OPERATIONS PERMIT ISSUED? ☒ OP DATE: 9/3/02 BY: [Signature]

This permit is based in part on information provided by the homeowner or his/her representative in the application submitted for this permit. The Environmental Health Specialist is not responsible for false or misleading information contained in the application. The Environmental Health Specialist is also not responsible for concealed conditions on the property or for statements in this report that may have resulted from false or misleading statements provided to him in the application. Neither Wake County nor the Environmental Health Specialist warrants that the septic tank system will continue to function satisfactorily in the future or that the water supply will remain potable.

SCALE

0' 30' 60' 90'

A horizontal scale bar with four segments. The first segment is labeled '0'', the second '30'', the third '60'', and the fourth '90''. The segments are separated by vertical tick marks. The bar is drawn with a double line, and the segments are shaded with a cross-hatch pattern.

I, Larry I. Chasak, certify that this map is correct and that the buildings lie wholly on the lot and there are no other visible easements or encroachments to my knowledge, other than those shown.

 Comments: —

Site plan approved as shown for Deck.
Any changes to site plan voids approval. All setbacks apply for septic systems and wells, regarding any pools, decks, additions and/or accessory structures. Applicant is responsible for protecting all portions of the septic system, repair area and wells from damage during construction. Adhere to all Local and State Rules.
