WHEREAS, Declarant is the owner of approximately 1.84 acres of land located in St. Matthew's Township, Wake County, North Carolina, being the property acquired by Declarant by deed recorded in Book 11050, Page 429, Wake County Registry, which Declarant is developing into a community known as **HERNDON OAKS TOWNHOMES** (hereinafter the "Subdivision"); and

WHEREAS, Declarant desires to provide for the maintenance and upkeep of the Common Area (hereinafter defined) within the Subdivision and to provide for enforcement of covenants and restrictions applicable to the Subdivision, and, to that end, desires to subject the property within the Subdivision to the covenants, conditions, restrictions, easements, charges and liens hereinafter set forth, each and all of which is and are for the benefit of such property and each owner thereof; and

NOW, THEREFORE, Declarant declares that the real property described in **EXHIBIT A** to this Declaration, and such additions thereto as may hereafter be made pursuant to Article II hereof, is and shall be owned, held, transferred, sold, conveyed, mortgaged, used and occupied subject to the covenants, conditions, restrictions, easements, charges and liens set forth in this Declaration, which shall run with the real property and be binding on all parties owning any right, title or interest in said real property or any part thereof, their heirs, personal representatives, successors and assigns, and shall inure to the benefit of each owner thereof.

Section 1. Existing Property. The real property which, at the time of recording of this Declaration, is and shall be held, transferred, sold, conveyed, and occupied subject to this Declaration, and which is within the jurisdiction of the Association, is described on **Exhibit A** attached hereto.

Section 2. Additions to Existing Property by Declarant. Additions to Existing Property, if any, must comply with the provisions of Article XII, Part A, Sections 1(b) and 13 and Part B, Section 6.

Section 3. Conveyance of Common Area in Annexed Property. Prior to the conveyance of the first Lot within any newly annexed property to an Owner other than Declarant, the owner of the annexed property shall convey to the Association all Common Area located within the newly annexed property. Title to such Common Area shall be conveyed in the same manner as set forth in Section 3 of Article IV of this Declaration.

ARTICLE III
MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Declarant and every Owner of a Lot which is subject to assessment by the Association shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of the Lot. The foregoing is not intended to include persons or entities who or which hold an interest merely as security for the performance of an obligation.

Section 2. Voting Rights. The voting rights of the membership shall be appurtenant to the ownership of the Lots. There shall be two (2) classes of membership with respect to voting rights.

(a) **Class A Members**. Class A Members shall be the Owners of all Lots except those owned by the Declarant. Class A Members shall be entitled to one (1) vote for each Lot owned. When more than one person owns an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the

voting rights appurtenant to their Lot shall be exercised as they, among themselves, may determine; but fractional voting shall not be allowed, and in no event shall more than one vote be cast with respect to any Lot. Lots owned by Class A Members shall be "Class A Lots".

(b) **Class B Member**. The Class B Member shall be the Declarant. Subject to the provisions of this subsection, Declarant shall be entitled to nine (9) votes for each Lot that it owns (each such Lot being a "Class B Lot"). Upon expiration of the Declarant Control Period, Declarant shall have one vote for each Lot that it owns; however, such Declarant-owned Lots shall continue to be treated as Class B Lots for assessment purposes.

Section 3. Declarant's Right to Appoint Directors and Officers of the Association. Notwithstanding any other provision of this Declaration or the Bylaws, until the expiration of the Declarant Control Period, Declarant may, in its discretion, appoint and remove all of the Directors and officers of the Association. Declarant's intent to not exercise or continue to exercise that right should be set forth in the notice of the annual meeting of the Members. *See* §47F-3-103(d) of the Act.

Section 4. Vacant/Leased Dwellings. If the Owner of a Lot ceases to occupy the Dwelling constructed thereon as his own personal living quarters or if any Dwelling within the Properties is leased for rental purposes to tenants, the vote as expressed by the Owners of such vacant or rental units shall not be entitled to any weight greater than forty-nine percent (49%) on any matter pending before the Association. This Section applies only to Lots and Dwellings owned by Class A Members and specifically excludes Lots and Dwellings owned by the Declarant.

ARTICLE IV
PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment and Access. Except as limited by Section 2 of this Article IV and by rules and regulations adopted by the Members and/or the Board of Directors, every Owner shall have a right and easement of enjoyment in, use of and access to, from, and over the Common Area, which right and easement shall be appurtenant to and shall pass with title to every Lot, subject to:

(a) The right of the Association to charge reasonable admission and other fees for the use of any facilities situated or constructed on the Common Area and to limit the use of such facilities to Owners who occupy a residence on the Properties and to their families, tenants and guests, as provided in Section 2 of this Article IV.

(b) The right of the Association, after notice and an opportunity to be heard as provided in Section 3 of Article VII of the Bylaws, to suspend the voting rights of an Owner and the right of an Owner to use the Common Area and facilities thereon for any period during which any assessment against his Lot remains unpaid for a period of thirty (30) days or longer, or for a period not to exceed sixty (60) days for any infraction of the public rules and regulations of the Association, provided, however that right to use any Common Area providing access, stormwater drainage or utilities to his Lot may not be suspended.

(c) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed upon by the Members. No such dedication or transfer shall be effective unless Members entitled to at least eight percent (80%) of the votes of the entire membership of the Association agree to such dedication, sale or transfer, *provided that* this subsection shall not preclude the Board of Directors of the Association from granting easements for the installation and maintenance of sewage, utility and drainage facilities upon, over, under and across the Common Area without the assent of the Members when such easements, in the opinion of the Board, are necessary for the convenient use and enjoyment of the Properties. Notwithstanding anything herein to the contrary, the Common Area shall be preserved to the perpetual benefit of the Owners or of the public in general and shall not be conveyed except to the City of Raleigh or another governmental entity (and accepted by same) or to a nonprofit entity organized for purposes similar to those of the Association.

(d) The right of the Association, with the assent of Members entitled to at least eighty percent (80%) of the votes of the entire membership of the Association, to mortgage, pledge, deed in trust, or otherwise encumber any or all of its real or personal property as security for money borrowed or debts incurred, provided that the rights of any such lender or mortgagee shall be subordinate to the property rights of the Owners as set forth herein.

(e) The right of the Association, as provided in Section 1(b) of Part C of Article XII hereof, to exchange all or part of the Common Area for other property and consideration of like value and utility. *See also* Section 1(c) of Part D and Section 1(d) of Part E of Article XII hereof.

Section 2. Delegation of Use.

(a) Family. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be exercised by members of the Owner's family who occupy the residence of the Owner within the Properties as their principal residence in Wake County, North Carolina.

(b) Tenants. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be delegated by such Owner to his tenants or contract purchasers who occupy such Owner's Unit, or a portion thereof, as their principal residence in Wake County, North Carolina.

(c) Guests. The right and easement of use and enjoyments granted to every Owner by Section 1 of this Article may be delegated by such Owner to guests of such Owners, tenants or contract purchasers, subject to such rules and regulations as may be established by the Board of Directors.

Section 3. Conveyance of Title To The Association. Declarant covenants, for itself, its successors and assigns, that, prior to the conveyance of the first Lot within any phase of the Subdivision to an Owner other than Declarant, Declarant will convey to the Association title to those portions of the Common Area to be owned in fee by the Association. Declarant hereby reserves and grants (regardless of whether or not such reservation and grant is specifically set forth in such deed), for itself and its successors and assigns, a temporary easement over, under, across and through the Common Area so long as it owns any Lot or other real property within the

Properties, for the purpose of constructing any improvements on the Common Area and/or the Lots as it deems necessary or advisable. Except as otherwise stated herein, all conveyances by Declarant to the Association shall be free and clear of all encumbrances and liens (including statutory liens of laborers and material suppliers pursuant to Article 2 of Chapter 44A of the North Carolina General Statutes) except this Declaration, restrictive covenants applicable to the Subdivision, utility, drainage, greenway, conservation, utility and other easements of record or shown on the recorded plats of the Subdivision, and the lien of *ad valorem* taxes not yet due and payable. Any improvements placed on the Common Area by Declarant shall become the property of the Association upon completion of such improvements, except utilities owned and maintained by the City of Raleigh or other governmental entity, or a public or private utility company. *See also* Article XII, Part A, Section 16.

Section 4. Regulation and Maintenance of Common Area and Common Area Easements. It is the intent of Declarant that the Common Area (whether owned by the Association in fee or by easement) be preserved to the perpetual benefit of the Owners within the Subdivision. To that end, the Declarant, by recording any plat or map of any phase or section of the Subdivision, grants to the Association an easement over and across that portion of any Lot within such phase or section on which a Common Area Easement lies for the purpose of enabling the Association to take action permitted by this Section 4.

(a) Rights and Responsibilities of the Lot Owners. Each Owner of a Lot upon which a Common Area Easement lies shall pay all property taxes and other assessments levied against his Lot, including that portion of such tax or assessment as is attributable to such Common Area Easement. Notwithstanding any other provision of this Declaration, no Owner or other person shall, without the prior written consent of the Association: (i) remove any trees or other vegetation from Common Area; (ii) erect gates, fences, buildings or other structure on any Common Area; (iii) place any garbage receptacles on or in any Common Area; (iv) fill or excavate any Common Area or any part thereof; or (v) plant vegetation or otherwise restrict or interfere with the use, maintenance and preservation of any Common Area.

It is the intent of the Declarant that a Common Area Easement be maintained in the same state as when the Lot upon which such Easement lies was conveyed to an Owner (other than the Declarant), except for changes authorized or approved in writing by the Declarant or the Association. If an Owner of a Lot on which a Common Area Easement lies fails to maintain the easement area as provided herein, whether by act or omission, the Association shall have the right to enter upon such Owner's Lot for the purpose of maintaining same and shall have the right to charge such Owner with the costs of such maintenance, which costs, if not paid within thirty (30) days after demand for payment is made by the Association, shall be collected in the same manner and shall incur the same late charges, interest and costs of collection as set forth in Section 7 of Article V of this Declaration.

(b) Rights and Responsibilities of the Association. The Association shall have the right and obligation to ensure that the Common Area is preserved to the perpetual benefit of the Owners and, to that end, shall: (i) maintain the Common Area in its natural or improved state, as appropriate, and keep it free of impediments to its free use by the Owners, subject, however, to easements of record and any limitations on

such use provided in this Declaration or rules and regulations adopted by the Association as provided herein and in the Bylaws; (ii) procure and maintain adequate liability insurance covering the Association and its Members against any loss or damage suffered by any person, including the Owner of the Lot upon which a Common Area Easement lies, resulting from use of the Common Area; and (iii) pay all property taxes and other assessments levied against all Common Area owned in fee by the Association.

(c) Association's Right of Entry for Maintenance of Common Area Easements. The Association and its employees, agents, contractors and subcontractors shall have a nonexclusive right and easement at all times to enter upon any portion of a Lot reserved or designated as a Common Area Easement, and any other portion of the Lot to the extent necessary to gain access and maintain improvements and facilities within the Common Area Easement, and no such entry shall be deemed a trespass. To the extent practicable, the Association shall give reasonable oral notice to the Owner or occupant of such Lot.

ARTICLE V
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Person Obligation of Assessments. *See* Article XII, Part A, Section 5.

Any monetary fines imposed against an Owner pursuant to Section 3 of Article VII of the Bylaws shall constitute a lien against the Lot of such Owner to the same extent as if such fine were an assessment against such Lot.

Section 2. Purposes of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Subdivision and, in particular, for: (i) acquisition, improvement, and maintenance of properties, services and facilities related to the use and enjoyment of the Common Area; (ii) maintenance, repair and reconstruction of the Common Area and improvements thereon, including, without limitation, stormwater drainage facilities, including, without limitation, the cost of repair, replacement and additions thereto and the cost of labor, equipment, materials, management and supervision thereof; (iii) maintenance of private streets and medians and islands within public and private streets within the Properties; (iv) maintenance of private water and sewer distribution systems within the Properties; (v) any maintenance of Lots and the exterior of Units undertaken by the Association pursuant to Article VI hereof; (vi) exterior yard maintenance maintained by the Association as set forth in Article VI hereof; (vii) payment of taxes and public assessments levied against Common Area owned by the Association in fee; (viii) procurement of insurance; (ix) employment of attorneys, accountants and other persons or firms for Association business; (x) payment of principal and interest on funds borrowed for Association purposes; (xi) Common Expenses and other purposes set forth in Article XII, Part A, Section 5; and (xii) such other needs as may arise.

Section 3. Maximum Annual Assessment. Until December 31, 2006, the Maximum Annual Assessment shall be **$1,356.00** ($113.00 per month) for each Class A Lot. The Maximum Annual Assessment for Class B Lots shall be zero (0). Beginning on January 1, 2007, and on

January 1 of each year thereafter, the Maximum Annual Assessment for Class A Lots shall automatically, subject to the ratification vote of Article XII, Part A, Section 5(c), be increased by ten percent (10%) of the Maximum Annual Assessment for the previous year.

Section 4. Commencement Date for Annual Assessments; Amount of Assessments. Unless a different commencement date is set by the Board of Directors, the annual assessments provided for herein shall commence as to a Lot on the first day of the month after the Lot is subjected to this Declaration.

Subject to the provisions of this Section and Article XII, Part A, Section 5, the Board of Directors may fix the annual assessment for Class A Lots at any amount not in excess of the Maximum Annual Assessment in effect for the appropriate assessment year. The annual assessment for Class B Lots shall be zero, provided, however, that any Lot which contains a dwelling occupied by any person as a residence shall be assessed at the Class A rate. Unless a lower amount is set by the Board of Directors, the initial annual assessment shall be the "Maximum Annual Assessment" set forth in Section 3 of this Article, and shall be prorated according to the number of months remaining in the calendar year. Annual assessments shall be fixed at a uniform rate for all Lots in each class and may be collected on a yearly, semiannual, quarterly or monthly basis, as determined by the Board of Directors.

Subject to the provisions of this Section and of Article XII, Part A, Section 5, at least twenty (20) days before January 1 of each year, the Board of Directors shall fix the amount of the annual assessment against each Lot. At least ten (10) days before January 1 of each year, the Board of Directors shall send written notice of such assessment to every Owner subject thereto.

Section 5. Special Assessments. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, for repayment of indebtedness and interest thereon, or for any other purpose, provided that any such assessment if such increase is approved by the Class B Member and by not less than two-thirds (2/3) of the votes cast by the Class A Members present, in person or by proxy, at a meeting duly called for that purpose and further provided that the special assessments for Class B lots shall be zero. Special assessments shall be fixed at a uniform rate for all Lots within each Class and may be collected on a yearly, semiannually, quarterly, or monthly basis, as determined by the Board of Directors.

Section 6. Notice of Quorum for any Action Authorized Under Section 5. Written notice of any meeting called for the purpose of taking any action authorized under Section 5 shall be sent to all Members not less than fifteen (15) days nor more than forty-five (45) days prior to the meeting. At such meeting, the presence of Members or of proxies entitled to cast days sixty percent (60%) of the votes of each Class of Lots shall constitute a quorum. If the required quorum is not present at any meeting is called subject to the same notice requirement, and if the meeting is called for a date not later than sixty (60) days after the date of the first meeting, the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

Section 7. Effect of Nonpayment of Assessments; Remedies. An assessment not paid within fifteen (15) days after the due date shall incur late charge as the Board of Directors may from time to time establish, and, if not paid within thirty (30) days after the due date, shall also bear interest from the due date at a rate established by the Board of Directors from time to time, but in no event shall such rate be greater than eighteen percent (18%) per annum or the maximum rate allowable by law, whichever is less. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by abandonment of his Lot. *See also* Article XII, Part A, Section 5(d).

Section 8. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust on a Lot. Sale or transfer of any Lot shall not affect any assessment lien; however, the sale or transfer of a Lot pursuant to foreclosure of a first mortgage or first deed of trust, or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of any assessments which became due prior to the date of conveyance pursuant to such foreclosure. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or first deed of trust.

Section 9. Exempt Property. All Common Area owned in fee by the Association, all property dedicated to and accepted by a public authority, and all property owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. Notwithstanding the foregoing, no Lot containing a Dwelling occupied by a Person as a residence shall be exempt from assessments.

Section 10. Working Capital Fund. At the time of closing of each initial sale of each Dwelling constructed on a Lot, a sum equal to one-sixth (1/6) of the annual assessment for Class A Lots in effect at the time of such sale shall be collected from the purchaser of such Lot and transferred to the Association as part of its working capital. The purpose of the working capital fund is to insure that the Association will have adequate cash available to meet its operating expenses or to acquire additional equipment or services deemed by the Board of Directors to be necessary or desirable. Amounts paid to the Association pursuant to this Section shall not be considered as an advance payment of any regular assessment.

Section 11. Declarant's Obligation to Fund Operating Defaults. *See* Article XII, Part A, Section 5(f).

ARTICLE VI
MAINTENANCE OF LOTS AND COMMON AREAS

Section 1. Association's Responsibility. In addition to maintenance of the Common Area and the improvements and facilities located thereon, the Association shall be responsible for maintaining the grass, plants, shrubs, trees, landscaping, sidewalks, driveways and parking areas located on each Lot (hereinafter the "Yard Improvements") and installed by the Declarant or the Association, and any Yard Improvements installed by an Owner with the prior written consent of the Association (but only to the extent that such consent specifically provides that the Association will maintain such added Yard Improvements), provided, however, that: (i) the Association shall not be responsible for maintaining any fence installed on any Lot or any Yard Improvements

inside of such fence installed; (ii) the Association's obligation to maintain shall not include the obligation to replace any plant, shrub or tree for any reason; and (iii) the Association shall not be responsible for repair or replacement of any Yard Improvements when such repair or replacement is necessitated by work done by or at the request of any Owner or any utility company or governmental entity. The Association shall also be responsible for maintenance and repair of all retaining walls constructed by the Declarant or the Association within the Properties, whether on the Common Area or a Lot. The Association shall also maintain and repair the exterior of each Dwelling, including, without limitation, its roof and exterior walls, but specifically excluding glass windows and doors.

The Board of Directors of the Association or the Members, by the affirmative vote of a majority of the Members of each Class, shall have the right (but not the obligation) to accept certain items, areas or improvements on a Lot for maintenance by the Association, including, but not limited to, Yard Improvements installed by an Owner. Such acceptance shall be in writing and may be subject to such terms and conditions, including, but not limited to, a special assessment or increased annual assessment for that Lot (which, being consensual, need not be approved as provided in Article V hereof), as the Association might establish in such written acceptance.

Section 2. Owner's Responsibility; Remedy for Owner's Failure to Maintain. Any maintenance on a Lot that is not the responsibility of the Association, whether by the terms of this Declaration or by written acceptance of same, shall be the responsibility of the Owner of such Lot. If an Owner does not perform any required maintenance of his Lot or Dwelling, the Association shall have the right (but not the obligation), through its agents and employees, by the affirmative vote of not less than two-thirds (2/3) of the Board of Directors, to enter upon such Lot and to repair, maintain and restore the Lot or exterior of the Dwelling erected thereon, and the cost of such maintenance, plus a surcharge of 15% for administration, shall be assessed in accordance with Section 3 of this Article. Prior to such entry, the Association shall give written notice to the Owner stating: (i) the specific items needing maintenance; (ii) the corrective action to be taken; (iii) a time, not less than 15 calendar days from the date of the notice, in which the Owner is to perform the necessary maintenance; and (iv) a statement that, if the Owner fails to perform the maintenance within such time period, the Association will exercise its right to perform the maintenance and that the Owner will be assessed with the costs thereof as provided in this Article VI.

Section 3. Assessment of Cost. In the event that the Association performs maintenance on any Lot as provided in Section 2 of this Article VI, the cost of any such maintenance, replacement or repairs shall be assessed against the Lot upon which such maintenance is done and shall be added to and become part of the assessments to which such Lot is subject under Article V and Article XII, Part A, Section 5 hereof, enforceable under the terms thereof.

Section 4. Access at Reasonable Hours. As provided in Section 5 of Article VIII of this Declaration, the Association, through its duly authorized agents or employees, shall have the right, without notice to the Owner, to enter upon any Lot at reasonable hours on any day to perform any maintenance and repairs to be performed by the Association.

ARTICLE VII

Neither the granting of easements for utilities or other purposes as provided in Section 1(c) of Article IV hereof, nor the exchange of real property as provided in Section 1(d) of said Article IV hereof, shall be deemed a transfer within the meaning of this subsection (a). ARTICLE VIII
EASEMENTS

In addition to all other easements granted or reserved elsewhere in this Declaration, Declarant hereby grants and/or reserves the following easements.

Section 1. Access and Utility Easements. Easements for the installation and maintenance of driveway, walkway, water line, sewer lines, natural gas lines, telephone, cable television, electric power transmission lines, stormwater drainage facilities, and other public or quasi-public utility installations are reserved as shown on the recorded plats of the Properties. The Association may reserve and grant easements over the Common Area as provided in Article IV, Section 1(c), of this Declaration. Within any such easement herein provided, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation or maintenance of the utilities installed thereon, or which may change the direction of flow or drainage of water through drainage pipes or channels constructed in such easements.

For a period of twenty-five (25) years from the date hereof, Declarant grants to and reserves for the Declarant, the Association, and their successors and assigns, an easement and right of ingress, egress and regress on, over and under the Properties to maintain and correct drainage or surface water runoff in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any grading of the soil, or take any other similar action that it deems reasonably necessary or appropriate. After such action has been completed, the person or entity taking such action shall grade and seed the affected property and restore the affected property to its original condition to the extent practicable, but shall not be required to replace any trees, bushes or shrubbery necessarily removed. The person or entity taking such action shall give reasonable notice of its intent to take such action to all affected Owners.

Section 2. Easement for Support. Every Lot and Unit which contributes to the lateral and/or vertical support of any adjoining Lot or Unit shall be burdened with an easement of support for the benefit of such adjoining Lot or Unit.

Section 3. Easement for Encroachments. In the event that any structure erected on a Lot encroaches upon any other Lot or the Common Area, and such encroachment was not caused by the purposeful act or omission of the Owner of such Lot, then an easement appurtenant to such Lot shall exist for the continuance of such encroachment for so long as such encroachment shall naturally exist. In the event that any structure erected principally on the Common Area encroaches upon any Lot, then an easement shall exist for the continuance of such encroachment for so long as such encroachment shall naturally exist. The foregoing shall not be construed so as to allow any extension or enlargement of any existing encroachment or to permit the rebuilding of the encroaching structure, if destroyed, in a manner so as to continue such encroachment, except

such encroachment as was in existence as of the date of conveyance of the Lot to the first Owner other than the Declarant.

Section 4. Association's Easement Upon Lots. The Association shall have a right, license and easement to go upon any Lot for the purpose of fulfilling its obligations and exercising its rights under this Declaration, any restrictive covenants applicable to the Subdivision, and any other laws, ordinances, rules and regulations, public or private, which the Association is obligated or permitted to enforce. Such easement shall include, without limitation, the right to go on any Lot to correct, repair or alleviate any condition which, in the opinion of the Board of Directors of the Association or of the manager employed by the Association, creates or may create an imminent danger to the Common Area or improvements thereon.

ARTICLE IX

If Declarant fails to approve or disapprove such proposed Improvements within thirty (30) days after the plans and specifications have been received by it, approval will not be required, and this Article shall be deemed to have been complied with. Declarant shall have the right to charge a reasonable fee, not to exceed $125.00 for receiving and processing each application. Declarant shall have the right (but not the obligation) to promulgate and from time to time amend written architectural standards and construction specifications (hereinafter the "Architectural Guidelines") which may be establish, define and expressly limit the standards and specifications which will be approved, including, but not limited to, architectural style, exterior color finish, roofing material, siding material, driveway material, landscape design and construction technique. Declarant shall not approve any Improvements which it determines, in its discretion, not to be in harmony of external design, construction and/or location in relation to the surrounding structures, topography or the general plan of development of the Subdivision.

Declarant may, at any time, delegate the review and approval authority contained in this Article IX to the Board of Directors of the Association, which, in turn, may delegate such authority, to an Architectural Committee composed of three or more persons appointed by the Board. Declarant shall delegate such authority no later than the date upon which Declarant no longer owns any Lots within the Properties, or October 31, 2012, whichever is earlier.

Any use of the term "Declarant" in this Article IX shall be deemed to apply to Declarant and, when appropriate, to the Board of Directors or the Architectural Committee. Nothing herein shall be construed to permit interference with the development of the Lots by Declarant in accordance with its general plan of development.

Declarant shall have and shall exercise the rights set forth herein as to a Lot at all times prior to issuance of a certificate of occupancy or other certificate issued by the appropriate governmental entity for the Dwelling constructed on a Lot.

ARTICLE X

No television, radio or other electrical towers, aerials, antennae, satellite dishes, or other devices of any type for the reception or transmission of radio or television broadcasts or other means of communication shall be erected, constructed, placed or permitted to remain on any Lot or upon any improvements thereon, except that this prohibition shall not apply to those antennae specifically covered by 37 C.F.R. Part 1, Subpart S, Section 1.4000 (or any successor provision) promulgated under the Telecommunications Act of 1996, as amended from time to time. The Association shall be empowered to adopt rules governing the types of antennae that are permissible hereunder and establishing reasonable, non-discriminatory restrictions relating to safety, location and maintenance of antennae.

Failure by the Association or an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement actions, or any case in which the Board reasonably determines that the cost of enforcement outweighs the benefit to be gained by enforcement. Any such determination shall not be construed as a waiver of the right to enforce

such provisions under other circumstances or to estop the Association from enforcing any other covenant, restriction or rule.

Section 2. Term; Amendment. The covenants and restrictions of this Declaration shall run and bind the land, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated or altered by a vote of seventy-five (75%) percent of the Owners after the expiration of said twenty-five (25) year period.

This Declaration may be amended only in strict compliance with this Section, Section 4, Part A of Article X hereof, and the Act, including, without limitation, Section 47F-2-117 of the Act, except that no Amendment altering or impairing Special Declarant Rights may be made without the written consent of the Declarant. This Declaration may be amended by an instrument signed by the Owners of not less than seventy-five (75%) percent of the Lots and, during the Declarant Control Period by the Declarant; provided, however, that in no event may Declarant's rights hereunder may be amended or altered without Declarant's prior written consent. Any amendment must be properly recorded and shall take effect only upon recording. For the purpose of this section, additions to existing property as provided in Article II, Section 2 hereof correct shall not constitute an "amendment".

Notwithstanding the foregoing, Declarant, without the consent or joinder of the Owners or other person or entity, may amend this Declaration during the Declarant Control Period, provided such amendment is not expressly prohibited by the Act, and further provided that such amendment does not adversely affect the title any Lot nor materially alter or change any Owner's right to the use and enjoyment of such Owner's Lot or the Common Area as set forth in this Declaration. *See also* Section 4 of Part A of Article XII hereof.

Notwithstanding any other provisions of this Declaration, no amendment of this relating to procedures for amending this Declaration or relating to any provision required by the Code to be included in this Declaration (including, without limitation, provisions relating to Stormwater Control Measures, funding requirements under any Stormwater Agreement applicable to the Properties, Stormwater Assessments, and the City's rights with regard to Stormwater Assessments), shall be effective without the prior approval (if required) of the Raleigh City Attorney or his/her deputy. Evidence of such approval (if required) shall be indicated by the signature of the Raleigh City Attorney or his/her deputy on the recorded amendment.

Furthermore, should the Federal Housing Administration ("FHA"), the Secretary of Veterans Affairs ("VA"), the Federal National Mortgage Association ("FNMA"), or the Federal Home Loan Mortgage Corporation ("FHLMC"), or any other governmental entity which adopts or has adopted statutes, laws, ordinances, rules or regulations applicable to the Project, the Association or this Declaration subsequently delete any of their respective requirements which necessitate the provisions of this Declaration or make such requirements less stringent, the Declarant or the Board, without consent of the Owners, may cause an amendment to this Declaration to be recorded to reflect such change.

Section 3. Subdivision of Lots. No Lot within the Subdivision may be subdivided by sale or otherwise so as to reduce the total Lot area shown on a recorded plat of the Subdivision,

except with the consent of the Declarant during the Declarant Control Period, and thereafter by the Association, and, if required, by the City.

Section 4. Rules and Regulations. The Board of Directors shall have the authority to adopt additional rules and regulations governing the use of the Common Area and the Lots and shall furnish a written copy of said rules and regulations to the Owner(s) of each Lot at least fifteen (15) days before such rules and regulations become effective.

In addition to any other rights and remedies that the Association may have under this Declaration, the Association may impose sanctions for violations of this Declaration, the Bylaws of the Association, restrictive covenants and other use restrictions applicable to the Properties, or rules and regulations adopted by the Association in accordance with procedures set forth in the Bylaws, which sanctions may include, but are not limited to, reasonable monetary fines, which fines shall be deemed a special assessment and a lien upon the Lot of the violator, and suspension of the right to vote and the right to use any recreational facilities within the Common Area; provided, however, that the Association may not suspend such Owner's right of access to or any stormwater drainage or utilities servicing his Lot.

In addition, pursuant to procedures provided in the Bylaws, the Association may exercise self-help to cure violations (specifically including, but not limited to, the towing of Owner and tenant vehicles that are in violation of parking rules) and may suspend the right of an Owner to use any Common Area if the Owner is more than thirty (30) days delinquent in paying any assessment or other charge due to the Association, provided, however, that the Association may not suspend such Owner's right of access to or any stormwater drainage or utilities servicing his Lot.

The Association shall have the right and easement to go upon any Lot for the purposes of exercising its rights hereunder, including, but not limited to, enforcement of the architectural guidelines applicable to the Properties. Any entry upon any Lot for purposes of exercising this power of self-help shall not be deemed as trespass. All remedies set for the in this Declaration and the Bylaws shall be cumulative of any remedies available at law or in equity. In any action to enforce its rights and remedies, the party prevailing in such action shall be entitled to recover all costs, including, without limitation, attorney's fees and court costs, reasonably incurred in such action.

Section 5. Condemnation/Casualty. If all or any part of the Common Area and improvements thereon are taken by power of eminent domain or are damaged or destroyed by fire or other casualty, the proceeds of the condemnation award or any insurance policies covering such improvements shall be payable to the Association. The Board of Directors shall propose to the Members, at an annual or special meeting held within sixty (60) days after the date of the condemnation or casualty, whether or not to reconstruct the improvements. The insurance proceeds shall be used to reconstruct the improvements except as provided in §47F-3-113(g) of the Act, in which event the proceeds shall be retained by the Association for operation expenses or reserves, as determined by the Board or the Members. Nothing in this Section shall prevent the Board from proposing and the Members from approving the use of such proceeds for construction of different improvements, e.g., playground on Common Area in lieu of a destroyed club house.

Section 6. Association Contracts and Leases During Declarant Control Period. All Association contracts and leases made during the Declarant Control Period which extend

beyond the Declarant Control Period must: (i) be for a term of two years or less; (ii) be terminable without penalty by the Association upon no more than ninety (90) days written notice; and (iii) be commercially reasonable and made with an entity not affiliated with the Declarant.

If any such provision is deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

If any item, term or provision contained in this Declaration is in conflict with any applicable federal, state or local laws, this Declaration shall be affected only as to its application to such item, term or provision, and shall in all other respects remain in full force and effect.

There may be certain provisions of the Code that apply to all of the Properties and certain provisions of the Code that apply only to certain portions of the Properties (for example, provisions of the Code relating to private streets apply only to those portions of the Properties that contain private streets). It shall be the responsibility of the Association and each Owner of each portion of the Properties to comply with all provisions of the Code applicable to such portion of the Properties, whether or not any approval, disapproval, waiver or variance of the terms of this Declaration with respect to such portion of the Properties has been given by the Declarant or its authorized agent, the Board, any committee of the Board, or any other Person who has the authority to give such approval, disapproval, waiver or variance.

Section 3. Conflicts.

(a) Some or all of the Properties may be subject to the provisions of the Act. To the extent that Properties are subject to the Act, the provisions of the Act control over any inconsistent provisions of this Declaration, any Annexation Declaration or any other Governing Documents.

(b) The provisions of the Code control over any inconsistent provisions of this Declaration, any Annexation Declaration or any other Governing Documents. As applicable provisions of the Code are amended, modified, revised, deleted, or moved to different sections, this Declaration and all Annexation Declarations are deemed to be revised so as to conform to the provisions of the Code as they exist from time to time and are applicable to the Properties or any part thereof. Provided, however, any provision of this Declaration or any Annexation Declaration that is more restrictive than an applicable provision of the Code (for example, a building setback distance required by this Declaration or an Annexation Declaration that is greater than that required by the Code) is not an inconsistent provision of this Declaration unless the Code specifically provides otherwise, and is not deemed revised to conform to the Code.

(c) The provisions of this Article control over any inconsistent provisions of any other portion of this Declaration, any Annexation Declaration or any other Governing Documents.

(d) The provisions of this Declaration control over any inconsistent provisions of any other Governing Documents, except as to matters of compliance with the North Carolina Nonprofit Corporation Act, in which event the Articles shall control.

Section 4. Amendment of Declaration. Amendments to this Declaration are valid from the later of the time of recording in the Registry or such later date specified in the amendment. When City approval of an amendment is required by the Code or by a provision of this Declaration (including this Article), City approval shall be evidenced by the signature of the Raleigh City Attorney or his/her Deputy on the recorded original or copy of the amendment. Any amendment of this Article of this Declaration must have prior City approval. Any amendment of this Article or any other provision of this Declaration that requires City approval is void *ab initio* if recorded without the required City signature.

Section 5. Assessments.

(a) Obligation for Assessments. Each Owner, by execution of this Declaration or by acceptance of a deed or other instrument conveying title to a Lot, whether or not it shall be so expressed therein, is deemed to consent and agree to pay to the Association (or to any Person who may be designated by the Association to collect such monies) all assessments and other charges required by this Declaration, including the following: (1) annual assessments; (2) working capital assessments; (3) stormwater assessments created and established pursuant to Part B of this Article; (4) special assessments; (5) fines for violations of the provisions of this Declaration or other Governing Documents or assessments levied against Owners for misuse and damage to the Common Areas by the Owners or their family members, tenants, agents, contractors and guests; (6) individual assessments for any expense under the Code or this Declaration which the Association becomes obligated to pay and pays on behalf of an Owner; (7) late payment charges, interest on unpaid assessments, costs of collection, including without limitation, court costs, service charges, and attorney's fees as provided in the Act, and charges for dishonored checks; all as established by the Board from time to time; and (8) all other assessments and charges imposed or allowed to be imposed by this Declaration.

The Association at all times has the right to include as part of the assessments or other charges applicable to the Properties and the Owners thereof such amounts as are required to pay all Common Expenses and all financial obligations of the Association imposed by the Code either (i) directly on the Association, or (ii) indirectly on the Association by imposition of the financial obligation on some or all of the Owners, with the Association having responsibility for collection and payment to the City.

(b) Purpose of Assessments. The annual assessment primarily is for the purpose of funding the Common Expenses of the Association, including monies allocated for reserve funds, for the Fiscal Year to which it applies and in accordance with the budget for that Fiscal Year adopted by the Association, although such assessments may be used for payment of any Common Expenses as determined by the Board. All budgets of the Association shall be proposed in good faith and with the intent to cover all reasonably necessary Common Expenses for the applicable Fiscal Year of the Association, including monies allocated for reserve funds.

(c) Budgets; Amount of Assessments. The Association is at all times empowered to levy assessments against the Lots and the Owners of Lots within the Properties for the payment of Common Expenses.

Notwithstanding the foregoing, for calendar year 2006, the annual assessment per Lot is **$1,356.00**. The "Maximum Annual Assessment" for each subsequent Fiscal Year for purposes of voting percentages to ratify the budget is 110% of the amount of the annual assessment for the immediately preceding Fiscal Year.

The Board of Directors shall adopt a proposed budget for the Association at least annually. Within thirty (30) days after the adoption of the proposed budget, the Board of Directors shall send a copy of the proposed budget to the Members and shall give written notice to the Members of a meeting of the Members to consider ratification of the budget, such meeting to be held not sooner than ten (10) days nor more than sixty (60) days after the mailing of such notice. Such meeting may, but need not be, combined with the annual meeting of the Members.

There shall be no requirement that a quorum be present to vote on ratification of the budget (although a quorum must be present to vote on other matters). The budget shall be deemed ratified unless at that meeting Members having a majority of the votes of the entire membership vote to reject the budget; provided, however, if the budget provides for an annual assessment per Lot not in excess of the Maximum Annual Assessment in effect for that Fiscal Year of the Association, such budget shall be deemed ratified unless Members having at least eighty percent (80%) of the votes of the entire membership vote to reject the budget. If any proposed budget is rejected by the Members, the budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board.

The provisions of this subsection shall not apply to, nor shall they be a limitation upon, any change in the annual assessment or the Maximum Annual Assessment incident to a merger or consolidation as provided in §47F-2-121 of the Act.

(d) Effect of Non-Payment; Remedies. No Owner shall be exempt from liability for any assessment provided for herein for reason of non-use of the Common Area or such Owner's Lot, or abandonment or leasing of such Owner's Lot, or unavailability of the use or enjoyment of the Common Area.

All assessments and other charges shall be established and collected as provided in this Declaration. All assessments and other charges remaining unpaid for thirty days (30) days or longer, together with late charges, interest, and the costs of collection thereof, including attorney's fees, shall be charge on the Owner's Lot as provided in G.S.47F-3-116 of the Act and, upon filing of a claim of lien in the office of the clerk of superior court of the county in which the Lot is located in the manner provided in G.S.47F-3-116(g), shall be a continuing lien upon the Lot against which such assessment is made until paid in full. The lien may be foreclosed by the Association in any manner permitted under the Act or by law. When the holder of a first mortgage or first deed of trust of record or other purchaser of a Lot who obtains title to the Lot as a result of a foreclosure of a first mortgage or first deed of trust, such purchaser and its heirs, successors, and assigns shall not be liable for the assessments and other charges against such Lot which became due prior to the acquisition of title to such Lot by such purchaser. Each assessment and other charges due hereunder, together with late charges, interest, the costs of collection thereof, including attorney's fees, shall also be the personal obligation or corporate obligation of each Person who was Owner of the Lot at the time when the assessment or other charge first became due and payable and may be collected by appropriate action at law. If more than one Person held an ownership interest in the Lot at the time the assessment or other charge first became due, then each Person shall be both jointly and severally liable. An Owner's personal obligation for payment of such assessments and other charges shall not become the personal obligation of a subsequent Owner unless expressly assumed by the subsequent Owner, although the lien shall continue against the Lot until the amounts due are paid.

(e) Classes of Membership. This Declaration may allow different classes of membership in the Association and may allow different levels of annual assessments and other assessments to be imposed for different classes of membership.

(f) Declarant's Obligation to Fund Deficits; Assessment Credit. During the Declarant Control Period, Declarant shall be obligated to fund any Operating Deficit. Declarant, at its option, may fund the Operating Deficit by any one or more of the following means: (i)

payment to the Association; (ii) payment directly to a person or entity providing the services or materials to the Association, or (iii) providing, directly or indirectly, to or for the Association, services or materials related to Common Expenses (the value of which shall be determined by the Board in its reasonable discretion, giving due consideration to what the fair market value of such services or materials would be if they had been furnished by a Person other than Declarant).

Declarant's obligation to fund Operating Deficits may be enforced against the Declarant and collected by the Association in the same manner as enforcement and collection of assessments applicable to other Owners.

After the end of the Declarant Control Period, the Declarant, at its sole option, may receive an assessment credit toward payment of annual assessments due and payable by Declarant thereafter for Lots owned by Declarant, in an amount equal to aggregate of the Operating Deficits paid by Declarant as provided herein. Declarant may not charge or collect interest or any other charge or fee on any monies paid by the Declarant, for Operating Deficits. As determined by Declarant, the assessment credit may be applied to payment of all annual assessments due from Declarant after the end of the Declarant Control Period until it has been credited in full.

(g) Certificate of Payment. The Association shall, within ten (10) business days after receipt of a written request from an Owner or the Owner's authorized agent, and for such reasonable charge as the Board may determine, furnish a certificate signed by an officer of the Association, or by a Person or employee of any Person employed by the Association and to whom the Association has delegated the authority to issue such certificates, setting forth whether the assessments and other charges against a specified Lot have been paid. If such certificate states that an assessment has been paid, such certificate shall be conclusive evidence of payment and is binding on the Association, the Board, and every Owner.

Section 6. Membership and Governance.

(a) Membership. The Declarant and every Owner within the Properties shall be a Member of the Association, and by execution of this Declaration or by acceptance of a deed conveying to such Owner title to any Lot, each Owner consents to be a Member of the Association, subject to the terms of the Governing Documents. Membership shall be appurtenant to and may not be separated from ownership of the Member's Lot. The foregoing is not intended to include any Person that holds an interest merely as security for the performance of an obligation. Upon termination of ownership, an Owner's membership with respect to the transferred Lot shall automatically terminate and be automatically transferred to the new Owner of the Lot.

(b) Members' Rights of Use. Each Member and lawful occupant in the Properties shall have a non-exclusive right of use and enjoyment and easement in the Common Areas, including the right rights of ingress and egress to and from all Common Areas throughout the Properties, subject to such rules and regulations as are allowed under the Governing Documents to be imposed by the Association and subject to suspension of use rights allowed in the Governing Documents; provided that no suspension of rights shall occur without first providing notice of the charge, opportunity to be heard and to present evidence, and notice of the decision as required by G.S. 47F-3-107.1 of the Act. But, the right of access and support, the right to drain stormwater and the right to use Stormwater Control Measures, private streets, private

utility services provided to the Lot through easements in Common Area, and any assigned parking areas shall not be suspended for violation of the Association's rules and regulations.

(c) Voting Rights. Each Member shall have those voting rights established in this Declaration, which may be different for different classes of membership. If a Lot is owned by multiple Owners, the votes allocated to that Lot shall be cast only in accordance the agreement of a majority in interest of the multiple Owners unless otherwise provided in the Governing Documents. A majority agreement is conclusively presumed if only one of the multiple Owners casts the votes allocated to that Lot, unless any of the other Owners of the Lot protest such co-Owner's vote promptly to the Person presiding at the meeting.

(d) Proxies. Votes may be cast in person or by proxy. All proxies must be dated, duly executed by the Owner, and delivered to the Secretary of the Association or to the property management company authorized by the Board to receive proxies prior to the opening of the meeting for which it is first intended to be used. No proxy shall exceed a term of eleven (11) months from its date except as otherwise provided in the Act. Revocation of a proxy shall be made by actual notice to the Person presiding over the Association meeting.

(e) Quorum. Except as otherwise provided in the Governing Documents, a quorum is present throughout any meeting of the Association whenever Persons entitled to cast ten percent (10%) of the votes are present in person or by proxy at the beginning of the meeting. In the event business cannot be conducted at any meeting because a quorum is not present, that meeting may be adjourned to a later date by the affirmative vote of a majority of those present in person or by proxy. Notwithstanding any provision to the contrary in the Governing Documents, the quorum requirements at the next meeting shall be one-half (1/2) of the quorum requirement applicable to the meeting adjourned for lack of a quorum. This provision shall continue to reduce the quorum by fifty percent (50%) from that required at the previous meeting, as previously reduced, until such time as a quorum is present and business can be conducted.

Section 7. Permanently Protected Undisturbed Open Space Areas. Within any permanently protected undisturbed open space areas shown on any recorded plat of the Properties, there must not be any land disturbing activity, any placement of impervious surfaces, any tree disturbing activity (as defined in Part 10, Chapter 2 of the Code), any new development or expansion thereof, or new use, construction, or encroachment without first obtaining a watercourse permit from the City. Permanently Protected Undisturbed Open Space may or may not be Open Space as defined in this Declaration.

Section 8. Tree Conservation. The Association shall have a conservation easement for the planting of trees and for the protection and Maintenance of the trees situated within any tree conservation areas shown on any recorded plat of the Properties. No tree disturbing activity, as defined in Part 10, Chapter 2 of the Code, shall be permitted in tree conservation areas in violation of the Code. Any tree disturbing activity undertaken in tree conservation areas or in permanently protected undisturbed open space areas shown on recorded plats of the Properties without a permit from the City or otherwise in violation of the Code is a violation of the Code and may result in significant financial consequences to the Owner and to the Person responsible for such tree disturbing activity. Owners and their agents may, however, with the consent of both the City and of the Association, enter tree conservation areas to perform active tree protection measures (as defined in the Code), to plant trees, to remove dead or diseased trees, or to plant

replacement trees, provided, however, that Association consent shall not be required, unless otherwise required by other provisions of this Declaration or Governing Documents, if the tree conservation area in which the Owner desires to perform active tree protection measures or plant trees, remove dead or diseased trees and to plant replacement trees is located on that Owner's Lot.

Section 9. Insurance. Commencing not later than the time of the first conveyance of a Lot to a Person other than the Declarant, the Association shall procure and Maintain (i) hazard insurance on the Common Area, insuring against all risk of loss commonly insured against, including fire and extended coverage of peril, and (ii) liability insurance, in an amount of not less than one million dollars ($1,000,000.00), covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use ownership or Maintenance of Common Area. The Association shall obtain and Maintain such other insurance as required in this Declaration or such other forms of insurance, and in such coverage amounts, as determined by the Board to be required or beneficial for the protection or preservation of the Common Area and other property of the Association or otherwise is in the best interests of the Association. The premiums for such insurance shall be a Common Expense paid from the annual assessments as established pursuant to this Declaration.

Section 10. Indemnification. No immunity, exculpation or indemnification provision of this Declaration shall relieve one or more Owners from it's liabilities as an Owner under this Declaration and other Governing Documents.

Section 11. On-Street Parking. Any restriction on the right to park vehicles on public streets contained in this Declaration shall only be applicable to the Owners and their family members and tenants.

Section 12. Sight Triangles. No sight obstructing or partially obstructing wall, fence, foliage, berm, parked vehicle or sign between two feet and eight feet tall, as measured above the curb line elevation or the nearest traveled way if no curb exists, shall be placed within any area designated on a recorded map of the Properties as a sight triangle or other similar designation. An easement over sight triangles is reserved for the benefit of the Declarant, the Association, and the City, and their respective agents and contractors for the purpose of removing any such obstruction, and a Person entering onto a Lot pursuant to such easement for the purpose of removing such obstruction shall not be deemed a trespasser and shall not be liable for damages to the Association or the Owner of the Lot with respect to the obstruction removed from the site triangle. It shall be the responsibility of the Association (as to Common Area) or Owner of the Lot, as soon as reasonably practicable following removal of any obstruction from the sight triangle, to restore the portion of the Properties previously occupied by the removed obstruction to the condition required or permitted by the Code and the Governing Documents.

Section 13. Annexed Property. Real property which was not part of the City-approved development, or real property that was part of the City-approved development but which was not subjected to this Declaration at the time of its initial recording, may be annexed to this Declaration and made part of the Properties as Annexed Property, provided that all of the following conditions are met with respect to the real property to be annexed:

(a) the Annexed Property is contiguous to the Properties or directly across a street from the Properties;

(b) any development of the Annexed Property is first approved by the City;

(c) annexation of such Annexed Property meets any other applicable requirements of this Declaration; and

(d) contemporaneously with either the development of the Annexed Property or the recording of the plat of the Annexed Property, whichever first occurs, an Annexation Declaration shall be recorded in the Registry.

No Annexation Declaration shall be valid without the prior written approval of the Raleigh City Attorney or his/her deputy. Evidence of such approval shall be indicated by the signature of the City Attorney or his/her deputy on the recorded original or copy of the Annexation Declaration. Any Annexation Declaration recorded without the required City approval is void *ab initio*. An Annexation Declaration may contain such complementary additions and modifications to the terms of this Declaration as may be necessary or desirable to reflect the different character, if any, of the Annexed Property and as are not inconsistent with the general scheme of this Declaration. Each Annexation Declaration shall state that title to the Common Area that is included within the Annexed Property shall be conveyed to the Association no later than the time of the conveyance of the first Lot within the Annexed Property, and any Open Space in the Annexed Property shall be conveyed in fee simple without any encumbrances except drainage, greenway, utility and conservation easements and this Declaration. Open Space in the Annexed Property is subject to all Code and Declaration provisions relating to Open Space. Each Annexation Declaration shall state the amount of the Stormwater Assessment for Lots in the annexed Property when required by Part B, Section 6 of this Article.

Annexation of the Annexed Property shall be effective upon the later of the recording of the Annexation Declaration in the Registry or such later date as specified in the Annexation Declaration, and the Annexed Property described therein shall be subject to all of the provisions of this Declaration to the extent made applicable by the Annexation Declaration, and to the jurisdiction of the Association pursuant to the terms of this Declaration and other Governing Documents of the Association. Each Owner of a Lot in Annexed Property shall be a Member of the Association, and the Annexed Property and each Owner of any portion thereof shall be subject to assessment by the Association in accordance with the terms of this Declaration, the Annexation Declaration, other Governing Documents, the Code, and the Stormwater Agreement, as applicable. The Association shall have the duties, responsibilities and powers set forth in this Declaration and other Governing Documents with respect to Annexed Property. Except as may otherwise be expressly provided in this Declaration or any Annexation Declaration, the Properties, including the Annexed Property, shall be managed and governed by the Association as an entirety. Assessments for Common Expenses collected from Owners in the Annexed Property may be expended by the Association for Common Expenses anywhere in the Properties without regard to the particular phase, area or subdivision from which such assessments came.

Section 14. Access Easement for Repair of Structures. A perpetual access easement over an adjoining Lot hereby is established in favor of each Owner or tenant of a residence or business, and the contractors of such Owner or tenant, whose residence or business is located closer than five (5) feet from an adjoining Lot line, for the purpose of allowing the residence or business to be Maintained. No fence, wall, storage shed, or similar structure or any other kind of obstruction shall be permitted in the easement area that will obstruct access to the residence or business.

Section 15. Access for Governmental Agencies. A non-exclusive, perpetual right of access over all Lots and Common Areas (including private streets, if any) in the Properties is hereby established for the benefit of Governmental Entities for installing, removing and reading water meters, Maintaining and replacing water and sewer facilities, fire lines, and acting for other purposes consistent with public safety and welfare, including law enforcement, fire protection, animal control, emergency services, garbage collection and the delivery of mail.

Section 16. Conveyance or Dedication of Common Areas. Common Areas, including Open Space, shall either be conveyed to the Association in fee simple without any encumbrances except this Declaration, drainage, greenway, utility and conservation easements of record at the time of conveyance, and the lien of real property taxes not yet due and payable, or conveyed to the City as allowed or required under the Code. Common Areas may be conveyed to the City free of part or all of the provisions of this Declaration, as determined by the Declarant and the City. Title to Common Areas shall be conveyed to the Association or to the City no later than the time of the conveyance of the first Lot within the applicable phase of the Properties. The Association shall accept all Common Areas, including the improvements installed thereon by the Declarant, deeded to it and/or dedicated to it on any recorded plat of the Properties, whether or not the conveyance or dedication occurs prior to the time of the conveyance of the first Lot within the applicable phase of the Properties.

Section 17. Private Utility Lines. Any water or sewer line that serves more than one Lot and which is either located outside of any public street right-of-way or outside of any City utility easement shall be owned and Maintained by the Association as Common Area. In no case shall the City or the State of North Carolina be responsible for Maintaining any such private utility line or be responsible for the consequences for any blockage, backflow, break or leak in said utility line. Such responsibility shall rest with the Association (or applicable Sub-Association) and Owners of Lots within the Properties. Accordingly, the City shall not be responsible for failing to provide regular or emergency utility services to any cluster unit development, unit Ownership (condominium) development, group housing development, townhouse development, or manufactured home park or their occupants when such failure is due to inadequate design or construction, blockage, backflow, leakage, inadequate maintenance, or any other factor within the control of the Declarant, the Association, or the Owners or occupants of the Properties.

The provisions of this Section shall be incorporated into all conveyances of any part or all of the Properties, which incorporation may be by reference to this Declaration. Provided, however, the provisions of this Section and all other provisions of this Declaration are applicable to the portions of the Properties conveyed and the Owners thereof, whether or not any such provisions are incorporated into the conveying documents.

Section 18. Landscape Easements. The Association shall be responsible for Maintaining and replanting any shrub or tree located within any area designated on a recorded map of the Properties as a landscape easement or similar designation. Whenever a slope easement co-exists, in whole or in part, within a designated landscape easement, and any future public improvement adjacent to the slope easement removes or causes any of the shrubs or trees within the slope easement to die or become unhealthy (as defined in Part 10 Chapter 2 of the Code), it shall be the responsibility of the Association to replace the shrubs and trees in accordance with the minimum applicable quantity, size and spacing

requirements of the Code within one-hundred and eighty days of completion of the public improvement. Within any area designated on recorded maps of the Properties as a landscape easement or similar designation, no vegetation shall be removed without the prior written consent of the Association. Notwithstanding the foregoing, no Governmental Entity shall be required to obtain the consent of the Association when working within slope easements, greenway easements or construction easements.

PART B
STORMWATER
(CODE SECTIONS 10-5007 and 10-9027)

Section 1. Stormwater Control Measures. The Code requires that stormwater runoff from the Properties be controlled and nitrogen loading from stormwater runoff from the Properties be reduced. To comply with the Code, Stormwater Control Measures will be installed by the Declarant and Maintained by the Association as Common Area or Limited Common Area (or by a Sub-Association as Sub-Association Common Area or Sub-Association Limited Common Area) in strict compliance with the Stormwater Operations and Maintenance Manual and Budget attached to the Stormwater Agreement for the Properties so that, at all times, the Stormwater Control Measures shall perform as designed and shall comply with the Stormwater Agreement, the Code and applicable regulations, rules and directives of the City. The expenses for Maintenance of Stormwater Control Measures by the Association shall be Common Expenses (or, if applicable, Limited Common Expenses). Failure to Maintain the Stormwater Control Measures is a violation of the Code potentially subjecting each Owner of a Lot to significant daily civil penalties and other enforcement actions.

Section 2. Creation of Stormwater Assessments. Each Owner, by execution of this Declaration or by acceptance of a deed or other instrument conveying title to a Lot, whether or not it shall be so expressed therein, is deemed to covenant and agree to pay to the Association (or to any Person who may be designated by the Association to collect such monies) a Stormwater Assessment, as hereinafter defined, established and collected as hereinafter provided, and each Owner of a Lot, by acceptance of a deed or other instrument conveying title to a Lot, whether or not it shall be so expressed therein, is deemed to covenant and agree to pay to the Association (or to any person who maybe designated by the Association to collect such monies) such Stormwater Assessment. For calendar year 2006, the Stormwater Assessment is **$198.06** per Lot. Stormwater Assessments shall commence with respect to each Lot on the later of the date on which this Declaration or applicable Annexation Declaration is recorded or the date on which a plat is recorded establishing the Lot. The annual budget for the Association shall include a line item evidencing the Stormwater Assessments, and the amount budgeted shall be sufficient to satisfy the total annual inspection, management and Maintenance budget for the Stormwater Control Measures as set forth in the Stormwater Operations and Maintenance Manual and Budget attached to the Stormwater Agreement as an exhibit, and any replacement contribution payment owed to the City pursuant to the Stormwater Agreement. The Association shall honor its obligations under the Stormwater Agreement, and the Association shall assess the Stormwater Assessment. The Declarant and each Owner of a Lot shall be obligated to pay the Stormwater Assessment, whether or not the annual budget contains the required line item for the Stormwater Assessment, and whether or not the annual budget is ratified by the Members of the Association. No vote of the Owners is required to levy, collect, or foreclose a Stormwater Assessment. Stormwater Assessments shall be paid to the Association at the same time annual assessments are due.

In the event of nonpayment of any Stormwater Assessment for a period of thirty (30) days or longer after the payment due date, such Stormwater Assessment, together with interest at a rate not to exceed the highest rate allowed by North Carolina law), as computed from the date the delinquency first occurs, late charges, and costs of collection thereof, including reasonable attorney's fees, shall be a charge on the land upon the filing of a claim of lien, in the manner provided in G.S.47F-3-116(g), in the office of Clerk of Superior Court in the County in which the Lot is located and shall be a continuing lien upon each Lot against which the assessment is made until paid in full. The lien may be foreclosed in accordance with North Carolina law, or in any other manner permitted under the Act or by law. When the holder of a first mortgage or first deed of trust of record or other purchaser of a Lot who obtains title to the Lot as a result of a foreclosure of a first mortgage or first deed of trust, such purchaser and its heirs, successors, and assigns shall not be liable for the Stormwater Assessments against such Lot which became due prior to the acquisition of title to such Lot by such purchaser. In such instances, such unpaid assessments shall be deemed Common Expenses collectible from all Owners, including the new Owner.

Each Stormwater Assessment, together with late charges, interest, the costs of collection thereof, including attorney's fees, shall also be the personal obligation or corporate obligation of each Person who was the Owner of the Lot at the time when the Stormwater Assessment first became due and payable. If more than one Person held an ownership interest in the Lot at the time the Stormwater Assessment first became due, then each Person shall be both jointly and severally liable. An Owner's personal obligation for payment of Stormwater Assessments shall not become the personal obligation of a subsequent Owner unless expressly assumed by the subsequent Owner, although the lien shall continue against the Lot until the amount due is paid.

The creation of the Stormwater Assessments is for the benefit of the City, and the Stormwater Assessments may be collected and enforced by the City as provided herein and in the Code.

Section 3. Purpose of Stormwater Assessments. The Stormwater Assessments to be levied by the Association against each Lot shall be used as follows:

(a) to pay the actual and estimated expenses incurred or anticipated to be incurred by the Association, including any reasonable reserve funds, under any Stormwater Agreement, including Maintenance of the Stormwater Control Measures in strict compliance with the Stormwater Operations and Maintenance Manual and Budget attached to the Stormwater Agreement as an exhibit, so that, at all times, the Stormwater Control Measures shall perform as designed and shall comply with the Stormwater Agreement, the Code, applicable regulations and rules and directives of the City;

(b) to pay all legal, engineering and other professional fees incurred by the Association in carrying out its duties as set forth herein, or in the Governing Documents, or in the Stormwater Agreement in connection with the Stormwater Control Measures; and

(c) payments to the City pursuant to the Stormwater Agreement.

Section 4. Assignment of Collection Rights and Lien Rights the City. Pursuant to the Stormwater Agreement and G.S.47F-3-102(15) of the Act, the Association has assigned to the City its rights to collect Stormwater Assessments, its rights to file liens against the Lots, and the right to foreclose on those liens for monies owed by the Association to the City pursuant to the Stormwater Agreement. The Association shall have a license to collect Stormwater Assessments, to file liens against the Lots, and to foreclose on those liens for monies owed by the Association to the City pursuant to the Stormwater Agreement until such time as the City notifies the Association in writing that it has elected to exercise its right to collect Stormwater Assessments, to file liens against the Lots, and/or to foreclose on those liens for monies owned by the Association to the City pursuant to the Stormwater Agreement. Declarant hereby irrevocably authorizes and directs each Owner to rely upon any written notice sent to such Owner by the Association that the City has elected to exercise its rights hereunder and thereafter to pay Stormwater Assessments directly to the City without any obligation or right to inquire otherwise until such time such Owner receives written notice from the City to pay the Stormwater Assessments directly to the Association. As the assignee of the Association's collection and lien rights, upon the filing of a claim of lien by the City, any such lien may be foreclosed in like manner as a mortgage on real estate pursuant to power of sale under Articles 2A of Chapter 45 of the General Statutes from and after the time of recording a claim of lien in the office of the clerk of superior court of the county in which the Lot is located; which claim of lien shall state the description of the Lot(s) encumbered by the claim of lien, the name and address of the Association and of the City, the record Owner(s) of the encumbered Lot(s) at the time the claim of lien is filed, and the amount of the lien claim. The claim of lien shall be filed any time after a period of thirty (30) days or longer of default and the lien shall continue in effect until all sums secured by the lien as herein provided shall have been fully paid. Such claims of lien shall include all sums that are due and payable when the claim of lien is filed, plus late charges, interest at the rate set forth in the Stormwater Agreement, but not to exceed eighteen percent (18%) per year, collection costs, and reasonable attorney's fees. Any lien claim filed by the City shall be signed by the City Manager. Upon full payment of all sums secured by such claims of lien, the same shall be satisfied of record.

Section 5. Effect of Assignment. Each Owner of a Lot, by acceptance of a deed or otherwise, vests in the City, as the assignee of the Association's collection and lien rights for the Stormwater Assessments, the right and power, upon nonpayment of the Stormwater Assessments by the Association, to bring all actions against each Owner, personally, for the collection of such charges as a debt or to foreclose the lien, which charges and lien amounts shall equal a pro-rata share of the Stormwater Assessments for each Owner. The lien provided for in this Article shall be in favor of the City and shall be for the benefit of all Owners.

Section 6. Annexation of Additional Property. As set forth in this Declaration, additional real property from time to time may be annexed to the Properties and subjected to this Declaration. Such Annexed Property shall also be subjected to existing Stormwater Agreements and/or new Stormwater Agreements, in accordance with the following:

In connection with the recording of an Annexation Declaration, either a new Stormwater Agreement and/or an amendment to an existing Stormwater Agreement (as determined by the City) shall be entered into among the City, Declarant, and Association to address the Stormwater Control Measures of the Annexed Property. Except in those instances where the Stormwater Agreement already contains contribution payments for the Annexed Property, the Annexation Declaration shall establish an new Stormwater Assessment for the Lots in the Annexed Property

with respect to all new Stormwater Control Measures located in or serving such Annexed Property, and such new Stormwater Control Measures shall be designated as Common Area or Limited Common Area, as appropriate, on the recorded plat(s) of the Annexed Property. The new Stormwater Assessment shall be sufficient to Maintain the new or additional Stormwater Control Measures in or serving the Annexed Property and to pay the applicable replacement contribution payments to the City under the new or amended Stormwater Agreement, and such Stormwater Assessment shall be assessed against the Owners of the Lots of the Annexed Property and Owners of the existing or future Lots served by the same Stormwater Control Measures.

Section 7. Drainage Easement. The Declarant dedicates, establishes and declares to and for the benefit of each Lot, the Common Area and each Owner hereof:

(a) a perpetual, irrevocable and nonexclusive easement, right and privilege to discharge and store surface water drainage from such Lot or Common Area into the Stormwater Control Measures situated in private drainage easements that serve the Properties, whether located on or off or the Properties, and

(b) a perpetual, irrevocable and non-exclusive easement, right and privilege to use and Maintain Stormwater Control Measures, including the right of access to and from the private drainage easements and other portions of the Properties as reasonably necessary to Maintain the Stormwater Control Measures.

Section 8. Joint and Several Liability. Each Owner of any portion of the Properties served by Stormwater Control Measures is jointly and severally responsible for Maintenance of such Stormwater Control Measures, including payment of any unpaid *ad valorem* taxes, public assessments for improvements, and unsafe building and public nuisance abatement liens charged against the Stormwater Control Measures, and including all interest charges thereon, together with the costs and expenses of collection incurred by the City or other collecting Person, including court costs and reasonable attorney's fees actually incurred. Each Owner of any portion of the Properties served by the Stormwater Control Measures has a right of contribution against all other Owners of other portions of the Properties served by the same Stormwater Control Measures for payment of such costs and expenses to the extent that the Owner having such right of contribution pays more than such Owner's prorata share thereof, such prorata share being determined either by other assessment provisions of this Declaration or by dividing the acreage of such Owner's portion of the Properties served by the Stormwater Control Measures by the total acreage of the Properties served by the same Stormwater Control Measures.

Section 9. Relocation of Drainage Easements. Drainage easements situated on the Properties may be relocated only by a written agreement signed by the Association - upon approval of the Board of Directors without vote of the Members - and by the Owners of all portions of the Properties on which the drainage easement then is located, and by the Owners of all portions of the Properties on which the drainage easement is to be relocated. The consent of tenants and Mortgagees of the affected Lots shall not be required for the relocation to be effective. All relocations of a drainage easement shall be accompanied with a letter sealed by a professional engineer licensed in the State of North Carolina stating that the relocated drainage easement will not cause any adverse stormwater runoff unto adjoining properties.

Notwithstanding anything herein to the contrary, no relocation of any drainage easement shall be valid without the without the prior approval of the Raleigh Chief Engineer or his/her Deputy. City approval shall be evidenced by the signature of the Raleigh Chief Engineer or

his/her Deputy on the recorded plat or other instrument of the relocation. Any relocation, without the required City signature is void *ab initio*.

Relocation of a drainage easement is valid from the later of the time of either recording of the plat or other instrument of relocation in the Registry or such later date specified therein.

PART C
TOWNHOUSE DEVELOPMENT
(CODE SECTIONS 10-2109, 10-3072 AND 10-3073)

Any portion of the Properties that is part of a "townhouse development", as that term is defined in the Code, is subject to all of the following. A townhouse development may be, but is not required to be, part of a cluster unit development. Any townhouse development that is part of a cluster unit development is also subject to the provisions of the Code applicable to cluster unit developments (some of which may be identical to the following provisions), except as otherwise provided in the Code:

Section 1. Open Space. In addition to other provisions of this Article (*see* e.g., Part A, Sections 6, 16 and 17), all Open Space is subject to the following:

(a) Townhouse Open Space. Townhouse Open Space and private streets used for the exclusive benefit of townhouse residents are Limited Common Area or Sub-Association Common Area when the townhouse development is part of a cluster unit development containing other housing types.

(b) Preservation. Open Space and private streets shall be preserved for the perpetual benefit of the Owners of the Lots within the Properties, and shall be restricted against private or public Ownership for any other purpose, except acquisition by condemnation or in lieu of condemnation and the granting of utility, drainage, conservation and greenway easements.

(c) Exchange. Open Space shall not be subsequently subdivided or conveyed by the Association. However, nothing herein shall prevent the exchanging of Open Space for other properties when all of the following are met:

(1) written notice of the exchange is given to each Member of the Association;

(2) after the notice is given, those members having the minimum percentage of votes in the Association required by the Act or any greater percentage required by this Declaration gives written approval of the exchange;

(3) the exchanged properties and other considerations are of like value and utility;

(4) the acreage and configuration of the remaining Open Space (including real property to be received by the Association in such exchange) equals or exceeds the requirements of the Code; and

(5) the exchange is approved by the Planning Director of the City.

(d) Dissolution. If the Association is dissolved, the Open Space shall first be offered to the City, and if accepted, deeded to the City.

(e) Recreation. Recreational uses located in Open Space and other Common Areas shall comply with the provisions of Code Section 10-2072 related to recreational use related to a residential development, other than a single-family dwelling unit. Membership fees shall not be charged to non-members of the Association for any recreation facility located in a residential zoning district unless the facility is owned by a non-profit entity and a special use permit is first obtained from the Raleigh Board of Adjustment in accordance with Code Section 10-2144(b), "Recreational Use Restricted to Membership - Not for Profit".

(f) Mortgaging of Open Space. Open Space may be subjected to a security interest with the written approval by those Members having the minimum percentage of votes in the Association required by the Act or any greater percentage required by this Declaration, and provided that the rights of the mortgagee are subordinate to the rights of the Owners and the Association.

Section 2. Common Party Walls. All common party walls between individual residences shall conform to the requirements of the North Carolina State Building Code. The following rules also apply to common party walls between individual residences:

(a) Each wall which is shared by residences and placed on the dividing line between the residences shall constitute a common party wall and, to the extent not inconsistent with the provisions of this Section or the Code, the general rules of law regarding common party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) The cost of reasonable Maintenance of a common party wall shall be shared by the Owners of the residences that share the common party wall, in proportion to such use. Provided, however, each Owner is responsible for usual and routine Maintenance (for example, painting) of the portion of any party wall on the inside of such Owner's residence.

(c) If a common party wall is destroyed or damaged by fire or other casualty, any Owner of a residence which shares such common party wall may restore or repair it, and the Owners of the other residences which share the restored or repaired common party wall shall, within twenty-one (21) days of the receipt of a request for payment and invoices showing the cost of such restoration or repair, contribute to the cost of the restoration or repair thereof (or reimburse the Owner who has paid such costs) in proportion to their use of the common party wall, without prejudice, however, to the right of any such Owner to demand a larger contribution from the other Owners under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Notwithstanding any other provision of this Section, an Owner of a residence which shares a common party wall who, by such Owner's negligent or willful act or omission, damages or causes the common party wall to be exposed to the elements shall bear the entire cost of the necessary repair or restoration.

(e) The right of any Owner to contribution from any other Owner under this Section with respect to all matters occurring prior to the transfer of title of the Lot to a subsequent Owner may be retained by the transferring Owner to the extent that the transferring Owner paid any expenses for which contribution is available; otherwise, the right of contribution shall be

transferred to the subsequent Owner. The amount owed shall constitute the personal debt of the Owner from whom it is owed, and the Owner to whom the contribution is owed shall have all remedies available at law or in equity to enforce such Owner's right of contribution. An Owner's obligation for contribution is appurtenant to and shall run with title to such Owner's Lot.

(f) An Owner who desires to sell a residence, or the prospective purchaser of such residence, may request the Owners of each other residence which shares that common party wall to provide a certificate stating whether or not such certifying Owner has any right or obligation of contribution with respect to such common party wall against the Owner who desires to sell. Each certifying Owner from whom such certificate is requested, shall, within ten (10) days after receipt of a written request for certification, furnish same to the requesting Owner or purchaser, as applicable, either confirming that no right of contribution exists or stating the amount of and reasons for the contribution claimed against the requesting Owner. A certificate signed by any one or more of the Owners of a residence which shares a common party wall with the residence of the requesting Owner shall be conclusive evidence of its contents with respect to all other Owners of that residence and with respect to third parties.

(g) Each Owner of a residence which shares a common party wall with one or more other residences and such Owner's contractors and subcontractors shall have an easement and right of entry upon such other residences or businesses to the extent reasonably necessary to repair, restore, Maintain or reconstruct the common party wall. Such repair, restoration, Maintenance or reconstruction shall be done expeditiously and, promptly upon completion of the work, the Owner on whose behalf the work is being done shall restore all portions of the adjoining residences or businesses damaged as a result thereof to substantially the same condition as that which existed at the time the work commenced.

(b) In no case shall the City or the State of North Carolina be responsible for Maintaining any private street. Such responsibility shall rest with the Association (or applicable Sub-Association) and Owners of Lot within the Properties, in that such private streets will not be constructed to the minimum standards sufficient to allow their inclusion for public Maintenance.

(c) The provisions of this Section shall be incorporated into all conveyances of any part or all of the Properties, which incorporation may be by reference to this Declaration;
