant pursuant to North Carolina law. The mailbox kiosk shall be located within the subdivision at a place and size as determined by the Declarant for the benefit of all lot owners within the subdivision in a location as stated on the recorded plat. The maintenance of this kiosk shall be at the expense of the Owners of all Lots in equal proportions.

Section 28. Exteriors. All exterior finishes and colors must be approved by the ACC. Any change to the exterior color, finish or texture of any improvement located on a Lot, including, without limitation, the dwelling, the roof on any dwelling or any fence, must be approved by the ACC.

Section 29. Chimneys. Prefabricated fireplaces shall be allowed as long as the chimney does not extend beyond the main ridge of the roof of the dwelling. If such chimney does extend beyond the main ridge of the roof of the dwelling, such chimney must be solid masonry construction.

Section 30. Clotheslines. No exterior clotheslines of any type shall be permitted upon any Lot.

Section 31. Entry Features. Owners shall not alter, remove or add improvements to any entry features constructed by Declarant on any Lot, or any part of any casement area associated therewith without the prior written consent of the ACC.

Section 32. Window Treatments. No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose.

Section 33. Fuel or Water Tanks. No fuel tanks or water tanks shall be stored or maintained upon any Lot in such a manner as to be visible from any street or road or from any other Lot, unless used by Declarant in the ordinary course of developing the Property or Subdivision.

Section 34. Outbuildings and Similar Structures. No outbuilding, storage building or similar structure shall be erected, placed or allowed to remain on any Lot except those which are incidental to residential use, are constructed of the same or substantially identical materials as the residential dwelling on the Lot, are architecturally compatible with the residential dwelling on the Lot, are located no closer to the front boundary line of the Lot than the rear wall of the single-family residence located on the Lot and no closer to any side boundary line of a Lot than the applicable building setback requirements, and which have otherwise been approved by the ACC. No trailer, mobile home, shack, tent, garage, barn, or other building of a similar nature shall be used as a residence on any lot, either temporarily or permanently.

Section 35. Erosion Control. No activity which may create erosion or siltation problems shall be undertaken on any Lot without the prior written approval of the ACC of plans and specifications for the prevention and control of such erosion or siltation. The ACC may, as a condition of approval of such plans and specifications, require the use of certain means of preventing and controlling of such erosion or siltation.

Section 36. Insurance. Nothing shall be kept, and no activity shall be conducted, on the Property which will increase the rate of insurance applicable to residential use for the Property or any Lots. No Owner shall do or keep anything, nor cause or allow anything to be kept, on his/her Lot or on the Common Property which will result in the cancellation of insurance on any portion of the Property, or Lots therein, or which will be in violation of any law, ordinance or regulation.

Section 37. Independent Covenants. Each and every covenant and restriction contained herein shall be considered to be an independent and separate covenant and agreement, and in the event any one or more of said covenants or restrictions shall, for any reason, be held to be invalid, or unenforceable, all remaining covenants and restrictions shall nevertheless remain in full force and effect.

Section 38. Dwelling Setback Lines. Unless a greater restriction is required by any governmental authority, no dwelling erected on any Lot (including garage and outbuilding) shall be constructed nearer than thirty-five (65) feet to the front lot line, ten (10) feet to any side Lot line and twenty-five (25) feet to any rear lot line. These restrictions shall prevail over any lesser governmental setback requirement. In addition to meeting all governmental setback requirements, approval from the ACC must also be granted.

Section 39. Square Footage. Any dwelling erected on a Lot shall contain a minimum enclosed dwelling area of 2,500 square feet above ground for a two-story home and not less than 2,200 square feet for a one-story home, with a 10% variance being allowed but only if Builder/Owner obtains prior written approval of Declarant. The term "enclosed dwelling area" as used in this Section shall mean the total enclosed area within a dwelling subject to both heating and cooling; provided, however, that the term specifically does not include garages, basements, terraces, porches, decks, stoops and like areas regardless of heating or cooling. Variances of these square footage requirements may be granted by the Declarant and/or ACC.

Section 40. Height and Accessory Building. No structure, except as provided herein shall be erected, altered, placed or permitted to remain on any detached single-family residential Lot other than a detached single-family dwelling not to exceed two and one-half (2 1/2) stories in height exclusive of the basement. A garage and a small accessory building may also be permitted on the Lot, provided, the use of such dwelling or accessory building does not in the opinion of the ACC overcrowd the site. Such accessory building may not be constructed prior to the construction of the primary dwelling nor without the approval of the ACC.

Section 41. Roads. Roads constructed in all phases of this subdivision shall be maintained by the Declarant and subsequently by the Owners of the Lots adjoining the private roads as per the recorded Road Maintenance Agreements. This Declaration hereby provides the necessary legal authority to maintain and exercise control over any roads and common areas and facilities, including the power to compel contributions from the property owners to cover their

proportionate share of the costs associated with the maintenance and control of any applicable roads.

ARTICLE V
RIGHTS RESERVED FOR DECLARANT

Notwithstanding anything contained herein to the contrary, during the Declarant Development Period and as long as Declarant owns at least one lot or any road, Declarant expressly reserves the right to (i) subject additional property to this Declaration by the method described herein; (ii) reasonably amend this Declaration without the consent of any Owners or Members; and (iii) select, appoint and remove members of the Architectural Control Committee who need not be Members of the Subdivision as Owners. The Declarant may waive or assign any of the rights reserved herein to a Member, a non-Member, or any other entity.

The Declarant Development Period shall automatically terminate upon whichever of the following events shall occur last: 1) Declarant no longer owns any lot or road; 2) December 31, 2034 occurs or 3) Three (3) years following the sale of the last lot Declarant owns in the subdivision. At any time, Declarant may terminate the Declarant Development Period by executing a Notice of Termination of Declarant Development Period. The Notice of Termination of Declarant Development Period shall be effective when filed in the Wake County Registry.

ARTICLE VI
ANNEXATION OF PROPERTY

As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until seven (7) years after the recording of this Declaration to annex and subject such additional real property which is contiguous to the boundary of the Property, to the provisions of this Declaration or any Supplementary Declaration thereto, by filing for record in the public registry of the county in which the property to be annexed is located a Supplementary Declaration describing the property being subjected. Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, Declarant may include additional restrictions and limitations affecting any such annexed real property.

ARTICLE VII
EASEMENTS

Section 1. Easements for Encroachment and Overhang. There shall be reciprocal appurtenant easements for encroachment and overhang as between each Lot and such portion or portions of the Common Property adjacent thereto or as between adjacent Lots due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than

five (5) feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Property or as between adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner or occupant, if any.

Section 2. Easements for Use and Enjoyment. Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment in and to the subdivision, which shall be appurtenant to and shall pass with the title to such Lot. Any Lot Owner may extend such Owner's right of use and enjoyment granted hereunder to the members of such Owner's family and to such Owner's tenants and social invitees, as applicable.

Section 3. Easements for Utilities. There is hereby reserved to Declarant a blanket easements upon, across, above and under all property within the Property and Subdivision for access, ingress, egress, installation, repairing, replacing, and maintaining all utilities serving the Property or Subdivision or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, as well as storm drainage and any other service such as, but not limited to, a master television antenna system, cable television system, or security system which Declarant might decide to have installed to serve the Property or Subdivision. It shall be expressly permissible for Declarant, or the designee of the Declarant, to install, repair, replace, and maintain or to authorize the installation, repairing, replacing, and maintaining of such wires, conduits, cables and other equipment related to the providing of any such utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Declarant shall have the right to grant such easement. Within any easements for the installation and maintenance of utilities and drainage facilities shown on a recorded plat of any portion of the Property or Subdivision, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction or flow of drainage channels in the easements, or which may obstruct or retard the flow of waters through drainage channels in the easements. All Lots shall be serviced by individual private wells and septic systems.

Section 4. Easement for Entry. In addition to the right of the Declarant to exercise self-help as provided herein, the Declarant shall have the right, but shall not be obligated, to enter upon any part of the Property for emergency, security, and safety reasons, which right may be exercised by the manager, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner, and the entering party shall be responsible for any damage caused. This right of entry shall include the right of the Declarant to enter to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard in the event an Owner or occupant fails or refuses to cure the condition upon request by the Declarant.

Section 6. Easement for Entry Features. There is hereby reserved to Declarant an easement for ingress, egress, installation, construction, landscaping and maintenance of Entry Features, signs and similar streetscapes for the Property or Subdivision, over and upon each Lot in the Subdivision on which Entry Features, signs and similar streetscapes have been installed by Declarant should any such features exist. The easement and rights herein reserved shall include the

right to cut, remove and plant trees, shrubbery, flowers and other vegetation around such entry features and the right to grade the land under and around such Entry Features. Entry Features shall be maintained by the Owners at the termination of the Declarant Development Period, or earlier if Declarant so desires.

Section 7. Easements Over the Lots. The Lots shall be subjected to, and the Declarant does hereby grant to the appropriate grantees thereof, the following easements:

(a) Each Lot shall be subject to all easements which are shown and depicted on any recorded plat as affecting and burdening such Lot;

(b) Each Lot shall be subject to an easement for slope control purposes, including the right to grade and plat slopes and prevent the doing of any activity that might interfere with slopes or which might create erosion or sliding problems or which might change, obstruct or retard drainage flow;

(c) Each Lot shall be subject to a non-exclusive perpetual access easement for the repair, maintenance or reconstruction of any dwelling located on an adjoining Lot where the dwelling is located closer than five (5) feet from the lot line common to such adjoining lots. The repair, maintenance or reconstruction shall be done expeditiously, and, upon completion of the work, the owner of the benefited Lot shall restore the adjoining burdened Lot to as near the same condition as that which prevailed prior to the commencement of such repair work as is reasonably practicable.

ARTICLE VIII GENERAL PROVISIONS

Section 1. Enforcement. Each Owner and occupant shall comply strictly with this Declaration and Supplemental Declarations, if any. It is stipulated and agreed that the Owner and their heirs, successors, or assigns, may enforce this Declaration or Supplemental Declarations, if any, by injunction and that this shall not be in exclusion of, but in addition to, all other remedies available in law or equity.

Section 2. Self-Help. In addition to any other remedies provided for herein, the Declarant or its duly authorized agent, during the Declarant Development Period, shall have the power to enter upon any Lot or any other portion of the Property or Subdivision to abate or remove, using such force as may be reasonably necessary, any structure, thing or condition which violates this Declaration. Unless an emergency situation exists, the Declarant shall give the violating Lot Owner ten (10) days' written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice.

Section 3. Duration. The covenants and restrictions of this Declaration shall run with and bind the Property for twenty-five (25) years, and shall inure to the benefit of and shall be enforceable by any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, so long as, and to the extent that, North Carolina law limits the period during which covenants restricting land to certain uses may

run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, any such provision shall be (a) automatically extended (to the extent allowed by applicable law) for successive periods of ten (10) years, unless a written instrument reflecting disapproval signed by the then Owners of at least two-thirds (2/3) of the Lots and Declarant (so long as Declarant owns any property for development and/or sale in the Property or Subdivision or has the right unilaterally to annex additional property to the Property or Subdivision) has been recorded within the year immediately preceding the beginning of a ten (10) year renewal period agreeing to change such provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein; or (b) extended as otherwise provided by law. Every purchaser or grantee of any interest (including, without limitation, a security interest) in any real property subject to this Declaration, by acceptance of a deed or other conveyance therefor, thereby agrees that such provisions of this Declaration may be extended and renewed as provided in this Section.

Section 4. Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent thereto in writing. Further, during the Declarant Development Period, Declarant may unilaterally amend this Declaration for any other purpose without the need for approval by any other Owner.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least seventy-five percent (75%) of the Lots (other than Lots of Declarant so long as the consent of Declarant is required). Amendments to this Declaration shall become effective upon recordation, unless a later effective date is specified therein. No provision of this Declaration which reserves or grants special rights to Declarant shall be amended without Declarant's prior written approval during the Declarant Development Period.

Any lawsuit challenging any aspect of an amendment to this Declaration must be filed in the appropriate court in the county in which the Subdivision is located within one (1) year of the recordation of such amendment in the public registry of the county in which the Subdivision is located.

Section 5. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

Section 6. Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and, to this end, the provisions of this Declaration are declared to be severable.

Section 7. Captions. The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

Section 8. Notice of Sale or Lease. In the event an Owner sells or leases such Owner's Lot, the Owner shall give to the Declarant, during the Declarant Development Period, prior to the effective date of such sale or lease, the name of the purchaser or lessee of the Lot and such other information as the Declarant may reasonably require. The lot Owner shall fully inform all prospective purchasers of the Declarations and the requirements thereunder. The lot Owner shall also give to the purchaser of the Lot a copy of the Declarations and any amendments.

Section 9. Variances. Notwithstanding anything to the contrary contained herein, the Declarant or its designee, during the Declarant Development Period, shall be authorized to grant individual variances from the provisions of this Declaration, and any rule, regulation or use restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Subdivision.

Section 10. Security. The Declarant may, but shall not be required to, from time to time, provide measures or take actions which directly or indirectly improve safety in the Subdivision. Notwithstanding the providing of any such measures or taking of any such action by Declarant, each Owner, for himself or herself and his or her tenants, guests, licensees and invitees, acknowledges and agrees that the Declarant is not a provider of security and shall have no duty to provide security in the Subdivision. It shall be the responsibility of each Owner to protect his or her person and property and all responsibility to provide security shall lie solely with each Lot Owner. The Declarant shall not be held liable for any loss or damage by reason of the failure to provide adequate security or ineffectiveness of security measures undertaken or provided.

ARTICLE XII
